AGREEMENT

This agreement, made and entered into this first day of January, 2022, by and between the County of Antrim and the Sheriff of Antrim County, hereinafter referred to as the "Employer" and the Police Officers Association of Michigan, hereinafter referred to as the "Union".

PREAMBLE

This Agreement entered into by the Board of Commissioners and the Sheriff for the County of Antrim, hereinafter referred to as the Employer, and Police Officers Association of Michigan, hereinafter referred to as the Union, has as its sole purpose, the promotion of harmonious relations between the Employer and the Union, the establishment of rates of pay, hours of work, and other conditions of that employment.

The Employer and the Union encourage to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

It is the general purpose of this Agreement to promote the mutual interests of the Employer and its employees and to provide for the operation of the services provided by the Employer under methods which will further, to the fullest extent possible, the safety of the employees, economy, and efficiency of operation, elimination of waste, realization of maximum quantity and quality of output, cleanliness, protection of property, and avoidance of interruptions of service. The parties to this Agreement will cooperate fully to secure the advancement and achievements of these purposes.

ARTICLE I RECOGNITION

Section 1.1 Collective Bargaining Unit

The Employer hereby agrees to recognize the Union as the exclusive bargaining representative, as defined in Act 336 of the Public Acts of 1947, as amended by Act 379 of the Public Acts of 1965, for all of the employees employed by the Employer in the following described unit:

All permanent, regular, full time employees in the Sheriff's Department of Antrim County classified and occupying the positions of full-time zero-tolerance, food server manager, clerk/typist, office manager, transcriptionist, recreation officer, and corrections officer, but excluding the Sheriff, Undersheriff, sergeants, corporals, lead dispatch supervisor, deputies, telecommunicator, part-time employees, seasonal and casual employees, and temporary employees.

Section 1.2 Part-Time Employees

The Employer reserves the right to utilize part-time employees. The Employer agrees, however, that utilization of part-time employees shall be as has been the established past practice.

Section 1.3 State or Federal Funded Employees

Those employees whose employment with the Employer is funded wholly or partially by temporary State or Federal funded programs may be terminated upon the cessation of such State or Federal funding without regard and without recourse to this Agreement. This section shall not apply to any employee, except as referenced above, who is a regular employee covered by the terms of this Agreement at the time the Employer accepts a State or Federal grant.

ARTICLE II UNION SECURITY

Section 2.1 Agency Shop

Membership in the Union is not compulsory. All employees have the right to join, not join, maintain or drop their membership as they see fit. The Union recognizes, however, that it will represent all employees included within the collective bargaining agreement as required by law.

Section 2.2 Checkoff

During the period of time covered by this Agreement, the Employer agrees to deduct from the pay of any employee, all dues and fees of the Police Officers Association of Michigan, provided, however, that the Union presents to the Employer, authorizations signed by such employees, allowing such deduction and payments to the POAM. This may be done through the Treasurer of the Union.

- a. Amount in fees and dues will be certified to the Employer by the Secretary-Treasurer of the Union.
- b. Monthly agency fees and/or dues will be deducted by the Employer and transmitted to the Union under the same circumstances as prescribed above for the deduction and transmission of Union dues and fees.
- c. The Union shall indemnify and save the Employer harmless from any and all claims, demands, suits or any other action arising out of these provisions or from complying with any request for termination under the provisions of this section.

ARTICLE III REPRESENTATION

Section 3.1 Officers of the Union

- a. The Employer recognizes the right of the Local Union membership to elect one (1) President and one (1) alternate from the Employer's seniority list. The authority of the President and alternate so elected by the Local Union shall be limited to, and shall not exceed, the following duties and activities:
 1. The investigation and presentation of grievances with his or her Employer or the designated Employer representative in accordance with the provisions of the collective bargaining agreement during working hours without the loss of pay.

2. The collection of dues when authorized by appropriate Local Union action.
3. The transmission of such messages and information which shall originate with and are authorized by the Local Union or its officers, provided such messages and information:
 - i. Have been reduced to writing; or,
 - ii. If not reduced to writing, are of routine nature and do not involve work stoppage, slowdowns, refusal to handle goods, or any other interference with the Employer's business.
- b. The President and alternate have no authority to take strike action or any other interfering with or interrupting the Employer's business. The Employer recognizes these limitations upon the authority of the President and his or her alternate and shall not hold the Union liable for any acts unless they are authorized by the Union. The Employer shall have the authority to discipline including discharge, a President who violates his or her authority in causing a strike, slow-down, work stoppage or other action of interference or actions which interrupt the Employer's business.

