**Request to Address the Council:** If you would like to address the City Council on a scheduled Public Hearing item, a Citizen Request, or a Regular Council Business item, please complete a "Request to Address the Council" form located on the table at the entrance to the City Council Chamber. Please identify on the form your name and the item on which you would like to speak and return to the City Secretary before the meeting. The submitted form assists the Mayor in ensuring that all persons wishing to address the City Council are recognized. It also ensures the accurate identification of meeting participants in the City Council minutes. Your name will be called at the time the matter is heard by the City Council. City policy is to limit public testimony to up to three minutes per speaker unless the time limit is extended by the Mayor or a Council Member. A cumulative time limit of thirty (30) minutes is allotted for public comments. Speakers may not yield their time to other persons.
