Chairman Comments

Per Chairman Fiala, the two (2) main things that we are wrestling with are the upcoming May 8th Household Hazardous Waste (HHW) event at the Expo Center and the Request for Proposal for the Recycling Coordinator. Per Sarah Nelson, she did work with J-Ad Graphics to put an advertisement in the paper and it went in the April 3rd edition of The Reminder and it will also go in April 15th edition of The Banner as well as The Reminder again. Patricia Rayl also posted the RFP on the MITN website.

Household Hazardous Waste Event (May 8th)

Per Jay VanStee, Jodi Pessell has a meeting set-up later this month to confirm all the HHW details and Jay feels that everything is lined up and ready to go.
