See next page for “New Online Registration Portal”

Registration forms, coach and sponsor applications are available on our website, [www.tiftcounty.org](http://www.tiftcounty.org).

Payment - We accept Visa, MasterCard and debit cards. You may also pay by check, telecheck, money order and cash.

Refunds - No refunds will be granted for any program or activity once the activity has started and/or teams have been selected. If a refund is requested prior to team selections the participant may receive either a department credit or partial refund. A 20% administrative cost will be withheld.
Tift County Recreation Department would like to remind you that we have an “online registration option” for all of our team sports and some other activities for existing/repeat customers. Visa and MasterCard are accepted for Online Registration. If a valid email address was provided on your registration form that is your username/ID. TCRD and CivicPlus/REC1 are excited too about this opportunity that has been created to ease the process of registering with the Tift County Recreation Department – “TCRD”. When you “login” the first time you will then be “prompted to set your own password”. We hope this new process will make it easier for you to register for our various programs and activities. If you should need assistance please call 229-382-3262.

REGISTRATION LINK:

https://secure.rec1.com/GA/tift-county-recreation/catalog

Please use the link provided to access our online catalog. If you provided us with a valid email at the time of your last registration that is now your user name. After typing your user name click “FORGOT PASSWORD” and you will be given a temporary password that can be changed.

If you are a first time participant please register in person at the Tift County Recreation Department so we can gather your Birth Certificate and other registration information. After your initial registration you will then be able to access your account online.

If you did not submit or provide your email information on the registration form you will need to create or have an account created, provide a Username and Password to be able to register online.

A Valid Email Address helps TCRD communicate with you about our programs and activities. You will also receive updates in regards to upcoming programs and league information. Should you have any questions please call 229-382-3262, Monday - Friday from 8:30am - 5:30pm.

Thank you for considering our program and department for your leisure needs.
Inclement Weather/Rain Out Information
Cancellations due to weather on weeknights will generally not be made any later than 4:00 pm. Cancellations made after the office closes will be made at the various Athletic sites where games are played. TCRD will update our weather line (229-528-9292) and also make every effort to call head coaches and email league participants with cancellation information.

Volunteer Coaches
*Without volunteers, there would be fewer recreational activities!* TCRD needs volunteers in many different activity areas. Coaching youth athletics, sponsors, program instructors, advisory board members, travel chaperones, etc. All volunteers have to pass a current background check, and coaches must also attend an instructional clinic prior to beginning that sport. *(TCRD/GRPA approved clinics)*. Head coaches must complete an application prior to the end of regular registration for that sport to be considered, unless TCRD does not have enough applicants to fill all teams.

Sponsors
Sponsors are needed for T-Ball, Baseball, Softball, Soccer and Football teams. Donations and sponsors are also needed in other activities such as senior programs, day camp and our annual Easter egg hunt. Contact Zelda Sapp at 229-382-3262 for further information.
Parent/Athlete Concussion Information Sheet

(This information was taken from CDC Website and CDC Parent/Athlete Information Sheet)

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

**WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?**

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury.

If an athlete reports **one or more** symptoms of concussion listed below after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.

**Did You Know?**
- Most concussions occur without loss of consciousness.
- Athletes who have, at any point in their lives, had a concussion have an increased risk for another concussion.
- Young children and teens are more likely to get a concussion and take longer to recover than adults.

**SIGNS OBSERVED BY COACHING STAFF:**
- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

**SYMPTOMS REPORTED BY ATHLETES:**
- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not "feeling right" or "feeling down"

**CONCUSSION DANGER SIGNS**

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that not only does not diminish, but gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Loses consciousness (even a brief loss of consciousness should be taken seriously)
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior

Remember
Concussions affect people differently. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.
**WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?**
If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is still healing, she/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.

**WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?**
If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.

Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, or playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

**Remember:**
Concussions affect people differently. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

It’s better to miss one game than the whole season. For more information on concussions, visit: [www.cdc.gov/Concussion](http://www.cdc.gov/Concussion).

1. Parents and spectators should remember that the Recreation Programs are for the children to learn fundamentals, techniques, sportsmanship, and teamwork and have fun.

