Building Façade Improvement – Andrews Chamber of Commerce, 700 W Broadway

Nohemi Sanchez, Executive Director stated they have had a storage building addition built in the back of the chamber and would like the front S & E side walls to match the new addition. They are wanting to stucco over the old brick and paint to match the addition. The new addition is for storing their equipment for events and to be used as a venue. Their estimate is \$25, 000 for all 4 sides of the building and we estimate she would get \$7000 from the Façade Improvement Program for the 2 S & E Sides. Rufus stated he thinks it's a good idea to have the front match the addition.
