AGREEMENT FOR PLACEMENT OF BANNER

The City of Tifton maintains two locations for the placement of banners for the benefit of civic organizations to announce activities of interest to the general populace. These locations are on Main Street, near 1st Street and 2nd Street just east of I-75.

The City of Tifton will install and remove approved banners at no charge.

The organization sponsoring the banner agrees to accept all liability for damages that the banner may cause and to indemnify and hold harmless the City of Tifton. Damaged or dangerous banners will be removed immediately and not reinstalled unless repaired by the organization.

The City of Tifton is not responsible for any banners before, during, or after the banner is received by the City of Tifton. To prevent traffic hazards, **banners will be made with a minimum of 13oz heavy duty vinyl material** in order to hold up well in outdoor conditions. During the windy months or bad weather days your banner will be taken down for an undetermined amount of time. We will try to place your banner back up as soon as safety permits.

The City of Tifton reserves the right to determine the location and length of time a banner is displayed and shorten the time it is displayed in order to accommodate as many organizations as possible. Be advised that if you have 2 banners up, 1 may be taken down to accommodate other organizations. **Banners reservations are made on a 1st come 1st serve basis.** Banners will not be displayed longer than 30 days.

*All banners MUST BE 4' foot wide (tall) and MAXIMUM OF 30'- 40' long (length across the road) with lettering size being a minimum of 6" in height. Banners shall have 1 air vent 6" inches wide every 2x2 section so as to allow the wind to pass without causing damage. Grommet holes need to be installed every 18" around the entire banners edge. Also a 1" nylon ribbon needs to be added to the top and bottom of banners with "D" rings on each end to allow for extra support. Banners should also be 1 or 2 sided – **NO 2 BANNERS PLACED BACK TO BACK.** Upon removal, **the sponsoring organization is required to retrieve the banner within seven (7) days of the removal date listed below.** Banners may be picked up at the City Maintenance-Warehouse Complex, 1000 Armour Road, Tifton, Georgia.*

Please note acceptance of this agreement by the signature of an individual with capacity to contract for the sponsoring organization and the City of Tifton.