2. Parents should also remember you are out to support the children in the programs, not to draw attention to yourself. So don't be rude, arrogant, or undignified.

3. Don't let the "win at all costs" get you. Through sports, a child can experience attitudes which lead to a happy, productive and well-adjusted life. By creating a healthy situation on the team, all children can be winners regardless of their win-lost record. So don't get caught up in the "winning is everything" attitude.

4. Children learn much from what parents and spectators say and do so don't be sorry later for what you do now.

5. No parent or spectator should have alcoholic beverages on or around any youth activity (practices or games).

6. Parents should remember to shape their character and conduct so as to be a worthy example to your children.

7. Any parent having knowledge of his or her son or daughter playing in a league under false age or identification will be suspended indefinitely from any athletic event.
8. Any parent or spectator acting in an unsportsmanlike manner or in any way that could prove detrimental to any league, player, official, coach, or another spectator, will be subject to disciplinary action by the Recreation Department and the Athletic Advisory Committee.

   a. Language unbecoming to the league (suspension 1 game).
   b. Touching or striking a coach or official (suspension for remainder of the season).
   c. Unsportsmanlike conduct at an athletic event/program (suspension 1 game).
   d. Damage to recreation property (suspension indefinitely).
   e. Thrown out of a game (suspension remainder of present game, suspension next game and must leave the park immediately).

9. Parents and spectators should remember coaches are volunteers and are giving their time to help boys and girls learn the game, so unless they are willing to take an active part in coaching, should not complain or offer advice in the stands.

10. Parents and spectators who come to sports activities should not just root for their child's team, but for all teams.
The Fundamentals of Sportsmanship

TCRD will be emphasizing the importance of GOOD SPORTSMANSHIP. The one thing we need to realize is that many people have not had GOOD SPORTSMANSHIP explained to them. Hopefully the following will help everyone to understand their responsibilities at an athletic contest.

1. GAIN AN UNDERSTANDING AND APPRECIATION FOR THE RULES OF THE GAME/CONTEST.
2. EXERCISE REPRESENTATIVE BEHAVIOR AT ALL TIMES.
3. RECOGNIZE AND APPRECIATE SKILLED PERFORMANCES OF ALL ATHLETES AND/OR COMMUNITIES REGARDLESS OF AFFILIATION.
4. EXHIBIT RESPECT FOR THE OFFICIALS.
5. DISPLAY OPENLY A RESPECT FOR THE OPPONENT AT ALL TIMES.
6. DISPLAY PRIDE IN YOUR ACTIONS AT EVERY OPPORTUNITY.
Guidelines for Behavior/Behavior Expectations

- Exemplify the highest moral character, behavior and leadership, adhering to strong ethical and integrity standards.
- Respect the integrity and personality of the individual athlete.
- Abide by and teach the rules of the game in letter and in spirit.
- Set a good example for coaches, players and spectators to follow – please refrain from arguments in front of players and spectators; no gestures which indicate an official or opposing coach does not know what he or she is doing or talking about; no throwing of any object in disgust. Coaches shake hands with the officials and the opposing coaches before and after the contest in full view of the public.
- Display modesty in victory and graciousness in defeat in public and in meeting/talking with the media. Please confine your remarks to game statistics and to the performance of your team.
- Be no party to the use of profanity or obscene language, or improper actions. Accept and understand the seriousness of your responsibility, and the privilege of representing the department and the community.
- Learn the rules of the game thoroughly and discuss them with parents, fans, fellow coaches and athletes. This will assist both them and you in the achievement of a better understanding and appreciation of the game.
- Teach sportsmanship and reward teams/teammates that are good sports.
- Treat opponents the way you would like to be treated, as a guest or friend. Who better than you can understand all the hard work and team effort that is required of your sport? Never direct remarks at opponents in a taunting manner.
- Wish opponents good luck before the game and congratulate them in a sincere manner that you would like to be greeted following either victory or defeat.
- Respect the integrity and judgment of game officials. The officials are doing their best to help promote you and your sport. Treating them with respect, even if you disagree with their judgment, will only make a positive impression of you and your team in the eyes of the officials and all people at the event.
- Try to understand the seriousness and responsibility of your role, and the privilege of representing the department and the community in which you live.
- Learn the rules of the game thoroughly and discuss them with parents, fans, fellow students, and elementary students. This will assist both them and you in the achievement of a better understanding and appreciation of the game.
- Establish standards of desirable behavior for the squad and attempt to transfer that to your spectators.
- Select positive comments which praise your team without antagonizing the opponents.
- Encourage a positive crowd alternative when booing or an inappropriate behavior begins.
- Give encouragement to injured players and recognition to outstanding performances for both teams.
- Remember that recreational athletics are learning experiences for participants and those mistakes are sometimes made. Praise athletes in their attempt to improve themselves as young athletes and as people.
• Spectators need to understand that a ticket is a privilege to observe the contest, not a license to verbally assault others and be generally obnoxious. You also are a direct reflection of your community/program.
• Refrain from the use of any controlled substances (alcohol, drugs, etc.) before, and during games, and afterwards on or near the site of the event (i.e. tailgating).
• Promote ideals and fundamentals of good sportsmanship.
• Report acts of unsportsmanlike behavior without giving undue publicity to unsportsmanlike conduct.
• Refrain from making negative comments towards participants, coaches or officials.
• Report facts without demonstrating partiality to either team.

