

TOTAL SOLAR ECLIPSE

APRIL 8, 2024

Funeral Homes

Total Solar Eclipse Basics

- On Monday April 8th, 2024 around 3pm people within Butler County will experience a total solar eclipse for 2.5-3 minutes
- The last total solar eclipse visible in Ohio was in 1806
- Large crowds are expected to show up for this once-in-a-lifetime event which may impact traffic, cell phone service, and even wi-fi

Things to Consider for Funeral Homes

- Review the safety information found here: science.nasa.gov/eclipses/future-eclipses/eclipse-2024/safety
- Educate staff on the importance of eye safety for themselves as well as anyone attending outdoor funeral services
- Consider blocking out funerals on April 8th, especially in the afternoon
- If you have scheduled funerals on April 8th be prepared for traffic delays during the funeral procession and consider sending information to clients about the eclipse to help them plan for traffic delays
- Expect traffic to also cause the following issues:
 - Delays in employee arrival
 - Delays in funeral attendee arrivals

Quick Facts

Monday April 8th, 2024

Partial begins: ~2PM
Totality begins: ~3PM
Partial ends: ~430PM

Look for ISO-12312-2 compliant lenses
