Emergency Management Director Duffey noted the app will also provide pertinent information to the public relating to emergency management. Costs were reviewed with the Board requesting Sheriff Wagner prepare a plan for cost allocation for Board consideration.

The tactical response vehicle was discussed with the Board noting concerns with the maintenance and sustainability of the vehicle. Additional discussion included ownership; storage; and, having a Memorandum of Understanding in place for use of the vehicle prior to assisting other counties. Sheriff Wagner noted he will reach out to shops that may be willing to repair the vehicle, if necessary.