Recreation Staff & Officials . . .

• Accept your role in an unassuming manner. Showboating and over-officiating are not acceptable.
• Maintain confidence and poise, controlling the contest from start to finish.
• Know the rules of the game thoroughly and abide by the established Sportsmanship Code and Appropriate Affiliation Code of Ethics.
• Publicly shake hands with coaches of both teams before the contest.
• Never exhibit emotions or argue with participants and coaches when enforcing rules.
• When watching a game as a spectator, giving the officials the same respect you expect to receive when working a contest.
• Develop a program for teaching and promoting the ideals and fundamentals of good sportsmanship within the program and the state association.
• Provide appropriate supervisory personnel for each event.
• Support participants, coaches and fans which teach and display good sportsmanship.
• Recognize exemplary behavior and actively discourage undesirable conduct by participants, coaches and fans.
• Serve as a positive role model and expect the same from parents, fans, participants, coaches and other school personnel.

Acceptable Behavior . . .

• Applause during introduction of players, coaches and officials.
• Players shaking hands with opponent who fouls out while both sets of fans recognize player's performance with applause.
• Accept all decisions of officials.
• Handshakes between participants and coaches and end of contest, regardless of outcome.
• Treat competition as a game, not a war.
• Coaches/players search out opposing participants to recognize them for outstanding performance or coaching.
• Applause at end of contest for performances of all participants.
• Everyone showing concern for an injured player, regardless of team.
• Encourage surrounding people to display only sportsmanlike conduct.
Unacceptable Behavior ...

- Yelling or waving arms during opponent's free throw attempt, serve, at bat, start, etc.
- Disrespectful or derogatory yells chants, songs or gestures.
- Booing or heckling an official's decision.
- Criticizing officials in any way; displays of temper with an official's call.
- Yells that antagonize opponents.
- Refusing to shake hands or give recognition for good performances.
- Blaming loss of game on officials, coaches or participants.
- Laughing or name-calling to distract an opponent.
- Use of profanity or displays of anger that draw attention away from the game.

Any parent or spectator acting in an unsportsmanlike manner or in any way that could prove detrimental to any league, player, official, coach, or another spectator, will be subject to disciplinary action by the Tift County Recreation Department and the Athletic Advisory Committee.

a. Language unbecoming to the league/event (suspension 1 game).
b. Touching or striking a coach or official (suspension for remainder of the season).
c. Unsportsmanlike conduct at an athletic event/program (suspension 1 game).
d. Damage to recreation property (suspension indefinitely).
e. Thrown out of a game (suspension remainder of present game, suspension next game and must leave the park immediately).
Code of Conduct

The Tift County Recreation Department and the Athletic Advisory Committee believe that sportsmanship is a core value and its promotion and practice are essential. Participants/Parents/Officials/Administrators and Spectators have a duty to assure that their teams/communities promote the development of good character. This code of conduct applies to all participants involved in athletics and TCRD sponsored activities.

