

Country Parkway Elementary Physical Education Intramurals

TO PARENTS AND GUARDIANS:

Intramurals is an elective school program for 4th graders. The activities that take place during intramurals range from Four Square to Gymnastics and include daily Fitness activities. This program will include conditioning, skill work, and equal playing time for all.

The morning meeting time is 8:15 to 8:55am. The school cannot provide transportation before school. Thus, you must make arrangements to bring your child to school before the school day begins. PLEASE BRING YOUR CHILD TO SCHOOL NO EARLIER THAN 8:15A.M., BECAUSE SUPERVISION CANNOT BE PROVIDED BEFORE THAT TIME.

Students must have sneakers and proper exercise clothing to participate.

There will be co-educational intramural activities offered throughout the year. We will also offer "boys only" or "girls only" intramurals depending upon the unit of instruction.

Please fill in and sign the permission slip below.

(Return bottom part to Mrs. Lacki or Mr. Mescall at school.)
