On May 19, 2017 CAAT sponsored a low-cost spay neuter clinic at the Williamsburg Fire Station. Services were provided by ASAVET Charities out of Tucson Arizona. Dr. Karter Neal and her crew provided spay/neuter services for 54 animals. Nineteen cats and 35 dogs were done. 54 vaccinations were administered. All the dogs and some of the cats were sent home with pain medicine and E-collars. Total bill (see attached invoice) was $2,715.00. In addition we provided housing for the staff for two nights at La Paloma Hot Springs and lunch the day of clinic. CAAT paid for pain meds for all the dogs. CAAT volunteers provided coverage for the clinics including crates, set-up and tear-down as well as cleaning before and after the clinic. T or C Fire Dept. worked with us to pull a truck to allow a space for recovery for the dogs. Williamsburg allowed us to use the meeting room.

We met the goal of providing a minimum of 150 to 200 spay neuter surgeries during the past year.

Rev. 5/2014
Matthew 25 continues to be busy serving over 500 households per month. Using the grant money from the City of T or C, we have subsidized our rent of $600 per month and purchased more food from RoadRunner Food Bank in Albuquerque, as well as locally from Bullock's Grocery. Our volunteers help keep our storage and rotation of food products optimal, and most of the food that comes in to our Pantry, goes right back out the door again during any given month.

This quarter we were the recipient of several food drives, including a large drive sponsored by the employees at the local US Post Office. This drive garnered over 2000 lbs. of food, which was shared equally between Matthew 25 and St. John's Episcopal Church for their monthly community supper. We also received 500 pounds of dog food through a drive sponsored by CAAT (Community Action Animal Team). This food is being given to people too poor to be able to purchase food for their animals. We are so grateful to these organizations who think about food insecurity for both people AND their animals!

Our volunteers continue to support the Pantry and help streamline our food distribution system. Recently a volunteer couple have taken on the TEFAP shut-in delivery of over 130 baskets of food once a month, freeing our other volunteers to pack food for walk-ins on TEFAP day and allowing them to unload the Roadrunner truck that comes in that morning. Thus we are no longer forced to postpone food distribution that day to 11 am, and customers can pick up their food at the usual 9 am start time. We are so grateful to our thoughtful, hardworking community volunteers!

Our Participant Numbers and Profit and Loss Sheets are attached to this report, as is our Invoice for this quarter. We thank the City for its on-going support and its participation in helping us feed the hungry citizens of our town.

Program Information

- The SJOA stayed on budget and completed its contractual obligations for the 3rd consecutive year.
- All programs absorbed a 5% reduction in funding in 2017 without reducing services to our seniors.
- Three of our Federal Grant funded programs could be eliminated by the current Administration in Washington - Foster Grandparent, Senior Companion and Senior Employment. This would be a loss of approximately $135,000 and 13 employees.

The Geronimo Springs Museum uses the allotment provided to partially pay for necessary operational expenses. This greatly assists us in being open seven days a week to locals and tourists alike. We have Open House for events, such as Fiesta and Hot Springs Festival, both held in May. We have activities that complement the themes of these community celebrations.

We are constantly striving to keep our costs at a minimum. The addition of motion-sensored and low energy lighting, and a more conservation-oriented heating and cooling has been a huge help.

ORGANIZATION: Geronimo Trail Scenic Byway

ALLOCATION: $3,500.00 QTR DRAW: $375.00 QUARTER: 3rd

(Please detail the progress made in providing the services each quarter.)

During the months of April, May and half of June, 2017, we greeted 1,636 guests. By the end of May we had half the number of visitors we had in all of 2016. We mailed 18 packet of information to potential visitors and relocatees. We shipped 9 box of assorted brochures to the various other visitors center. We answered 80 telephone requests for information and responded to 340 emails to date. We kept the Spaceport Visitors Center open for the benefit of travelers.

Total expenses for the period:

- Telephone $328.02
- Insurance $202.02
- Postage $ 96.36
- Supplies $ 450.00

Total expenses for the period: $ 1,076.40

Some expenses were paid by the director.

We are open 7 days per week with all volunteer staff. We greeted an average of 18 people per day, providing them with information on the local area including places to eat, shop, and visit while here. Sierra County Tourism Board provides donations for one of our volunteers to deliver brochures to local motels and restaurants on a monthly basis for the benefit of travelers staying at those facilities. We stay open on art hop night for the benefit of the public.

We assist visitors with finding hotel rooms, especially on weekends.

Our volunteer time and services provide the City of Truth or Consequences with marketing efforts in excess of $42,000 per year. These services are provided to visitors who come to our community and spend money, increasing both lodgers tax and gross receipts. The information we mail out and provide for conferences and conventions further encourages people to visit or to plan a longer stay at some future time.

ORGANIZATION: MainStreet Truth or Consequences

ALLOCATION: $35,000.00   QTR DRAW: $8,750.00   QUARTER: 3rd
(FY Allotment, Not Qtr. Draw)

(Please detail the progress made in providing the services each quarter.)

MainStreet Truth or Consequences started off the year with the Annual Meeting/Membership Party. It was very successful as we got over 50% more members than we had last year. Attendees were supportive of our efforts to help revitalize downtown.

We are working hard to plan Hot Springs Festival which will take place May 12-14th. We have lined up some great speakers and workshops for the event. Advertising has gone out to various publications throughout the state and El Paso and we are listing it on event calendars.

MainStreet is also working with the Rotary Club to plan and execute the Miss Fiesta pageant.

We have hosted the Second Saturday Art Hop for each month. Business owners reported that the March event brought many visitors through their doors.

