**Board Comment:** Rizk stated in looking into Mrs. Tinley’s complaint on the fence that was removed at Pine Run Cemetery, a replacement would be well over 300 ft. long and at the present it is not in the budget to replace.  
Cain stated all Board members were given a synopsis of proposed lighting project for the Vienna Township Hall. He felt that while there was some initial investment, the return is estimated at 1.3 years and would be worth it. Cain urged board members to visit the Fire Department in the evening to look at their lights and stated anyone wanting to view the full report could do so in the office. Lemieux questioned whether circuits could be divided to turn a portion of the lights off at night. Cain stated it was likely an option, as well as running some at lower percentages.

Moved to adjourn at 5:39PM
