AVERITT SALDIVAR WILLIAMS WYATT YARBROUGH, ALT FLORES, ALT RINKER		X				<p>Z.C. #321 – Pride Energy Services, Request for Zone Change from General Commercial to Specific Use Permit for Employee Housing, 703 NW Mustang.</p> <p>Steven Gallier – We are setting precedent for the future for temporary employee housing to help out local businesses who cannot find affordable housing for the employees and to due to DOT regulations changed the number of hours the drivers are driving so they need somewhere to rest. The city is in favor of request as long as they comply with the specific use permit.</p> <p>In both cases we have met with both applicants and have gone over the specific use permit and they have signed off on them. The permit is reviewed, approved and renewed every 3 years. If property ever sold the zone stays as general commercial and specific use permit is revoked. We are not changing the zone it stays general commercial but we are adding a specific use for employee housing only. The number of mobile home units allowed are based on square footage. No RV's are allowed.</p>