Additionally, we have two separate groups working with business owners on Façade Improvement Projects. At the brewery, we hosted a design brainstorming group which developed many ideas for the façade of the Truth or Consequences Brewing Company. The other groups is working with Angel Remnants on a straight forward façade improvement project which would basically patch and paint that storefront.

Collaborating with the Jornada RC&D, we are working on two different grant proposals. One would be to utilize the MainStreet office as an workspace for current and prospective business owners. The second grant would be for a Customer Service Training Course. This would be a two day training that would incorporate basics of customer service, role playing, as well as a tour of the assets of T or C.

We met with New Mexico Clean and Beautiful personnel when they came to town. We learned more about that grant and will be submitting an application for funds to create the Art Park.

MainStreet has also been collaborating with PALS for the Dog Park. In March, we did a clean-up at that site to prepare it for construction. This was also incorporating the Swim Team and New Mexico Clean and Beautiful Grant from this year.

DATED: 04/03/17
Spring is always a busy time for MainStreet Truth or Consequences, with the biggest portion of time going into the planning and execution of the Hot Springs Festival. This year, we collaborated with the Film Fiesta to create even more of a draw to Truth or Consequences on what used to be a dead weekend in town. This year saw nearly every room in the downtown booked. Business owners reported that they were very busy and appreciated the traffic that the event brought.

We also collaborated with the Rotary Club on the Miss Fiesta Pageant. MainStreet provided assistance with promotion of the event, as well as volunteers during and prior to for setting up. The initial façade improvement project for the Truth or Consequences Brewing Company building was completed. MainStreet facilitated a group of people assembled to brainstorm ideas for the façade and was completed when other volunteers scraped, painted, and helped clean. There may be other phases of this after the business is up and running. The other façade improvement project is still in the works. Other building owners have picked up applications for this seeing what has been done.

In the area of training, the Executive Director attended the National Conference in Pittsburgh, coming back with many ideas and a lot of inspiration. Those that would be of most value were about how to work with the city on preventing demolition by neglect and working with the city to gather feedback from new businesses and building owners on how the process went in order to create processes that encourage new businesses to open shop here because there are not unnecessary barriers.

The Board of Directors has been participating in webinars to help create a stronger organization. Recent topics have included recruitment, fundraising, and measuring effectiveness. These are run by New Mexico MainStreet.

We collaborated with the City to help with submitting a grant to New Mexico Clean and Beautiful to support the Art Park. From last year’s grant, we held three clean-ups in downtown. Also submitted was an ArtPlace America grant to address water harvesting. Keep your ears open for information on our progress with this one!

June 15, 2017

Dear Honorable City Commissioners,

On behalf of MainStreet Truth or Consequences, I am writing this letter to request that you overturn a decision that was made to deny a reimbursement for Lodgers’ Tax. As it is the end of the fiscal year, I cannot go to the Lodgers’ Tax Board first.

For the first time, MainStreet decided to utilize $200 of our Lodgers’ Tax budget to purchase water bottles as promotional items for the Hot Springs Festival. As we had not done this before, I referred to the Lodgers’ Tax Funding Guidelines. On page 8, which I have attached, it reads, “Print media, television ads, billboards, radio ads, and online ads of the Contractor which are paid for from Lodgers’ Tax monies shall include the following:

- Paid in part by “Truth or Consequences Lodgers’ Tax.”
- Include the City of Truth or Consequences Logo.

In my experience, water bottles would not be categorized as print media or any of the other categories. They are promotional items. Additionally, as we had planned to sell some water bottles and give some out, I made two separate orders to ensure that there would not be a problem.

On June 5th, I received an email from Linda Sparks saying that she was denying the request because it did not have the logo and paid for requirements. I wrote back to her citing page 8 of the Lodgers’ Tax Guidelines. A few days later I was at her office and we discussed this. During this conversation, she told me that other groups, like Kori Mannon’s triathlon group, had put the logo on their t-shirts and that it was “implied” that it was to be done. I responded that implications are not requirements, but she disagreed.

In a subsequent letter, she wrote “As for RR #12 for the water bottles, the accepted practice for promotional items has always been that they are subject to the same requirements as for any other advertising media. You mentioned that the guidelines do not call for the logo or credit on promotional items. On the other hand, they do not exclude them either. Unless specific provisions
and/or exclusions are made for certain items, the implication is that they are subject to the principal requirements.” Again, implications are not requirements.

Over the past three years, there have been problems with the Lodgers’ Tax Guidelines. Each year, I attend the mandatory Lodgers’ Tax meeting where we go over the guidelines. I have pointed out changes that need to be made in that forum each year, but the Guidelines have not changed. I have recently submitted a list of these changes to Sazi Marri, who is on the Lodgers’ Tax Board and to Mayor Green. My suggestions reflect not what is just good for the recipients, but the City as well.

As for requiring the logo and paid for line to be on all promotional items, I would not change this rule. The first reason being that you could not fit those on promotional items like pens, bottle openers, mini-flashlights, or key chains. Secondly, the more printing you put on those items, the more they cost. The goal of promotional items is to spread the word far and wide. It does not cost any more to put the logo and paid for line on print media, television ads, billboards, radio ads, or online ads. That is probably why it was set up that way in the first place.

I appreciate being able to use Lodgers’ Tax to promote events and had no intention of trying to pull one over on anyone by not putting the logo and paid for line on the water bottles. Therefore, I believe that my request to approve this reimbursement is fair and reasonable.

Thank you for your time and consideration.

Appreciatively,