Section 3.2 Lost Time

The Employer agrees to compensate the President or designee for all reasonable time lost from his or her regular work while the President or designee is processing a grievance in accordance with the grievance procedure. The Union agrees that if the President or designee is on duty at a place other than the offices of the Sheriff's Department, the President shall complete his or her assigned task before he or she begins to process a grievance. The President must first report to his or her immediate supervisor before he or she begins to process a grievance and must report back to his or her immediate supervisor when he or she has completed his or her investigation.

ARTICLE IV RESERVATION OF RIGHTS

Section 4.1 Rights of the Employer

It is understood and hereby agreed that the Employer reserves and retains, solely and exclusively, all of its inherent and customary rights, powers, functions and authority of management to manage the Employer's operations. These rights vested in the Employer include, but are not limited to those provided by statute or law along with the right to direct, hire, promote, transfer, assign and retain employees in positions within the County consistent with the employee's ability to perform the assigned work. The Employer also retains the right to suspend, demote or discharge for just cause. It is also agreed that the Employer has the right to determine the method and means of work and the number of personnel by which the business of the Employer shall be conducted and to take whatever action is necessary to carry out his or her duties and obligations of the Employer to the taxpayers thereof.

The Employer shall also have the power to make rules and regulations relating to personnel policies, procedures and working conditions not inconsistent with the express terms of this Agreement. The right to assign court duties to employees within the department is at the sole discretion of the Employer.

ARTICLE V
GRIEVANCE AND ARBITRATION PROCEDURES

Section 5.1 Definition of Grievance

A grievance shall be a complaint by an employee or the Union concerning the application and interpretation of this Agreement.

Section 5.2 Grievance Procedure

All grievances shall be handled in the following manner:

Step 1: An employee with a complaint shall discuss the matter with the Undersheriff within seven (7) days from the date of the incident which gave rise to the grievance, unless extenuating circumstances exist requiring an extension of this portion of the timeline. If requested by the employee, he or she may have his or her Steward present, and/or be represented by his/her Steward in lieu of employee. All settlements are subject to the approval of the Sheriff before they become final.

Step 2: If the grievance is not satisfactorily resolved, it shall be reduced to writing, setting forth the facts, the specific provision or provisions of the Agreement alleged to have been violated and the relief requested, signed by the aggrieved employee and the President and, within five (5) days following the verbal discussion, presented to the Sheriff. The Sheriff, President or designee and the grievant, if requested by the President, shall discuss the grievance in an attempt to resolve the grievance. The Sheriff shall place his or her answer on the grievance form and return it to the President within five (5) days following the meeting.

Step 3a: In the event the grievance is not satisfactorily resolved at Step 2, it may be appealed by submitting a copy of the grievance to the Administration and County Services Committee (consisting of County Administrator, Board Chair, and HR representative) of the Board of Commissioners through the Human Resources office, within five (5) days following receipt of the Sheriff's written answer at Step 2. Within ten (10) work days after the grievance has been appealed, a meeting shall be held between representatives of the Administration and County Services Committee and the Union. Either party may have non-employee representation present, if desired. In the event the meeting cannot be held within the ten (10) work day period, it shall be scheduled for a date mutually convenient to the parties without unreasonable delay. The employer shall place their written answer on the grievance no later than seven (7) days following the meeting.

Step 3b: Prior to the request for arbitration of any unresolved grievance, either party may invoke a request for mediation of unresolved disputes. The party so requesting shall notify the other party in writing. Upon notification, the parties shall mutually agree upon a mediator selected from Gaylord or Traverse City mediation organizations. If a settlement is reached as a result of mediation, such settlement shall be committed to writing. Time limits for filing of arbitration shall be held in abeyance pending the mediation process. The parties shall equally share the cost of the mediation service.

Section 5.3 Time Limits

The time limits established in the grievance procedure shall be followed by the parties hereto. If the time limits procedure is not followed by the Union, the grievance shall be considered settled in accordance with the Employer's last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, but excluding arbitration unless requested by the Union. The time limits established in the grievance procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified.

Section 5.4 Time Computation

Saturday, Sunday and holidays recognized by this Agreement shall not be counted under the time procedures established in this Agreement.

