I (We) certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true, correct and complete to the best of my (our) knowledge. I (We) further certify (or declare) that all Easements, Deed Restrictions, other encumbrances, and/or issues restricting or affecting the use or condition of the property have been accurately disclosed to the best of my (our) knowledge and are shown on the site plan submitted with this application. I (We) understand that encroachment and/or building into easements, deed restrictions or other encumbrances are my (our) responsibility and not Adams County's. I (We) further affirm that by my (our) signature below that I (we) have obtained legal permission to build within or encumber all easements on this property. Owner hereby releases, discharges, indemnifies and holds harmless the County from and against any and all claims, demands, causes of action, suits or judgments (including costs and expenses incurred in connection therewith) by both the easement holder or encumbered person(s) arising out of or in connection with the County's issuance of a building permit. I (We) certify (or declare) that I (We) am the owner of the property or have been given authorization from the property owner to obtain this permit. I (We) further agree to comply with the International Building, Residential, Fire, Mechanical, Plumbing, and all applicable Adams County/City Codes. Applicant/Owner(s) assumes all risk and liability for any claims and liabilities.

Owner/Applicant Signature: _____ Date: _____

VICINITY MAP

Provide written driving directions and a map to assist the Building Inspector in locating your project.

Vicinity map must show:

- (1) Location of property
- (2) Directional arrow indicating North
- (3) Any adjacent property addresses
- (4) Any landmarks adjacent to subject property
- (5) Nearest intersecting roadways; if applicable, include one major highway

NOTE: INSPECTIONS WILL NOT BE PERFORMED WITHOUT YOUR ADDRESS POSTED AT THE ROADWAY.

Driving directions:

ATTACH A LOCATION MAP or SKETCH BELOW

SITE PLAN CHECKLIST

- Two copies of site plan are required. Must be drawn to standard engineering/architect's scale, not to exceed 1" =100'. Indicate the scale used. Must include North arrow, and be drawn on grid paper or engineering plan format. For large parcels, applicant may submit a two-page site plan, the first page depicting the entire lot at a convenient scale and the second page depicting an enlargement of the developed area at a larger scale.
- Label all property lines/boundaries, dimensions, and area of lot/parcel (square feet or acreage).
- Label the location, size, and use of all existing building(s). Identify the distance between property lines and buildings. Label structures with previous building permit number(s) issued if applicable.
- Label the location, size, and use of all proposed structure(s) (temporary or permanent) to include dimensions of all decks, porches, cantilevers, bay windows, roof overhangs, retaining walls, patios, chimneys, landings and stairs.
- Identify the location, dimensions and volume of all existing and proposed propane tanks, fuel tanks, etc., both above ground and underground, as well as setback from property lines.
- Identify land features such as top and bottom of slopes, direction of slope and any areas of erosion.
- Identify and label all water features to include, ponds, springs, ravines, streams, creeks, lakes, rivers, irrigation laterals, canals, ditches, wetlands, bogs, areas of saturated ground, flood plain, floodway. Identify the closest distance between the ordinary high-water mark and proposed/existing structures.
- Label the name and width of roads bordering the property and indicate whether they are public or private.
- Locate the width of existing and proposed driveways/accesses serving each structure. Include stormwater control facilities such as drains, detention ponds, connection lines, catch basins, etc.
- Label all existing and proposed parking spaces/areas. Parking in residential districts is typically not allowed in the front yard setback area. All parking shall have durable and dustless surfaces suited to all weather use, unless required otherwise. If applicable, show handicapped parking and accessible routes to the structure and within the site to other structures and features.
- Identify and label all easements and widths, deed restrictions, other encumbrances, and/or issues restricting or affecting the use or condition of the property, including but not limited to access, utilities, railroads, irrigation and overhead power. Include the Auditor's file number(s).
BEFORE ANY DEVELOPMENT OCCURS, PLEASE CALL 1-509-661-8400 TO LOCATE ANY PUD EASEMENTS!
- Show the location of all existing and proposed overhead and underground utilities including, but not limited to water, sewer, gas, and electrical.
- Identify location of water lines, well and sanitary control radius. Note: A sanitary control radius around an off-site well may impact your project if it overlaps onto your parcel.
- Identify location of all well(s), septic/pump tank, drain field, reserve area and tight line involving the proposed structure(s). Show the distance from proposed structure(s) to septic tank, drain field, drinking water well source(s), and any water body, wetland area and/or flood plain to ensure they meet the required horizontal setbacks from each other and property lines. If applicable, the approved Health District and County site plan must be identical.
- If drinking water wells, septic tank/drain field is off site, please show the location of these systems on the adjacent property or properties and provide a copy of the easement agreement(s).
- If applicable, identify existing and proposed landscaping, screening and/or fencing. (Show type of landscaping, size, spacing, and provisions for irrigation).
- If applicable, include outdoor lighting and signage. Label each as existing or proposed.

I (We) certify under penalty of perjury and under the laws of the State of Washington the foregoing is true, correct and complete to the best of my (our) knowledge. I (We) further certify that all Easements, Deed Restrictions, other encumbrances, and/or issues restricting or affecting the use or condition of the property have been disclosed to the best of my (our) knowledge and are shown on the site plan submitted with this application. I (we) further affirm that by my (our) signature below that I (we) have obtained legal permission to build within or encumber all easements on this property. Applicant/Owner(s) assumes all risk and liability for any claims and liabilities.