1. Participants will advocate, model, and promote the development of good character to include:

- Trustworthiness
- Respect
- Responsibility
- Teamwork
- Fairness
- Caring
- Citizenship while promoting emotional, physical and moral well being above desires and pressure to win.

2. Participants will respect peers, coaches, officials, opponents and other associated with the event.

3. Participants will promote fair play and uphold the spirit of the rules in the activity.

4. Participants will model appropriate behavior at all times.

5. Participants will engage in a healthy lifestyle.

I have read and understand the requirements of this Code of Conduct and acknowledge that I may be disciplined or removed from a team/tournament/event and/or facility if I violate any of its provisions.

The purpose of the team selection process as stated below is to *distribute the players as even as possible to ensure a competitive balance among the teams.*

The goal is that each child will *have fun and learn the basic fundamentals* of the sport. Please remember that this is recreational sports and not the professional sports arena. Fun, teamwork, cooperation, and sportsmanship should be most important.

---

*Only one coach per team will be allowed in Team Selections.*

*No use of electronic devices during team selections process allowed*

---

Coaches may not communicate with anyone outside of the team selection regarding players, coaches or parents. No assistance from outside of the room during team selections. Staff may call if any assistance is deemed necessary. TCRD reserves the right to administer a conference call, go to meeting session, etc. if deemed necessary.

1. Determine number of teams in league based on number of registrants and roster limits. All eligible players will be placed in team selection process each year for each sport.

2. League coaches and Recreation Department personnel rank registrants based on knowledge of playing ability, specialty, age and height or weight.

3. Selection order is assigned to coaches based on a blind draw. Prior to the selection beginning, siblings are designated so that coaches will know they will get both if one is selected. Siblings will be placed on the same team provided that all participants meet the age requirements and show proof of family relation at the time of registration.
4. All players are ranked in horizontal lines according to overall talent level by TCRD staff and league coaches. Coaches are issued a printout of the rank of players. Selection will begin with the 1st coach and will continue on the first line until all players are selected. Head Coaches must select their child on the line that they are on when it is their turn. Assistant coaches children must be selected during the selection process when their line becomes available. If the Head Coach does not select the assistant coach’s child/ren at the appropriate time they are fair game. There are also no guarantees the Assistant Coaches Child/ren will be available for the head coach to select. If you have someone that wants to help you it should be made known prior to beginning the team selection process. **TRADES ARE NOT ALLOWED** after the selection is complete.

5. **Sponsorship goes with the child**, not a specified coach unless mother or father is the head coach of the team. TCRD may make an administrative move or disallow a selection due to more than one sponsor’s child being on the same team.

6. **Transportation requests should be considered but are not mandatory.** There may be **special circumstances** where a child cannot participate without transportation for health purposes. If this situation exists, TCRD will notify coaches at the Team Selection Process. This could be an administrative trade by TCRD.
George Cobb III Volunteer of the Year Award

Do you know of an outstanding Tift County Recreation Coach or Volunteer that provides their time and dedication to Tifton-Tift County Youth Sports? Tift County Recreation Department and the Athletic Advisory committee are accepting nominations for the “George Cobb III Volunteer of the Year Award”. This award is given to any person, business, civic club, organization or agency not officially connected with the recreation movement. Any outstanding recreation coach, sponsor or volunteer that has contributed to the development of youth sports through coaching and/or volunteering to Tift County Recreation.

This award was presented posthumously to George Cobb III in 1988 and has been awarded to 12 other individuals since its inception. Individuals recognized have been sponsors, coaches, and organizations which have promoted Youth Sports and Development on a volunteer basis and made lasting contributions to the recreation movement. Nominations are received by the Tift County Recreation Department and reviewed by the Athletic Advisory Committee. Nominees are then voted on by the TCRD AAC to determine the recipient for the current period.

The Tift County Recreation Department would like to thank all Coaches, Sponsors and Community Volunteers that help make our programs possible as we continue to provide positive role models and experiences for our rising leaders of tomorrow. The most treasured possession we all have is our children and the time spent nurturing them and helping them to become well rounded would not be possible without the support of countless Volunteers and the time spent away from their families. Please help honor a coach, sponsor, civic club, or business that has made a lasting contribution to the Tift County Recreation Department Youth Sports and Youth Development by completing a nomination form.
FACILITIES