Section 5.5 Grievance Form

The Union shall furnish a grievance form. This form shall be used in filing a grievance. One (1) copy of the form shall be the property of the employee filing the grievance.

Section 5.6 Election of Remedies

When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, civil rights hearing, or Department of Labor hearing, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for in this contract. If an employee elects to use the grievance procedure provided for in this contract and, subsequently, elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

Section 5.7 Arbitration Request

In the event a grievance has not been satisfactorily resolved in Step 3 of the Grievance Procedure, the Union may submit the grievance to arbitration by giving written notice to the Sheriff within thirty (30) days following receipt of the Employer's Step 3 answer. If arbitration is not sought within the thirty (30) day period specified in this section, the matter shall be considered settled on the basis of the Employer's last disposition.

Section 5.8 Selection of Arbitrator

A grievance, upon proper notification as provided in this Agreement, may be submitted to one (1) arbitrator chosen by mutual agreement of the parties. If mutual agreement cannot be obtained, the arbitrator will be selected from a panel obtained from the MERC. The compensation and expenses of the arbitrator shall be paid seventy-five percent (75%) by the losing party and twenty-five percent (25%) by the winning party. The employee involved, or if a group grievance, one (1) representative from the group may be

in attendance without loss of pay. Witnesses shall be compensated for lost time by the party calling the witness.

Section 5.9 Arbitrator's Powers

Arbitration, as established in this Agreement, is intended to resolve disputes between the parties only over the interpretation or application of matters which are specifically covered in this Agreement and which are not excluded from arbitration. The arbitrator shall be limited to the application and interpretation of this Agreement as written and shall have no power to add to, subtract from or modify this Agreement in any respect, nor shall he or she have authority to rule upon the exercises of the Employer's rights not specifically abrogated by specific provisions of this Agreement. No decisions in any one case shall require retroactivity wage adjustment in any other case. The Arbitrator's decision shall be final and binding upon the Union, the Employer, and employees in the bargaining unit. It is agreed that neither party shall have the right to arbitration of grievances involving oral warnings or counseling memorandums. The arbitrator shall not mitigate in whole or in part any discipline where it is alleged that a previous sheriff condoned violations of the work rules, regulations, duties, and responsibilities, provided however, the Union reserves the right to contest discipline which it contends has been imposed in a discriminatory manner. If the arbitrability issue is raised, the arbitrator shall decide the merits of the grievance only if arbitrability is affirmatively decided.

Section 5.10 Use of Discipline Record

In imposing discipline on a current charge, the Employer will not consider any prior disciplinary action which occurred more than twenty-four (24) months previously unless directly related to the current charge.

Section 5.11 Adjusted Wage Settlement

All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any unemployment compensation and compensation for personal services that they may have received from any source during the period in question except outside income which was normally being earned prior to imposition of the challenged discipline.

ARTICLE VI PROHIBITION

Section 6.1 No Strike – No Lockout

It is the intent of the parties to this Agreement that the grievance procedure herein shall serve as a means for the peaceable settlement of all disputes that may arise between them concerning the terms of this Agreement. Recognizing this fact, the Union agrees that during the life of this Agreement, neither the Union, its agents, nor its members will authorize, instigate, aid or engage in work stoppage, slow-down or strike against the Employer. The Employer agrees that during the same period there will be no lockout. Any individual employee or group of employees who violates or disregards the prohibition of this section may be summarily discharged by the Employer without liability on the part of the County Board of Commissioners or Sheriff or Union.

ARTICLE VII

SENIORITY

Section 7.1 Definition of Seniority

Seniority shall be defined as the length of the employee's full-time continuous service with the Sheriff's Department commencing from his or her last date of hire. Classification seniority shall mean the length of continuous service in a classification commencing from the date of the employee's entry into the classification. If two or more employees are hired in the same classification, on the same date, one of the employees will be selected randomly by the Sheriff or his/her designee, in the presence of both employees. The employee that is selected shall have higher seniority.

Section 7.2 Probationary Employees

All new full time bargaining unit employees shall be considered probationary employees for a period of two thousand eighty (2,080) regular hours, provided, however, that such probationary period shall not include any time when the employee is not on the payroll. The 2,080-hour probationary period starts when FTO training begins. Upon completion of the probationary period, an employee shall be placed on the seniority list and shall have seniority dating from his or her last date of hire. The Union shall represent probationary employees for the purposes of collective bargaining; however, probationary employees may be laid off or terminated by the Employer at any time without regard and recourse to this Agreement.

