## **Dream Scholarship**

In Honor of Sebastian Bradley

### **SEBASTIAN'S LEGACY:**

Sebastian Bradley was diagnosed with brain cancer at the age of 7. Through many surgeries, hospital stays, treatments, and tough days, he stayed strong. During this time he decided to collect and deliver Lego sets to kids who were in similar situations to him at the hospital. He brought together a whole community, and left his mark on the world as being selfless, even when facing difficult circumstances. This scholarship is in memory of him, and the legacy he left in his short time on this Earth.
