

Residential Demolition Program

Residential Redevelopment grants assist communities in demolishing dilapidated residential structures including single-unit residential homes, residential duplex homes of no more than two units, garages, sheds and barns.

This is a partner program between the City of Two of Harbors and IRRRB. It's a great way pave the way for a cleaner, healthier environment, more attractive communities and new construction.

Homeowners interested in applying, please contact Jenn Sterbenz, Community Development Planner by Thursday, August 21st, 2020. jsterbenz@twoharborsmn.gov
