

ADAMS COUNTY NOTICE TO CONSULTANTS FOR

Sackman Bridge #411-3 Reconstruction

Adams County Department of Public Works solicits interest from consulting firms with expertise in Civil and Structural Bridge Design. Consultants will be considered for one (1) bridge design. The duration of the consultant agreement will be from approximately March 18, 2024, through July 31, 2025, with the option for Adams County to extend the agreement for additional time and money if necessary. This bridge project is scheduled for construction in late fall of 2024 and completion in early winter of 2025.

PROJECT DESCRIPTION

The work to be performed by the CONSULTANT consists of preliminary engineering, design and P.S. & E. for the bridge and roadway improvements of the Sackman Bridge #411-3. The proposed improvements include the design of one (1) bridge and approach guardrail. Construction engineering would consist of reviewing construction submittals and technical assistance during the construction phase. This project is federally funded and will be held to Federal EEO requirements also there is a required **13 Percent DBE goal** for the selected consultant. Adams County will provide site control data. Adams County also has completed an initial site topo.

The major features of this project are as follows:

- Structural design of one (1) bridge with a span of approximately 135 feet
- Geotechnical foundation design
- Roadway approach guardrail design
- Plan sheets
- Specifications
- Estimate
- Load Rating
- Scour Evaluation

PROJECT LOCATION

The bridge is located on Sackman Road near Fox Road, approximately 0.05 miles east of Fox road in Section 30, Township 18, Range 31 E. W. M.

SUBMITTAL

Submittals should include the following information: Firm name, address, phone and fax numbers; Name of Principal-in-Charge and Project Manager; actual Designers and Number or employees in each firm proposed to project.

Submittals will be evaluated and ranked based on the following criteria:

1) Key personnel; 2) Firm experience with WSDOT/FHWA standards (PS&E); 3) Firm and actual designers experience in bridge design; 5) Familiarity with relevant codes and standards; 6) Past performance/references; 7) Familiarity with Adams County; 8) Ability to meet the DBE Goal.

Adams County encourages Disadvantaged, Minority, and Women-owned consultant firms to respond.

Please submit **THREE** copies of your Statement of Qualifications and Standard Form 330 to Scott Kessler, Engineering Supervisor, Adams County Public Works, 210 W Alder, Ritzville, WA 99169 by February 28, 2024, no later than 2:00 pm. No submittals will be accepted after that date and time. Any questions should be directed to Scott Kessler at (509) 659-3281.

Americans with Disabilities Act (ADA) Information

Adams County in accordance with Section 504 of the Rehabilitation Act (Section 504) and the Americans with Disabilities Act (ADA), commits to nondiscrimination on the basis of disability, in all of its programs and activities. This material can be made available in an alternate format by emailing Scott Kessler at scottk@co.adams.wa.us or by calling (509) 659-3281.

Title VI Statement

"Adams County, in accordance with Title VI of the Civil Rights Act of 1964, (78 Stat. 252, 42 U.S.C. 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."

Following evaluation of submittals, the County may conduct an interview with the most qualified firms to determine final selection. The county assumes no obligation of any kind for expenses incurred by any respondent to this solicitation.
