Staff Present: Darla Sapp, City Clerk, Lyn Woolford, Police Chief, Shelley Martin, Treasurer/Deputy City Clerk, Tony St. Romaine, Interim City Administrator and James Creel, Public Works Supervisor.

Mayor Pro-tem Bronson called the property tax rate hearing to order. Alderman Clay stated that based on tax rate for the last 4 year based on growth we need to look at increasing the property tax. Mayor Pro-tem Bronson closed the public hearing on the property tax for 2019.

Mayor Pro-tem Bronson presented the amended agenda of August 20, 2019 for consideration. Alderman Sapp made motion and seconded by Alderman Clay to approve the agenda as presented. Mayor Pro-tem Bronson called for the vote. Motion carried.

Mayor Pro-tem Bronson presented the minutes of August 06, 2019 Board meeting for consideration. Alderman Sapp made motion and seconded by Alderman Clay to approve the minutes as presented. Mayor Pro-tem Bronson called for the vote. Motion carried.

Brianna Lennon, Boone County Clerk, informed the Board and citizens of the new voting equipment and plans on having a series of public demonstrations on how to use the machines. She explained how the equipment works. She stated they would be forming a committee to work on the census next year. She stated it is important in obtaining grants and federal funding.

Mayor Pro-tem Bronson asked anyone wishing to appear before the Board to come to the podium and state their name and place of residence on any subject. He stated this is the only public speaking portion of the meeting.

Shawn Middendorf, Alliance Water Resource stated that Russell Gerling has been promoted to another job within the company and will be leaving Ashland on September 3, 2019. He stated he would be more present to help with the day to day operation until they get a replacement.

Troy Lowery, Shelter Insurance agent stated he has had his business in Ashland for 20 years and came to work on Monday finding he was going the wrong way on a one way street. He stated he was upset about that and not being notified. He stated this would affect his income because you have to drive four blocks through the main part of town to come back to his property at the corner of Johnson and South Henry Clay Blvd. He stated that Henry Clay Blvd. is his lifeline. He stated that he was disappointed that no one was notified.

Mike Purcell addressed the one-way street on Redbud effects his business. He stated his clients would have to loop back around to get out.

Mayor Pro-tem Bronson asked the audience to raise their hands to show how many citizens were present tonight for the one-way street issue. He stated that a vast majority of people present tonight were here for that reason.

Cody Murphy of 4870 West Red Tail Drive stated on behalf of Liberty Landing residents he thanked Alderman Lewis, Alderman Sullivan, Alderman Sapp and the Mayor for looking at the infrastructure issues in Liberty Landing.

Cody Murphy stated he would like to address the issue of changing the noise ordinance to allow construction to begin at 6:00 a.m. He stated the current time frame to allow for construction to begin is more liberal in Ashland than the surrounding communities. He stated Columbia does not allow construction on Sundays at all where Ashland does. He stated he is empathetic with the construction crews due to the heat but when you get woke up or have small children getting woke up at 5:30 a.m. it is disturbing their peace. He stated when they call the police they are not doing anything because the police officer is telling them the ordinance is going to be changed.

Austin stated he resides on Red Tail Drive and he has three small children and they are tired of getting woke up in the early every morning. He stated he felt the contractors should obey the law.

Michelle Phillips stated she is the Postmaster and the one-way street creates an issue for delivery of mail but mainly parcels. She asked that be taken into account.

Alderman Bronson stated the one-way streets was due to construction on Broadway and was needed to elevate traffic in a safe manner. He stated they were going to see how that worked during construction and consider keeping it one-way. Some citizens present stated they felt it was foolish and waste of taxpayer's money.

Alderman Sullivan stated the Board first voted on this March 19th and every Board member voted in favor based on the Broadway construction. He stated it is now unknown when the construction is going to happen. He stated we had to decide to leave it in the code or change it back. He stated the Board would need to decide if it was to be in place as a detour and evaluate it at that time. He stated this was for safety reasons.

Roxanne Gilpin stated that her mother has lived on Johnson 60 years and it has never been a one-way street. She expressed concern and also the delivery of packages maybe being an issue.

Alderman Lewis reported that when they voted on this, it was due to the road closure on Broadway and would be temporary.

Alderman Sullivan stated he felt the City did drop the ball on notification. However, he said we voted on this along time ago but due, to the Broadway construction getting delayed, the signs were never installed. He stated it was back on the agenda for discussion at the last meeting and the consensus of the Board was to install the signs.

Alderman Sapp stated the Police Chief informed his officers to give out warnings during a grace period to allow citizens to adjust their routes.

Alderman Lewis stated the MoDot bid came in over budget and they delayed the project. He stated we are in limbo if and when they will be coming back with that project.