Section 7.3 Seniority List

The seniority list on the date of this Agreement shall show the names and classifications of all employees in the bargaining unit. The Employer will keep the seniority list up-to-date from time to time and will furnish to the Union an up-to-date list at least every six (6) months.

Section 7.4 Loss of Seniority

An employee's seniority with the Employer shall terminate for the following reasons:

- a. He or she quits or retires.
- b. He or she is discharged or terminated and the action is not reversed through the grievance procedure.
- c. He or she is absent for three (3) consecutively scheduled working days without properly notifying the Employer or supplying a justifiable reason for such absence. This section is not to be construed in limiting the sheriff's right to issue discipline for any unjustified absence.
- d. He or she fails to return to work upon recall or at the specified date at the termination of any leave of absence or vacation unless otherwise excused.
- e. He or she has been on layoff status for a period of two (2) years or the length of his or her seniority at the time the layoff commenced, whichever is less.

- f. He or she makes an intentional and material false statement on his or her employment application, on an application for a leave of absence, or any official police report.
- g. If the employee is on a disability leave for twelve (12) months, or a worker's compensation leave for thirty-six (36) months, or the length of their seniority whichever is less.

Section 7.5 Super Seniority

For purposes of layoff and recall only, the President shall head the seniority list, provided however, that such officer must have the necessary skill and experience to perform the required work. The Sheriff agrees that this section shall not be applied in an arbitrary manner.

Section 7.6 Layoff

A reduction in the work force shall be accomplished in the following manner:

- a. The first employees to be laid off shall be part-time, seasonal, temporary, and probationary employees within the classification affected by the layoff.
- b. Thereafter, the first employee to be laid off shall be the employee with the least classification seniority in the particular classification affected by the layoff, provided, however, that the remaining senior employees or employees must have the ability to perform efficiently the remaining required work. Further layoffs from the classification affected by the layoff shall be accomplished by following the inverse order of classification seniority, provided, however, that the remaining senior employee or employees must have the ability to perform efficiently the remaining work.
- c. The Employer agrees to provide at least ten (10) days notice of any reduction in the work force.

Section 7.7 Recall

Employees who have been laid off shall be given two (2) weeks notice of recall to work, mailed to them at their last known address by registered or certified mail. In the event employees fail to make themselves available for work at the end of the two (2) weeks, they shall lose all seniority rights under this Agreement. Employees who are laid off or who requested demotion in lieu of layoff, shall be recalled to their former classification in the order of their seniority when the work force is to be increased.

Section 7.8 Job Openings

- a. The Employer agrees to post any vacancies or new positions in the bargaining unit. Such posting shall be made, whenever possible, fifteen (15) days in advance. Bargaining unit employees may request consideration for such open position by notifying the Sheriff in writing of their intent. Such employees will be considered along with outside applicants for the position. In the event the employee is off sick or on vacation, the Employer will notify by mail.

- b. Assignment to and from the position of Recreational Officer is at the discretion of the Sheriff.

Section 7.9 Temporary Transfers

An employee who is temporarily assigned to a higher paying classification or rank to fill in due to vacations or leaves of absences shall receive the higher rate of pay for such period of temporary assignment. In making the assignment, the Employer will consider seniority, the needs of the Department, and the ability and experience of the employees involved. Such assignments shall not be made in an arbitrary and capricious manner. Temporary shall be defined as six (6) months.

Section 7.10 Return to Bargaining Unit

Employees who are promoted from the classification of correction officer to the classification of corrections corporal or sergeant may return or be returned to the bargaining unit without loss of bargaining unit seniority for the first six (6) months following promotion.

Employees (former corrections officers) shall have their seniority frozen upon promotion. Should any employee return beyond six (6) months, they shall return with the seniority they left with for the purposes of preferences and layoff. Any other sheriff's department employee entering the corrections unit shall have day one (1) seniority for purposes of layoff, recall, and for benefits predicated on bargaining unit or classification seniority.

Section 7.11 Recreation Officer

- a. If a bargaining unit employee is assigned to this position by the Sheriff, the employee's classification seniority from his/her former classification shall be frozen and preserved, at its level as of the date the assignment to Recreation Officer takes effect. In the event an employee ever returns to his/her former classification, he/she shall do so along with their preserved former classification seniority.
- b. Employees laid off or removed from the assignment of Recreation Officer by the Sheriff shall be returned to their former classification, provided they have more seniority preserved from their former classification than the least senior person then employed in that former classification.

