I believe I would be a good candidate for the Library Board for the Banning Library District because I care deeply about the library and my community. During my time with the library I realized just how much the library meant to our community, but it shocked me to find out how much our community meant to our library and the staff.

As the library, we were the “third place” for a lot of our community, especially our children. Most people’s first place is their home, their second place is their work or school, and the citizens of Banning rely on us to be their third place. We are a place where they can take their children to participate in activities, be read to, and to do homework or study. We are a place for the college/high school students to go for free internet and a quiet place where they can focus and study. We are the place where adults can go to unwind after a stressful day at the office, grab a book and detach from reality for a little while. The Banning Library District is the third place for a great number of Banning citizens and its important that they keep it going for as long as possible.

I was honored to be a part of such an amazing group of staff during my time at the library. I worked in the children’s room, which is my passion. At the time I was studying to be a teacher and working the children’s room only drove my passion for teaching more. I conducted story times, no-bake baking classes and S.T.E.M. classes for our pre-school aged kids. The patrons and their kids meant so much to me, it felt like they were all part of our family. The atmosphere at the Banning Library District is special and unique, all patrons feel loved from the moment they walk through the doors until they have checked out and ready to leave.

It was truly heartbreaking for me to leave the library as I was ready to move on with my teaching career. Being accepted as a member of the board would be a dream come true because it would allow me to be a part of the library once again while still living my dream of becoming a teacher.

Thank you for taking the time read my letter today.

Sincerely,

Jana Brassfield

Comparator Agency Analysis for the Total Compensation Study

DISCUSSION/INFORMATION:
Koff and Associates evaluated several competitive indicators related to banning Library District’s demographics, financials, and scope of service to develop a list of potential agencies for the compensation study.

The indicators include 1) Organizational type and structure 2) Staff, operational budgets, and scope of services 3) Geographic location and labor market.

The Board can accept the agencies listed on the Comparator Agency Analysis for the Total Compensation Study document or revise the list and add other agencies.

RECOMMENDATION:
Review the Comparator Agency Analysis for the Total Compensation Study and approve the listed agencies for comparison study.
To: Kevin Lee, District Director, Banning Library District
From: Mike Harary, Project Manager, Koff & Associates
Date: September 24, 2020
Subject: Comparator Agency Analysis for the Total Compensation Study

Koff & Associates (K&A) evaluated several comparative indicators related to Banning Library District’s demographics, financials, and scope of services to develop a list of potential agencies for the compensation study. The methodology and specific criteria used in the analysis follows.

1. **Organizational type and structure**: K&A generally recommends agencies of a similar size and structure providing similar services to Banning Library District be used as comparators.

   Note: Because technical job classifications perform similar work across agencies, organizational size is not critical. The difference in size of an organization becomes more important when comparing management classes. Factors such as management of a large staff, consequence of error, the political nature of the job, and its visibility, all increase with organizational size. When it is difficult to find agencies that are similar in size, a good balance of smaller and larger agencies is used instead. However, given the size of the District, and in order to identify agencies which would yield sufficient data for its core services, the recommended agencies are all larger than the District in terms of total number of employees, with the exception of Hemet Public Library.

2. **Staff, operational budgets, and scope of services**: Staff and operational budget size determine the amount of resources available for agencies to provide services. Organizations providing the same services are ideal for comparison; therefore, most comparator agencies included provide similar services to Banning Library District. Specifically, K&A focused on whether agencies provide the following:

   - Status as a Special District
   - Local History Services
   - Interlibrary Loan Services

3. **Geographic location and Labor market**: Today's labor market reality suggests many agencies are in competition for the same pool of qualified employees because large portions of the workforce don’t live in the communities they serve, are accustomed to lengthy commutes, and are more likely to consider changing jobs in a larger geographic area than in the past. Therefore, the geographic labor market area where Banning Library District may be recruiting from or losing employees to, is taken into consideration when selecting comparator organizations.

The comparator agency analysis includes the following specific data for each proposed agency:

1. Geographic Proximity
2. Population of City
3. Number of Full-Time Equivalent (FTE) Employees
4. Total Number of Employees (Full-Time plus Part-Time)
5. Agency Operating Expenditures
6. Total Circulation
7. Cost of Living Compared to Banning, California
8. Comparable Services Provided

The recommended agencies are those agencies identified as being the most similar to Banning Library District based on the eight (8) factors analyzed above. This analysis is intended to assist the District in choosing the comparator group. However, the District should also consider other factors that would apply to your labor market that could potentially override these quantitative considerations, such as recruitment, retention, and/or alignment of operations.

We believe the following 12 agencies (listed in alphabetical order) would be considered the most reflective of Banning Library District's labor market for compensation study purposes:

1. A.K. Smiley Public Library
2. Altadena Library District
3. Beaumont Library District*
4. Corona Public Library
5. Covina Public Library
6. Hemet Public Library*
7. Moreno Valley Public Library
8. Palm Springs Public Library*
9. Placentia Library District
10. Rancho Mirage Public Library
11. San Bernardino City Library
12. Whittier Public Library

*Original agency provided by Banning Library District

We also analyzed the Banning Unified School District Library as a potential comparator agency but discovered they only employ 4 full time and 8 total personnel. Since they have so few positions exclusively working for their Library, we believe we will not find a sufficient number of job matches to include in this compensation study, therefore we recommend excluding Banning Unified School District as a comparator.

In addition, as you know, you indicated you did not want to include Riverside County Library System since they are handled by Library Systems and Services, a private company based in Maryland.

