I'm Awesome is fun filled event that inspires your daughter to chase her every dream, wish and to set realistic goals. Her feelings, strengths and weakness are respected on every level. She is shown not taught how to have compassion, patience and understanding for others. She is exposed to her responsibilities in her community. She inspired to love herself and care for herself on every level i.e. health nutrition, fitness and true happiness. She will be inspired to explore outside of her zip code community and country. She is held responsible for her decision and actions. She is introduced to Entrepreneurship and expected to earn things she wishes to obtain. She will be inspired by staff and girls like her who leave a beautiful imprint in this challenging world we live in.

Learn Love & Grow Studio YouthPenures program is designed to mentor, support, and equip today's children with the necessary success skills to set them on the path of becoming our future entrepreneurs. This workshop teaches kids what it takes to succeed in our global new age economy, equips them with the success skills they need, and sets them in the right direction for understanding entrepreneurship at a young age.

Learn Love & Grow Studio YouthPenures course is an interactive curriculum training program that not only teaches kids about entrepreneurship, but sets children up to become successful entrepreneurs. In addition our YouthPenures are encourage to participate in our spring fair, community events, school events and local farmers markets.