Section 7.12 Seniority if Promoted Outside Unit

An employee in a classification subject to the jurisdiction of the Union, who had been in the past or will in the future be promoted to outside the bargaining unit, and is thereafter transferred or demoted to a classification subject to the jurisdiction of the Union shall not accumulate seniority while working in a supervisory position beyond eighteen (18) months from date of promotion. The employee who is so transferred or demoted shall commence work in a job generally similar to the one he/she held at the time of his/her promotion, and he/she shall maintain the seniority rank he/she had at the time of his/her promotion plus up to eighteen (18) additional months' seniority as set forth above.

ARTICLE VIII
PROMOTION PROCEDURE

Section 8.1 Purpose of Procedure

The purpose of this procedure is to establish a promotion system for personnel of the Antrim County Sheriff's Department as directed and approved by the Sheriff. The Sheriff shall determine the duties of all positions subject to this procedure. The employer, in its sole discretion, shall determine whether a vacancy does or does not exist. The promotion procedure shall be to a position above the rank of certified corrections officer within their respective division. This procedure shall not apply to job advancements or transfers between divisions.

Section 8.2 Closed Program

Promotion means to advance from a position to a higher position within a division. This program involves the upward movement of personnel from within the division. Each promoted employee must be a current member of that division and must meet all the eligibility rules of this Promotion Procedure.

Section 8.3 Program Weight

Sheriff is open to modifying test and will explore other options. Scores shall be based upon the written examination and promotion interview board. The weights assigned shall be as follows:

- a. Written examination seventy (70) points (an applicant must receive a minimum score of seventy percent (70%) in order to be eligible to take an oral interview).
- b. Oral interview twenty (20) points.
- c. Bonus points of one (1) per year, maximum of ten (10), for each year of service.

To qualify for a promotion, all applicants must receive a minimum score of fifty (50) points.

Section 8.4 Promotion Interview Board

The Promotion Interview Board shall consist of three (3) members who shall be certified correction officers from outside the Department and County, and whose rank is the same or is higher than the position being filled. The manner of selection of the members of the Promotion Interview Board shall be at the discretion of the Sheriff.

Results of the written examination shall not be made available to the Promotion Interview Board.

Section 8.5 Roster

For each classified position, a roster of the top three (3) candidates for selection will prevail. Initially, this means that the scores will be in consecutive order with the Sheriff promoting from among the top three (3) scores. When a promotion occurs, the candidate with the next highest score will be added to the roster. The roster shall remain in effect for eighteen (18) months.

Section 8.6 Probation

Commencing the first full pay period following promotion, the promoted employee shall be paid at the step in the pay range for the new classification that reflects an increase from his or her present rate. Employees who are promoted shall be on probation for a period of six (6) months immediately following promotion. During such probationary period, the Sheriff may demote the employee to his or her former classification or the employee may on his or her own volition, request, in writing, to be relieved of his or her new classification and be returned to his or her former classification. If an employee returns to his or her former classification at his or her own request, his or her name shall be removed from the promotion roster until the next written examination is given. If there is a demotion for any reason, the Sheriff will promote from among the names on the roster as defined in Section 8.5.

Section 8.7 Notification Posting

Examination notices for all competitive promotion classifications shall be posted on the bulletin board throughout the Department for a minimum of thirty (30) days prior to the examination date. Subjects to be covered in the written examination shall be posted thirty (30) days prior to the examination date. Employees eligible to compete shall submit their letters of intent to participate to the Sheriff no later than fifteen (15) days prior to the examination date.

Section 8.8 Eligibility for Promotion

- a. Corporal: Open to certified corrections officers with three (3) years continuous employment service in the Department.
- b. In the event there is to be a promotion to a position other than corporal (shift supervisor), the parties will meet and decide on the eligibility requirements for applicants.

Section 8.9 Written Examination

The written examination shall be valid standardized test for corrections officers obtained from a recognized institute or organization.

Section 8.10 Examination Procedure

Any employee has the right to examine the results of his or her own examination. The documents are confidential and they cannot be removed from the files. However, the contents of promotional documents will be made known only to the Sheriff and his or her designated representatives, and the employee and his or her designated representative.

