

Sales Tax

Purchase Price >\$1.00 up to \$1600.00

- State Tax 7% of total amount of vehicle
- Local Tax 2.75% of total amount of vehicle
- The two amounts added will be total tax

Purchase Price >\$1601.00 up to \$3200.00

- State Tax 7% of total amount of vehicle cost
- State Single Article Tax >2.75% of amount of price of vehicle subtracted by \$1600.00 the amount will be multiplied by 2.75%

EXAMPLE:

\$2000.00 price of vehicle
-\$1600.00
\$400.00 X 2.75% = \$11.00
Local Tax is \$44.00

You take these totals added together will be the total amount of tax collected.

Purchase Price >\$3201.00 and up

- State Tax 7% of total amount of sales price of vehicle
- State Single Article Tax \$44.00
- Local Tax \$44.00
- The three added will be the amount of sales tax.
