PERMIT FEE \$ 50.00

Re-inspection Fees: \$50.00 each Occurrence

Work Commencing Without a Permit: Where any work for which a permit is required is started without such a permit having been issued, the applicable fees shall be doubled. (This includes permits for Building, Electrical, Plumbing, Mechanical, Gas Etc.) The payment of such a double fee shall not relieve any persons from fully complying with the requirements if all applicable codes and City Ordinances including on work already performed, concealed or otherwise not inspected, nor shall it relieve them from any other penalties as may be prescribed by law.

Expiration of Permits: All demolition permits expire 60 day after issuance. The Building Official may issue a 60 day extension of the permit, (for due cause), if requested in writing by the permit holder prior to the permit expiring.
