 - b) Court Recordings, Log Notes, Jury Seating Charts, and Other Media. This includes video/audio/digital court recordings, notes, tapes, logs, backup tapes, discs, and any other medium used or created in the making of a record of proceedings and kept pursuant to MCR 8.108. MCR 8.119(F).
2. Procedures for accessing, inspecting, and reproducing nonpublic information and records are set forth in Component 19 of the Michigan Trial Court Case File Management Standards, chart of Nonpublic and Limited-Access Court Records, Local Administrative Order 1 (Friend of the Court records), and Administrative Order 2006-2, Privacy Policy and Access to Records.

5. In accordance with MCR 8.110(C) (7), the court shall provide litigants with forms approved

by the state court administrator at the cost of \$1.00 per form.

- a) Parties will be limited to a maximum of 5 copies per each type of form requested.
- b) There will be no charge for forms requested by court-appointed attorneys on cases to which they have been appointed or for indigent parties.
- c) There will be no charge for forms prepared by the court.
- d) The circuit court or clerk of the court may not charge a fee for pro se forms for personal protection proceedings or motion forms for criminal post appeal relief. MCL 600.2950, 600.2950a, MCR 6.502(C) (15).

6. Any person may access and inspect, at no charge, any case record or information contained in those records, regardless of means of access and record format, unless access is restricted by statute, court rule, or a court order entered pursuant to MCR 8.119(I) and may also obtain copies subject to the following regulations established in accordance with MCR 8.119(J).

a) General

- i) All requests to access and inspect case records identified in this administrative order and/or for copies of those records must be made on a "file/copy request form" and must specify a complete case number or party names except as provided under item b(iii) below.
- ii) Persons who do not have a complete case number or party names may review available case indexes to identify and select specific cases for inspections.
- iii) Case records shall be reviewed at the public counter unless, in the discretion of court supervisory personnel, approval is granted to review records in the clerk's office based on available space, the type and number of records to be reviewed, and the length of time necessary to review them.
- iv) Ensuring the right of immediate access to and public inspection of court records shall be a top priority, but may be limited by the availability of court staff to supervise the inspection.

b) Access

- i) Except for online public case indexes and registers of case action, requests for access and inspection to no more than 5 specific case files will be accommodated within 1 day unless the files are not in the active file area. Requests for specific case records in storage will be accommodated within 3 working days.
- ii) Requests for access and inspection to more than 5 specific case files will be accommodated within a reasonable amount of time, depending on the total number of case files requested and the availability of court staff.
- iii) Case information requests from other courts that lack specific case numbers or party names shall be researched by this court. Requested information will be provided at

no charge.

- iv) Requests to perform general traffic or criminal record checks that do not have specific case numbers or party names will not be researched by the court. They will be referred to the appropriate state agencies to obtain this information or to the available indexes referred to under subsection 6(a) (ii).

It will be the responsibility of those persons requesting access to make prior, acceptable arrangements with the court.

c) Copies

- i) The court will provide copies of case file documents (fewer than 100 total pages) at a cost of \$1.00 per page within 1 hour of the request for copies, except that copies of transcripts filed with the court shall not exceed \$.30 per page pursuant to MCL 600.2543.
- ii) Requests for more than 100 total copies of case file documents will be accommodated within a reasonable amount of time as determined by the (1) total number of pages to be copied, (2) availability of court staff and photocopying equipment, and (3) nature of the request, such as the degree to which court staff is required to identify, select, and review documents to be copied.
- iii) In order to preserve and maintain the integrity of court records and to prevent unreasonable interference with the discharge of court functions, persons will not be permitted to copy or otherwise duplicate court records using their own equipment.

- i) Requests for creation of a new record, as defined in MCR 8.119(J)(4), will be granted only if creating the new record will not unreasonably interfere with the discharge of court functions. If granted, the request will be accommodated within a reasonable amount of time dependent upon the availability of sufficient public data within the body of case records (including related databases), and the ease in which those records can be identified and compiled.
- ii) Costs to provide a new record may not exceed the actual cost of labor and supplies and the actual use of the system to develop, generate, and validate the accuracy of the record.

7. Access to court recordings, log note, jury seating charts, and other media of court proceedings made pursuant to MCR 8.108 is not permitted.

8. Copies of court recordings, log notes, jury seating charts, and other media of court proceedings made pursuant to MCR 8.108 are not available.