Section 8.11 Outside Appointment

The Sheriff may fill a promotion, subject to this procedure, from outside the bargaining unit if no employee has attained a passing score for the examination or the vacancy is unable to be filled because employees subject to this procedure have failed to take the examination or declined advancement.

ARTICLE IX
HOURS OF WORK AND OVERTIME

Section 9.1 Work Schedule

The Employer shall establish the work schedule and shall post the schedule by the fifteenth (15th) of each preceding month. Any employee requesting leave days during the term of such schedule must submit his or her request at least ten (10) days prior to the date of posting such schedule. Any request for leave days after this time will not be granted unless specifically authorized by the Sheriff. The Sheriff reserves the right to modify such schedule where departmental operations warrant such change. In the event that the Sheriff determines that a major change in the schedule now in effect is warranted, such change may be the subject of a special conference with the Union.

Section 9.2 Tour of Duty

An employee shall make out an accident report in writing on forms furnished by the Employer and shall turn in all available names and addresses of witnesses to any accidents. Failure to comply with this provision shall subject such employee to disciplinary action by the Employer.
- f. It is the duty of the employee to report all defects of equipment and he or she shall do so immediately or at the end of his or her shift. Such reports shall be made on a suitable form furnished by the Employer and shall be made in multiple copies, one copy to be retained by the Employer.

Section 15.7 Locker Rooms

The Employer will provide wash rooms and lockers for the changing and storing of clothing. Lockers of individual officers will not be opened for inspection except with permission or in the presence of the officer or his or her designated representative or steward.

Section 15.8 Bulletin Board

The Employer shall provide a bulletin board in the facility where employees hereunder are employed for the posting of seniority and vacation lists and for use of the Union and Employer.

Section 15.9 Special Conferences

Either party may request a special conference between the parties to consider matters of mutual concern. Such special conferences shall be scheduled at the mutual convenience of the parties. The party requesting such conference will prepare an agenda and submit it to the other party at least five (5) days in advance of the scheduled date for the conference. Unless otherwise agreed, only those items on the agenda will be discussed. Special conferences shall not be used to circumvent the grievance procedure or used to open up this Agreement to collective bargaining.

Section 15.10 No Discrimination

There shall be no discrimination against any employee or employees by either the Employer or the Union because of race, color, creed, sex, age, marital status, or religion.

Section 15.11 Captions

The captions used in each Section of this Agreement are for the purpose of identification only and are not a substantive part of this Agreement.

Section 15.12 Policy and Procedures

The Employer reserves the right to establish reasonable rules, regulations, policies and procedures not inconsistent with the provisions of this Agreement. Such rules, regulations, policies and procedures shall be provided to each employee if such rules, regulations, policies and procedures concern working conditions.

Section 15.13 Discharge and Suspension

The Employer reserves the right to invoke disciplinary suspension or discharges for enforcement of Departmental standards or for improper conduct provided, however, that such action shall be for just cause. The Employer agrees to give the employee suspended or discharged the reasons for such action. If the charges involve criminal activity, the employee shall have the right to consult legal counsel before he or she is questioned.

Section 15.14 Savings Clause

Any part of this Agreement which shall conflict with applicable state or federal law now or in the future shall be null and void but only to the extent of the conflict; all other parts shall continue in full force and effect for the duration of this Agreement.

Section 15.15 Wages

Schedule "A" shall constitute a part of this Agreement and lists the wage rates for the respective classifications covered by this Agreement.

Section 15.16 New Classifications

Whenever the Employer establishes a new classification within the collective bargaining unit, the Union shall be notified of the rate of pay assigned to the classification. The Union shall have fifteen (15) calendar days from receipt of such notification to object to the assigned rate. Thereafter, the parties shall meet within thirty (30) calendar days to negotiate any changes which might be required. If the parties are unable to reach agreement, the rate of pay shall be subject to the arbitration procedure set forth in this Agreement if the Union gives written notification of its intent to arbitrate to the Sheriff within fifteen (15) calendar days following the meeting of the parties on the subject.

Section 15.17 Mileage

When an employee is required to drive his or her personal vehicle in the performance of his or her job, as directed by the Employer, he or she shall receive reimbursement at the rate established for Antrim County employees.

Section 15.18 Extra Contract Agreements

The Employer agrees not to enter into any agreement with another labor organization during the life of this Agreement with respect to the employees covered by this Agreement; or any agreement or contract with the said employee, individually or collectively, which in any way conflicts with the terms or provisions of this Agreement.

