Your Guide for Solid Waste Services

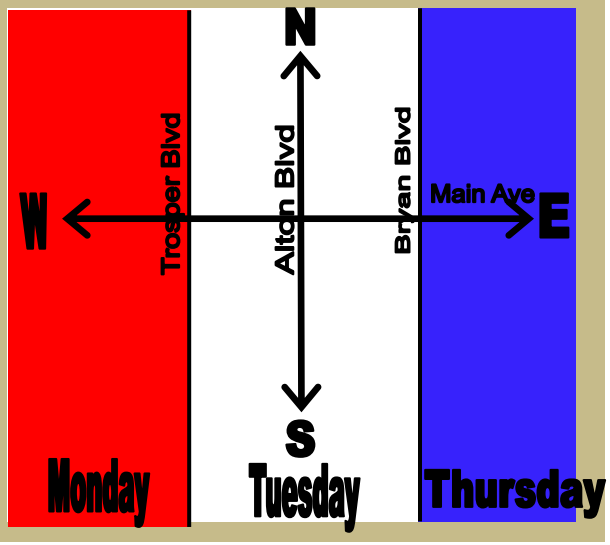

COLLECTION RULES

- Trash container must be by curbside by **7:00 a.m.** on your collection day (see diagram). Leave trash container out until trash has been picked up.
- All trash must be bagged and inside the trash container. Bagging your trash prevents littering and keeps container clean. **NO** trash will be collected outside of the container.
- Container must have a **minimum of 3 feet** clearance on both sides in order to allow garbage truck arm access for pick-up. Additionally, the bin should be facing front so that the mouth of the bin faces the street.
- **DO NOT** place rock, concrete, construction or demolition debris, hazardous/ flammable material such as gasoline,oil, liquid paint, lead batteries, engine parts or tires in container.
- Commercial & multi-family dwelling collection schedule will be assigned on a case by case basis.

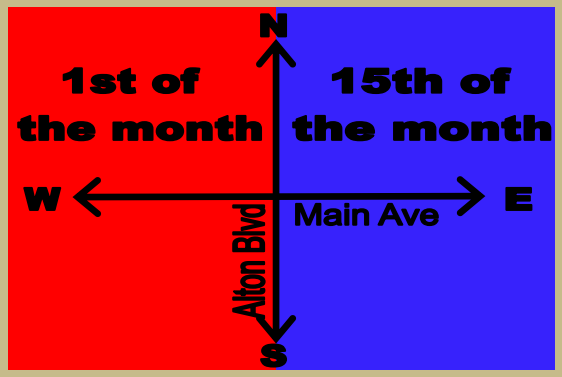

SAFETY AND CARE OF CONTAINER:

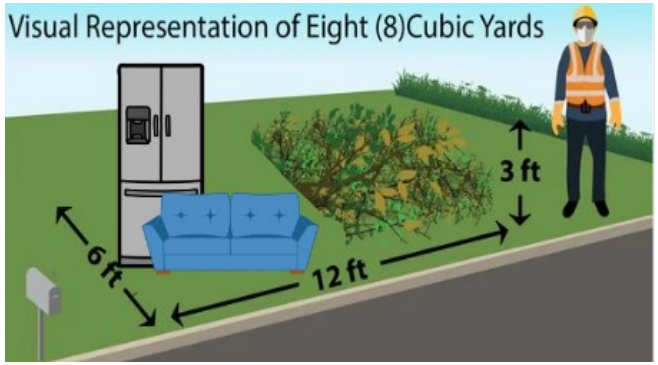

- Rinse container with water & allow drying time in the sunlight.
- Lid must remain closed to keep rain and animals out.
- To enhance neighborhood appearance, avoid damage and keep container from being stolen, remove your container from curb as soon as trash is collected.
- For information regarding damaged bins or lids, please call office at 956-432-0792.
