

TRASH SERVICES FOR ANCHORAGE RESIDENTS

The City and Republic Services remind residents that trash, recycling, and yard waste should be placed curbside no sooner than the evening before the service and no later than 5:00 a.m. on the day of service. Receptacles should be removed from the street the evening of the pickup. With all these services provided our residents, it is important to know how homeowners can contribute to the best possible service:

TRASH

- Trash is picked up once a week by street per the attached schedule.
- Hauler will collect from the back door of the home as long as it is no more than 20 feet from the end of the drive. Back door collection does not include entering a garage or home to collect waste. Residents may pull trash to the curb if they do not want trucks on their drive. It will be necessary to take cans to the curb if there are low hanging wires across the drive or if the drive is blocked by other vehicles, or if the drive is covered by snow or ice.
- Trash service is for normal household trash and does not include construction materials.
- Each household may set out eight trash bags not to exceed 35 pounds per bag, or the 2 free 96 gallon carts provided by the carrier.
- Republic Services cannot dispose of hazardous materials like oil-based paint. To dispose of hazardous materials, call a recycling center. The trash haulers can pick up latex or water-based paint containers that have been dried out or filled with kitty litter or sawdust to absorb the paint. Be sure to remove lids and enclose in a plastic bag for disposal.

YARD WASTE

- Picked up curbside (as close to the road as practical) once a week on Thursdays.
- Each household is allowed 20 yard waste paper bags/boxes/cans not to exceed 35 pounds. Tree limbs and sticks must be bundled in 3-foot lengths; limbs no larger than 2 inches in diameter. The haulers will not pick up dirt, stumps, mulch, trees, fencing, etc.
- Make sure bags are not plastic and are of sufficient strength to contain without breakage.

RECYCLING

- Picked up curbside once a week on Thursdays. Recycling collection **only** is on a sign-up basis at no extra cost to the resident. Stop by City Hall to sign-up or send an email requesting recycling service to recycling.signup@cityofanchorage.org.
- Boxes should be broken down flat and placed **inside** the cart.
- Republic Services takes all plastics with the numbers 1 through 7 on the bottom. Rinse out plastic containers. Other acceptable items include: aluminum beverage containers, tin food cans, glass bottles and jars, newspaper, slick advertisements, broken down cardboard, phone books, and magazines. **Items not acceptable:** plastic (grocery) bags, Styrofoam, oil-based paint, motor oil, plastic cutlery, ceramics, mirrors, plastic TV trays, window glass, light bulbs, pump sprayers from plastic bottles, diapers, food, yard waste, any liquids, coat hangers, paint cans, and medical waste/sharps containers.
- Recycling carts can ordered from Republic Services at Anchorage@RepublicServices.com. The recycling carts have yellow lids. Do not use them for yard waste or trash.

SPECIAL PICK-UPS

- For large items (furniture, carpets, appliances, etc.) contact Republic Services at Anchorage@RepublicServices.com.
- All refrigerators, freezers, and AC units must have the Freon captured and the item tagged by a licensed HVAC tech before pick-up.
