

Williamsville After-School Program F2017

What is Fashion?

learn. invent. have fun.
That's Fashion.

FASHION LAB NY
THE ART AND SCIENCE OF FASHION

labs. workshops. camps. Inspiring Kids & Teens.

FASHION LAB NY provides a unique experience in creative, skill-based After-School Programs. At **The Williamsville Community Education Program**, our young designers, ages 8+ will be inspired to explore Sewing and Fashion from every angle with hands-on projects.

Fashion and Sewing Lab 101

TU 9/26 – 10/17 (4X) 4:30p – 6:00P

This fun and information packed **Fashion and Sewing Lab** will cover all aspects of the sewing machine and allow your child to create several fashionable projects. They will be introduced to patterns, cutting and fabric types, and will be able to customize their projects. Perfect for beginner and returning students. Sewing machines provided by Fashion Lab NY. A materials fee of \$10 is due at registration which covers all fabric and notions. Each child also receives a Sewing Kit. #250139 **\$76**

About Fashion Lab NY

Fashion Lab NY provides the ultimate in creative, skill-based programs teaching kids the fashion fundamentals of design and sewing. Arlene Kaye, a Fashion Industry expert and owner of the Fashion Lab NY, is passionate about inspiring and empowering your child to discover the designer in them! learn. invent. have fun.