Dave Westhoff stated he owns the building at 409 Redbud and based on construction of MoDot we need to relook at the problem with Redbud. He stated he has placed three boulders on his property to keep people from driving through his yard. He stated Redbud Lane is a major issue. He expressed concern of school traffic and backing up through Ash Street and Bass Street.

Kent Nichols stated he lives on Redbud and felt the roadway is too narrow and should be one-way. He stated where Henry Clay turns onto Redbud the intersection is too narrow to drive two vehicles on. He stated tons of people drive on that street. He stated Redbud needs to be widened. He stated he has worked at the mail facility and they can sort the mail anyway they want to. He stated telephone poles are two foot away from the curb. He stated if the Board changes it back they need to widen Redbud and Johnson Street.

Dave Westhoff stated according to his survey the roadway is a foot on his property. He stated the City does not have any right of way there.

Lyn Woolford, Police Chief introduced new officer, Jason Ozenberger to the Board. He stated that he took Laura's position and would he be hiring another officer to take Sgt. Creel's position and should then be to full staff in 6 to 8 weeks.

Barrett Glascock stated that years ago these were one way streets but it was such a cluster they changed them to two-way. He stated the streets are 20 foot wide and unless the landowners will give up property the City would not be able to widen them very much.

Mayor Pro-tem Bronson presented for re-appointment Greg Batson to serve on the Planning and Zoning Commission. Alderman Sapp made motion and seconded by Alderman Clay to reappoint Greg Batson to the Planning and Zoning Commission. Mayor Pro-tem Bronson called for questions or comments. Mayor Pro-tem Bronson presented a recommendation from the Park Board to seek RFQ from Architects for the design of a new bathroom. Ernie Wren, member of the Park Board, stated several months back we were looking at remodeling the existing bathroom or building new bathrooms. He stated they were looking at applying for grants for this. He stated that would take 3 to 5 years. He stated the main complaints received from people is to do something with the bathrooms. He stated the bathrooms are not A.D.A. compliant, not well lit and they are dirty. He stated they proposed new bathrooms to be located by the ballpark. He stated if they remodel the existing bathroom they would like to see making two family stalls, new fixtures and lighting and depending on cost to add heating for the winter months. He stated they are looking to get direction from the Board. Alderman Sullivan questioned the portable/prefab bathrooms that were proposed. Alderman Sapp made motion to approve getting request for qualifications for repair of existing restrooms and design price for building new restrooms in place of existing. Alderman Sullivan seconded the motion. Mayor Pro-tem Bronson called for the vote. Alderman Sapp-aye, Alderman Sullivan-aye, Alderwoman Martin-aye, Alderman Clay-aye, Alderman Lewis-aye, Alderman Bronson-abstained. Motion carried.

Shelley Martin, Treasurer stated this would have to come out of capital expenditures. She stated they should look at grants like the Lions Club. She stated she has had meetings with the Park Board president on how to go about that and what it is going to entail to apply for grants. She stated before we can proceed they need to decide if we are getting a design plan and bids for new restrooms, remodel existing or pre-fab.

Mayor Pro-tem Bronson presented the recommendation from the Park Board to lock the tennis courts due to the deteriorated condition. Alderman Bronson stated the Park Board felt the tennis courts are in a state of dis-repair and are dangerous to play on. Ernie Wren, park board member stated the tennis courts are not safe and the Parks and Recreation voted to lock the tennis courts. He stated they would need to make the decision to repair or replace the tennis court. He presented pictures of the tennis courts. Alderman Lewis questioned how many people are using the tennis courts in this condition. Ernie Wren discussed a possible pickle ball court. The Board discussed the tennis courts and cost for new courts being \$60,000 to \$70,000 dollars and the fact they are 32 years old. Tony St. Romaine, Interim City Administrator reported the park was established by a Land and Water grant and so was the tennis courts. He stated the need to determine if the tennis courts are obsolete, cost of repairs/replacement and if there are any funds available. He stated there is a process we will have to go through to turn this into another use by the park. He stated he felt a public hearing on this matter should be held. The Board discussed the YMCA is planning for tennis courts. The Board discussed this at length and felt they should continue to look at grants.

Alderman Sapp made motion and seconded by Alderman Sullivan to lock the tennis courts and make proper posting on tennis courts for a public hearing to discuss possible repairs in the future. He stated we can not assume everyone works during the day. The Board discussed this and took no action.

Mayor's Report:
Mayor Rhorer was absent.

