

Bedford Heights New Resident Packet

Greetings from Mayor Fletcher Berger,

2022 was a very positive year for the City of Bedford Heights from a financial standpoint. Although the COVID-19 Pandemic emergency has subsided, the virus itself and its variants remain an ever-present concern that we continue to respect and take seriously. As I enter the fourth year of my fourth term in office, I have concluded that last year's optimism regarding our strategic planning, and "all hands-on deck efforts" to confront and overcome the challenges associated with a global pandemic, proved to be effective. Whether they are economic, infrastructural, or community-welfare related, this administration has and will continue to work with a steadfast diligence in an effort to preserve our community's safety, long-term sustainability, and growth. I would like to take this opportunity to thank our residents and businesses for their continued support and understanding during the uncertain times of the last few years.

All of our facilities are open to the public. However, we will continue to maintain our safety procedures and protocols to ensure the well-being of both our staff and visitors. Throughout the challenges of the last few years, the City of Bedford Heights has remained a destination location for new homeowners and businesses relocating to our community. As a city, we have been able to weather the brunt of the economic challenges associated with a global pandemic. We continue to operate well within our budget parameters while maintaining an ample surplus of cash reserves.

Property values continue to rise in Bedford Heights, and our vacancy rate remains well below 1%. Bedford Heights continues to welcome a diverse mix of young adults and their families either moving back to the community they grew up in, or simply relocating to Bedford Heights to establish and grow their families. Miles Road and Richmond Road within our borders, continue to attract major commercial and industrial companies relocating to Bedford Heights. We believe companies relocate to Bedford Heights for not only our strategic proximity to major Interstates 480 and 271, but also due to our long-standing financial stability and safety.

Every day I come to work, I am gratified by the trust the residents have placed in me to serve and govern this great community that Melva and I have called home for nearly 45 years.

As I remind everyone that I have had the opportunity to meet and greet, whether they are a resident or business owner, my door is always open; or you can reach me at 440-786-3211. I want to let you know that the economic future looks optimistic for the City of Bedford Heights. I personally look forward to the opportunity for our residents to gather as a community once again at our various events and activities in 2023.

BUILDING DEPARTMENT

The Building Department is in charge of implementing and enforcing the local and state Building and Housing Codes. This department is also responsible for establishing the standards necessary to maintain a safe and sanitary dwelling. They approve all permits, signs, proposals, and construction projects. Because Bedford Heights is a progressive city it is important for the Building Department to be involved in the Planning Commission, Zoning Board and Architectural Board of Review.

To accomplish the goals set by the Building Official, the Building Department conducts citywide inspections of all residential, commercial and industrial properties. The most valuable asset of any city is its dwellings. The Bedford Heights Building Department appreciates the cooperation and support of all its citizens.

Codified Ordinance, Chapter 1333, Section 1333.03

Contractors engaged in Building or Allied trades within the city boundaries, must be registered. This includes:

Carpentry	Refrigeration Air Conditioning
Cement and Asphalt	Roofing
Electrical	Sewer Building
Exterior Painting	Side Applicator
General Building Contractor	Sign Installer
Heating and Air Conditioning	Structural Steel
Landscaping	Swimming Pool
Masonry	Tile Installer
Piping	Water Proofing
Plumbing and Heating	

All contractors and sub-contractors must be registered and bonded before obtaining a permit. After work is completed, please call the Building Department to set up an inspection.

Registration is issued for the calendar year, starting January 1st or any date thereafter during the year and expired December 31st of the same year.

If you would like a current list of all registered contractors, please contact the Building Department.

The Building Department accepts credit card payments in person for any fees collected in the Building Department. These include building permits, contractor registration, point of sale inspections for commercial and residential, occupancy permits, garage sales, apartment inspection fees, Planning, Zoning and Architecture Board of Review fees, etc.

CURBSIDE RECYCLING IN BEDFORD HEIGHTS

Dear Homeowner:

Regarding our curbside recycling program, you may have seen recent media reports about the problems facing recycling these days. These problems include people not recycling correctly or contaminating recyclables with garbage and shrinking markets caused by China's decision to restrict imports of recyclables.

These problems affect us here locally and your cooperation is needed to reduce recycling contamination. This will help keep recycling viable.

Recycling contamination is caused when unacceptable or non-recyclable items are placed into their **Light Green** recycle bin. Some examples include every day garbage, food waste, yard waste, garden hoses, syringes, batteries, plastic bags, scrap metal, shredded paper and even bowling balls to name a few. These items don't belong in your curbside recycling because they are not recyclable, or were not designed to be sorted at the recycling plant. The cost to remove these items from the recycling process and then transfer them to the landfill is expensive and unproductive. Subsequently, this cost is passed on to the community through price increases. **Please recycle properly. Here are the rules:**

RECYCLE THESE 5 ITEMS ONLY IN YOUR **LIGHT GREEN RECYCLE BIN**

1. **FOOD AND BEVERAGE CANS** – empty and rinse.
2. **MILK, JUICE AND BROTH CARTONS** - empty, rinse and replace cap.
3. **GLASS BOTTLES AND JARS** – empty, rinse and replace cap.
4. **PAPER AND BOXES** - include all paper, mail, magazines, newspaper cereal boxes and flattened cardboard. Do not include shredded paper.
5. **PLASTIC BOTTLES AND JUGS** – empty, rinse and replace cap. Disregard the numbers on plastic. Recycle bottles and jugs only. Other plastics are not recyclable at this time.

REMEMBER

- PLACE ITEMS LOOSE, NOT BAGGED IN YOUR LIGHT GREEN BIN.
- RECYCLABLES SHOULD BE FREE FROM FOOD RESIDUE AND EMPTY.
- BOXES SHOULD BE BROKEN DOWN
- VISIT **CUYAHOGARECYCLES.ORG** FOR OTHER RECYCLING AND WASTE REDUCTION OPTIONS.

BEDFORD HEIGHTS CITY MAP

Bedford Heights is a unique community of nearly 11,020 residents located 12 miles southeast of Downtown Cleveland and 11 miles east of Hopkins International Airport. What makes us unique is our direct proximity to Interstates 271 and 480 along with the unusually large number of steel related companies, distribution, manufacturing, and warehousing companies residing in this 4.5 square mile community.

We have ended each year with a balanced budget, a contingency fund for emergencies and a reasonable surplus.

A few of our accomplishments in 2012 are as follows: we replaced the city's 25-year-old telecommunication system with a highly advanced and more reliable voice-over IP system. This system will not only enable us to improve our service to the community, it will also save us money. We upgraded Reed Park (24780 Eldridge Blvd) with a new playground area. We also completed the update of our pools and whirlpool with ADA compliant hydraulic lifts to assist our seniors and disabled in gaining safe and secure access to the water.

We continued our roadway revitalization projects, the largest being the water and sewer line replacement and roadway revitalization of Columbia Drive.
