

Make Your Own Mini Robots, Zoo Animals and Monsters! Ages 7-13

Working with non-toxic polymer clay, students will make their own miniature animals or robots. Students will make creatures using simple tools and colorful clay to take home. Learn techniques for making small pieces that will be baked in an oven during the final 20 minutes. Parents are welcome to stay and learn how they can do this at home.

Location: Mill Middle School, 505 Mill Street
Thursday, October 26, 2017, 6:00 – 7:30 PM
Instructor: Sara Goldhawk
Cost: \$20 plus a \$6 materials fee * Course # 250081