City Administrator's Report:

Tony St. Romaine, Interim City Administrator reported he was to be out of town this week but had emergency repairs needed to his motor home. He stated he has been working for the City and it is like drinking from a fire hose. He stated he is trying to figure out issues and where to focus the needs. He presented the Board a list of priorities not in a particular order. He stated he is getting familiar with staff and key stakeholders in the community. He discussed the City Hall project and the bids coming in much higher than we had budgeted for. He stated this project would need to be put on hold because we do not have the funds, we need to look at financing options and see if this is the best site. He stated the site we have purchased is a viable piece of property for a fast food establishment.

He suggested setting up a work session with the Planning and Zoning Commission on the Comprehensive Plan to participate in discussion of the critical issues and go over the first phase and the issue report. He stated he has a copy of the report and wants to make sure everyone is on the same page. He stated the final plan should reflect the need of the community.

Tony St. Romaine stated he is formalizing the purchasing process for goods and services. He stated he would bring this back to the Board to authorize in the next few weeks.

He stated he is making some tweaks to the Board agenda process to help the Board better understand what is in front of them for consideration. He stated there will be a cover sheet in front of items on the agenda giving a summary, fiscal impact, legislative history and suggested Board action. He plans on implementing that on the next agenda.

He is looking at the personnel manual that Lyn Woolford started updating. He stated he plans to complete that in the next couple of months.

He stated he would be seeking request for proposals for real estate brokerage firms to negotiate a rate for the sale of city surplus residential and commercial property in the next couple of weeks.

Tony St. Romaine stated he has scheduled meetings with key stakeholders in the community.

He stated he is starting to review existing contracts and projects and anticipated time lines.

He discussed developing an economic development strategy. He stated this is a growing community. He felt that the population might be such that the city could consider changing from a 4th Class City to adopting a charter city form of government. He stated the charter city allows locally legislated regulations and we don't have to follow state statutes. He stated it allows more flexibility and local control. He informed the Board the citizens would have to vote on this class of city. He stated there were many economic development opportunities in Ashland, East Ashland Plaza and Cartwright Development. He stated we need to find a way to promote Ashland and look at business incentives.

Tony St. Romaine stated we need to begin developing a capital improvement plan, forecasting 1, 3 and 5+ years. Then prioritize this plan and figure out the funding sources.

Tony St. Romaine stated we need to think about entryway improvements to Highway 63 overpass. He suggested maybe partnerships or sponsorship opportunities with key businesses to make the entryway more attractive and welcoming.

In closing he stated there will be other items to add to the list in the near future but wanted to make sure that if there were other priorities that were not on the list, that he be advised as soon as possible. He stated he is doing this on a part-time basis while they search for a full time administrator.

Public Works Director Report:

James Creel, Public Works Director stated the Angel Lane project has been completed and was reopened yesterday morning. He stated the one-way street signs were installed. He stated the Broadway storm water project has run into an issue of utilities being in the way that needs to be addressed prior to the work beginning, hopefully by next week. He explained the work at 800 South Henry Clay Blvd. would begin as soon as possible and would be restricted to hours of 9:00 a.m. to 2:30 p.m. due to school traffic. He updated the Board on the electric issues at the park and the pump in the park pond not functioning. He stated he is working with the Conservation Department on the algae growth and getting the pump repaired/replaced. Shelley Martin, Treasurer reported we would need to get bids and the expense would come from the park capital expenditures. James Creel stated it would be anywhere between \$1,000 to \$2,000 for the diffuser.

City Attorney's Report:

Jeff Kays, City Attorney had no report.

Board of Aldermen's Reports:

Alderman Lewis thanked the citizens that came out and said we are a small community and he does not want the reputation that we do stuff and don't think about it. He asked that the citizens call them with issues.

Alderwoman Martin stated she received a complaint from a resident on no trashcan at the dog park and possibly a bench.

Alderwoman Martin asked about the bathroom problem. James Creel reported they power washed the bathrooms.

Alderwoman Martin asked about the brush in the fencerow. James Creel reported this is an over-growth in the fence but we need to get with the property owner on this matter.

Alderman Sullivan stated he attended the Liberty Landing meeting and hopes the City can help the property owners.

Alderman Sullivan reported an exposed sewer pipe behind 402 Renee Drive.

Alderman Sapp also thanked the citizens for coming out tonight and keeping it civil.

Alderman Sapp reported he has received a complaint on the air leak noise from the wastewater facility.

Alderman Sapp asked for an update on the progress of the wastewater treatment facility. Tony St. Romaine, Interim City Administrator stated he would get a report to the Board.

Alderman Clay made motion and seconded by Alderman Sapp to adjourn the meeting. Mayor Pro-tem Bronson called for the vote. Motion carried.

Darla Sapp, City Clerk

Jessie Bronson, Mayor Pro-tem
