### MEMORANDUM

To: Honorable Mayor Daryl Walker & Board of Aldermen  
From: Marc Woerner, Town Administrator  
Re: Agenda items for November 09, 2021

1. **Exhibit A – Board Meeting Minutes** - The minutes from the Board's regular monthly meeting in October are included for review and approval.
2. **Exhibit B – Board Meeting Minutes** - The minutes from the Beer Board's public hearing meeting in October are included for review and approval.
3. **Exhibit C – Financial Reports** – The monthly report detailing fiscal year financial performance through the month of August is included in the packet for your review. At the Board's request, additional information has been added to the financials in the Water and Sewer Funds to provide additional clarity of line items.
4. **Oath of Office – Firefighters – Sean Carter and Hunter Long** – Sean Carter and Hunter Long will be sworn in and take the Oath of Office. Firefighter Carter and Firefighter Long both began with us on October 24<sup>th</sup>, and they are the newest addition to the Atoka Fire Department team.
5. **Presentation** – One citizen will be recognized for volunteerism and service to the Town.
6. **Exhibit D - Resolution – Approving Annual Donations for Fiscal Year 2022** - Each year, the Town makes donations to various civic groups that serve and benefit the residents of Atoka. The FY2022 budget allocated \$12,000 in grants and the Board historically awards the bulk of those grants each November. The Town has received funding requests that total \$7,250. Under our donation policy, staff recommends approval of the donations.
7. **Exhibit E – Consideration of Public Works Vehicle Purchase** – During the budget process for FY 22, it was agreed that Public Works would be purchasing two new trucks with proceeds from a Water/Sewer Fund Certificate of Deposit that would be maturing. The amount of the trucks is \$36,903.00 and \$47,223.00 and would be purchased via State contract. Due to economic pressures, the dealer requested a letter of intent to purchase both trucks. Both quotes

and the letter of intent are contained in your packets. Staff is recommending the purchase of both trucks.

**8. Exhibit F – Resolution-Transportation Alternatives Program (TAP) Grant** - This grant opportunity is an 80/20 split. The town would be responsible for 20% of the project costs but the 20% may be funded by other funding options. Engineering is not covered under this grant. Staff determined that it was best to select locations that already has curb and gutter installed, and Right of Way already dedicated. The grant would be requesting funds for a bicycle lane and sidewalk along Atoka McLaughlin, Wesley Reed and Walker Crossroads. We hope that these locations would be ideal for a positive response from TDOT as they would connect the Multimodal sidewalk project on Atoka Munford/SR206. Town staff had a discussion with the TDOT review team to receive direction and received positive feedback. Deadline for submission is December 1, 2021. Staff is requesting and permission to apply for the grant.

**9. Department Reports** – Monthly reports from the Departments have been included in the Board packet for your review.

If you have questions on any of these items prior to the Board meeting, please do not hesitate to call me.
