They were allocated $8,000, so it may be worth noting that they did not spend their full allocation.

Chairperson Julie Durham stated that at the last meeting it was brought up whether there are special requirements that are not listed in the guidelines for websites, and City Manager Juan
Fuentes had told the Board he would follow up with Linda. Chairperson Julie Durham turned to Karen Rieth and asked if any changes had been made to the guidelines regarding additional payment requirements by the City for websites. Karen Rieth replied that she was not aware of changes and understood that was the purpose of it appearing on the agenda today for recommendations. Chairperson Julie Durham inquired of Karen Rieth what the proper procedure for following up would be. Karen Rieth suggested contacting the City Manager's Office. Chairperson Julie Durham agreed to contact the City Manager's Office.

Chairperson Julie Durham asked if these guidelines are the most recent version. Karen Rieth explained that these are the 2015 Guidelines that were presented at previous meetings. Chairperson Julie Durham asked when these guidelines were presented. Karen Rieth stated that the guidelines were introduced prior to doing the allocations, and would check the minutes for exact dates.

Board Members discussed the requirement for bidding websites in order to allow local businesses the chance to provide services. Chairperson Julie Durham stated she felt it was a bit out there, and should not be necessary for private organizations. Chairperson Julie Durham stated that specific requirements should be in the 2015 Guidelines and will follow up with Linda in the next month.

Chairperson Julie Durham asked if there were any other comments regarding the Quarterly Reports.

Member Janice Gray stated that she is glad to see that Mainstreet has brought their quarterly reports up to date, and pointed out that it looks like although several of the groups report 100% complete, none of them spent all of the funds they were allotted.

Member Sazi Marri commented that most of the reports are really vague, only indicating "website work" or "printed materials". Mainstreet was specific on their 3rd quarter.

Member Hans Townsend stated that it would be nice to get the excel spreadsheet as well as an actual copy of invoices.

Member Janice Gray disagreed, stating that as an advisory Board, we are not required to approve those, so we don't need to see them.
Board Members discussed changes they would like to see in the Guidelines, agreed to make notes on needed changes and requested it appear for further discussion at the next meeting.

Chairperson Julie Durham stated she would like to change the order of items 6 & 7 on the agenda. Karen Rieth, Staff reminded the chairperson that the agenda had already been approved.

Chairperson Julie Durham deviated from procedure, announcing that she would hear comments from the Board prior to item 6 on the agenda, and recognized Joey Perry, Member of the public, who raised her hand and was allowed to speak about her experience working as a volunteer for the Visitor Center.

Board Members commented on the vision of the Board, issues with gaps in the current guidelines and forms being used, their personal experience with applying for funds, and submitting for reimbursement.

Chairperson Julie Durham asked Member Cydney Wilkes to speak about guest experience training.

Member Cydney Wilkes explained the Guest Experience Training Beta Module that was presented at the Governor’s Conference in Ruidoso, and discussed at previous meetings.

Members of the Board discussed issues that were noted at the previous meeting with the outdated sign located at Ashbaugh & Date, and requested that the issue reappear for further discussion at the next meeting.

Member Sazi Marri will find out the cost of signs before the next meeting.
