

## **Maple West School Song**

Maple West is a family.

Our colors are green and white.

Kids are caring, learning, sharing.

We are very bright.

The teachers give us good advice.

We respect each other's rights.

We learn and play everyday.

We read, spell and write.

### **Refrain:**

We're learning everyday, with friendship all around.

We're doing our best at Maple West.

We are future bound!

Maple West in Williamsville,

It's the place kids want to go.

So....Come on, come on and join the fun.

Maple West is number one!