Section 15.19 Medical Arbitration

In the event of a dispute involving an employee's physical or mental ability to perform his or her job and the Employer is not satisfied by the determination of the treating physician, the Employer may require the employee to be examined by a doctor of its own choice and at its expense. If the dispute still exists, final resolution, binding on both parties, shall be a report of a third doctor chosen by the employee's doctor and the Employer's doctor. The cost of this report shall be shared equally by the Employer and the Union.

Section 15.20 Waiver

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waive the right and each agree that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement or with respect to any subject or matter not specifically referred to or covered by this Agreement. It is not the intent of this clause to delete any of the established practices which are uniformly applied in the Department relating to wages, hours and working conditions.

Section 15.21 Benefits on Termination Without Notice

Any employee who willingly terminates employment with the employer without two (2) weeks notice will not receive payment for any personal leave or accrued vacation. The employee must be on the job and working for a period of time equal to two (2) weeks after the two (2) weeks' notice is given, unless there are circumstances beyond the employee's control. Payout of vacation time and personal time will be made minus any deductions the employee owes the County.

Section 15.22 Retroactive Pay and Benefits

An Emergency Manager appointed under the Local Government and School District Financial Accountability Act (being, MCL, 141.1501, et seq) may reject, modify, or terminate provisions of this collective bargaining agreement as provided in the Local Government and School District Financial Accountability Act. Inclusion of the language required under section 15 (7) of the

Public Employment Relations Act does not constitute an agreement by the Union to the substantive or procedural content of the language. In addition, inclusion of the language does not constitute a waiver of the Union's right to raise Constitutional and/or other legal challenge (including contractual or administrative challenges) to the validity of:

1. Appointment of an Emergency Financial Manager,
2. PA 4 of 2011 (Local Government and School District Fiscal Accountability Act), or

Michigan Municipal Employee Retirement System (MERS) Antrim County Hybrid Pension Plan

1. The Plan is a combination Defined Benefit and Defined Contribution.
2. Defined Benefit means the monthly check you receive at retirement will be the same every month. In order for this to happen, whatever funding amount it takes to make sure you receive the same monthly amount at retirement must be put into the Plan. The monthly check will be based on the last three years of salary, length of service and a multiplier of 1.25%.
3. The County will fund the Defined Benefit side of the Plan but will never pay more than 8% toward the entire plan (both the Defined Benefit and the Defined Contribution side of the Plan). If it takes more than 8% to fund, the employee is responsible for the additional amount above 8%.
4. Defined Contribution means the amount that is contributed every month during your career into your retirement account will be the same percentage of your wage. The amount of funds you will have upon retirement depends on the market and how well you invest the dollars.
5. On the Defined Contribution side of the Plan you are required to contribute 1% of your wages into your Plan. The County will match with an amount equal to 1% of your wages into your Plan. This portion of your contribution will be taken out of each paycheck "pre-tax" and is based on your gross pay.
6. On the Defined Contribution side you can put up to an additional 4% of your wages into your Plan (5% total when including the mandatory contribution of 1%). This portion of your contribution will also be taken from your paycheck "pre-tax". Your decision on how much additional to contribute into the mandatory contribution will be cast in stone and cannot be changed.
7. On the Defined Contribution side, the County will match your additional contributions dollar for dollar up to an amount equal to 8% of your wages, less the cost of the Defined Benefit side of the Plan. The County will never pay more than 8% of both sides of the Plan combined.
8. The Defined Benefit side has a 6-year vesting period.
9. The Defined Contribution side has a graduated vesting depending on how many years you continue to be employed with Antrim County until you are 100% vested at 6 years (75% at 5 years, 50% at 4 years and 25% at 3 years). All dollars the employee contributes is theirs when they leave employment.

HYBRID FUNDING

Defined Benefit

- The County will fund up to 8% of payroll.
- The County funds the amount it takes to keep the fund “solvent”. The percentage may change each year. If it takes more than 8% to fund, the employee is responsible for the additional amount above the 8%.

Defined Contribution

- Mandatory 1% by employee (pre-taxed), 1% match from County.
- Employee may contribute another 2-4% (pre-taxed).
- Once the County has covered the defined benefit funding percentage and the 1% match on the defined contribution, the County will match any additional percentage the employee puts in (up to a total of 8% between the defined benefit and defined contribution).
