Park Bench Policy

The City of Woodhaven is committed to providing park amenities for the enjoyment and needs of our residents and visitors who spend time in the beautiful parks throughout the city. The Parks and Recreation Department has developed a Park Bench Program to provide an opportunity to honor those who have made an impact, remember a loved one, or acknowledge a business or community group.

- Benches will be positioned to maximize the benefit to an area. The City will attempt to accommodate the wishes of the donor at all times.
- All donated benches are added to a special data base with status, location, type of bench, donor, and the amount donated.
- For additional information, please contact the Woodhaven Parks and Recreation Department @ 734-675-4926.

Thank you for your consideration.
