Shared Decision Making Team—Goals

2017-2018

## 2017-2018 South HS Goals

*The mission of the Williamsville South SDM Team is to work toward providing a safe and supportive learning environment, which fosters an increase in student achievement, mutual respect, responsibility, critical thinking and healthy lifestyles. ALL students will be offered the opportunity to become decision-makers, life-long learners and dependable, productive citizens.*

First, we will increase overall participation in our co-curricular program to 86% from 85% last year. This is setting the bar 1% higher than last year and 6% higher than it was three years ago (we set the 2014-2015 goal at 80%).

Second, we have made it one of our goals this year to begin work on a "Creativity Day" that will be implemented during the 2018-2019 school year. Creativity Day will be a full day event in which students attend various workshops designed to meet some their natural interests, as well as focus on social emotional learning and character development.

Along with the above goals we will continue to incorporate SMART Goals from each Data Team into our plan. Each Data Team has selected an area of focus and will meet regularly to improve student learning.