Once the comparator agencies are approved, K&A can begin the data collection for the compensation study. Please let us know if you have any questions. Thank you.

TITLE:
Creation of Policy No. 5105 Attendance Policy

DISCUSSION/INFORMATION:
Our policy manual does not have any attendance policy. The purpose of this policy is to set forth Banning Library District's policy and procedures for handling employee absences and tardiness to promote the efficient operation of the District and minimize unscheduled absences. The policy defines what "excused absence" and "unexcused absence" are. It also explains the disciplinary action if there are excessive unexcused absences.

RECOMMENDATION:
Approve and adopt Policy No. 5105 Attendance Policy.
POLICY TITLE: Attendance Policy
POLICY NUMBER: 5105

5105.1 The purpose of this policy is to set forth Banning Library District's policy and procedures for handling employee absences and tardiness to promote the efficient operation of the District and minimize unscheduled absences.

5105.2 Punctual and regular attendance is an essential responsibility of each employee at the District. Employees are therefore expected to report to work as scheduled, on time and prepared to start working. Employees also are expected to remain at work for their entire work schedule. Late arrival, early departure or other absences from scheduled hours are disruptive and must be avoided.

5105.3 "Absence" is defined as the failure of an employee to report for work when he or she is scheduled to work. The two (2) types of absences are defined below:

- Excused absence occurs when all the following conditions are met: 1) The employee provides his or her supervisor sufficient notice at least 48 business hours in advance of the absence; 2) The absence request is approved in advance by the employee’s supervisor; and 3) The employee has sufficient accrued paid time off to cover the absence.

- Unexcused absence occurs when any of the above conditions are not met. If it is necessary for an employee to be absent or late for work because of an illness or an emergency, the employee must notify his or her supervisor no later than the employee’s scheduled starting time on that same day. If the employee is unable to call, he or she must have someone make the call on his or her behalf.

5105.4 An unexcused absence counts as one (1) occurrence for the purposes of discipline under this policy. Employees with three (3) or more consecutive days of excused absences because of illness or injury must give the District proof of physician’s care and a fitness for duty release prior to returning to work. Employees must take earned paid time off unless otherwise allowed by District policy.

5105.5 Tardiness and Early Departures. Employees are expected to report to work and return from scheduled breaks on time. If employees cannot report to work as scheduled, they must notify their supervisor no later than their regular starting time. This notification does not excuse the tardiness but simply notifies the supervisor that a schedule change may be necessary.

Employees who must leave work before the end of their scheduled shift must notify a supervisor immediately.

Tardiness and early departures count as one-half (1/2) an occurrence each, for the purpose of discipline under this policy.

5105.5 Disciplinary Action. Excessive absenteeism is defined as two (2) or more occurrences of unexcused absence in a 30-day period and may result in disciplinary action. Eight (8) occurrences of unexcused absence in a 12-month period may be considered grounds for termination.

5105.6 Job Abandonment. Any employee who fails to report to work for a period of three (3) days or more without notifying his or her supervisor will be considered to have abandoned their job and be voluntarily terminated from the employment relationship.

TITLE:
Creation of Policy No. 5103 Temporary Upgrade and Acting Pay

DISCUSSION/INFORMATION:
Our policy manual does not have any temporary upgrade or acting pay policy. The purpose of this policy is to allow the District to work employees out of classification for up to ten (10) consecutive working days without additional compensation. The policy also details when temporary upgrade may be assigned.

Most public agencies do give a 5% above the employee’s regular salary for work performed within the higher classification on the 11th consecutive day of working out of class, and for each consecutive day thereafter an employee works out of class.

RECOMMENDATION:
Approve and adopt Policy No. 5103 Temporary Upgrade and Acting Pay.
POLICY TITLE:  Temporary Upgrade and Acting Pay
POLICY NUMBER:  5103

5103.1  The District may work employees out of classification for up to ten (10) consecutive working days without additional compensation.

5103.2  Working out of class assignments shall only be made for positions vacated due to illness, an approved leave of absence, voluntary resignation, promotion, demotion or terminations.

5103.3  Acting Pay. An employee shall receive 5% above the employee's regular salary for work performed within the higher classification on the 11th consecutive day of working out of class, and for each consecutive day thereafter an employee works out of class.

  5103.3.1  The District Director shall assign the employee to work out of classification.
  5103.3.2  To qualify for working out of class pay, the employee must be performing all the significant duties of the higher position.

5103.4  Eligibility Period. During the 10 consecutive working day eligibility period before an employee is entitled to receive acting time pay, absence for compensatory time and/or vacation shall break consecutiveness and cause the 10 consecutive working day eligibility period to start over. Absences for regularly scheduled holidays, regular days off, jury duty, and/or verifiable sick leave shall not constitute a break in consecutiveness for acting pay eligibility.

5103.5  Promotion from Acting into Permanent Position. An employee may be promoted from an acting position to that same position on a permanent basis.

Staff recommends removal of "introductory period" language and replace it with "All employment at Banning Library District is "at will." This means that either the employee or Banning Library District have the right to terminate employment at any time, with or without advance notice, and with or without cause."

5010.1.2 A “Part-time” employee is one who is regularly scheduled to work less than 36 hours per week.

5010.2 There is a 90-day introductory period for employees. An employee will learn his or her responsibilities during this introductory period.

5010.2.1 Upon successful completion of the introductory period an employee is granted regular status. Regular status employees are still considered at-will employees after successful completion of the introductory period.

5010.2 All employment at Banning Library District is “at will.” This means that either the employee or Banning Library District have the right to terminate employment at any time, with or without advance notice, and with or without cause.
