**Bedford County EMS
2023-2024 Medical Supply Bid**

- Bedford County is seeking competitive bids for a **Price Only Contract for Bedford County EMS**.
- Certain items DO NOT ALLOW SUBSTITUTES and are marked as "BRAND SPECIFIC (NO SUB)".
- Items that are not marked "BRAND SPECIFIC (NO SUB)", may be substituted but must be of equivalent quality to specified brand.
- Any questions shall be directed to EMS Assistant Director Chris Cox at chris.cox@bedfordems.com or 931-684-4403.
- Each supplier submitting a bid must submit their Business Continuity Plan/Disaster Recovery Plan outlining how services and products will be provided to Bedford County in the event of a disaster (i.e. natural disaster, pandemic, etc).
- The price only contract for Bedford County EMS shall provide firm prices for each item listed in this bid for a period of one year to begin July 1, 2023 and end June 30, 2024. Although this contract is for price only and does not financially obligate Bedford County to purchase any minimum amount, the approximate expenditure for medical supplies by Bedford County EMS has been over \$75,000.
- Bidder/supplier to provide at least 90% of the items listed on the worksheet.
- Deliver in a timely manner (within two (2) business days after placing order).
- Pricing shall include all freight and delivery costs.
- Spreadsheet details as follows:
 - Column A = Line number
 - Column B = Item description
 - Column C = Preferred manufacturer
 - Column D = Estimated annual quantity ordered
 - Column E = Unit of Measure
 - For simplicity of comparing bids, unit of measure is per each item (not how item is packaged).
 - Column F = Unit Cost per each item
 - Example: If an item comes packaged in a box of 10, you will price each individual item, not the box.
 - Box of 10 ET tubes cost \$10.00. Unit cost would be \$1.00 per each ET Tube
 - Column G = Extended Cost
 - $\text{Column D (Qty)} \times \text{Column F (Unit Cost)}$
 - Line 285 = Total Bid Response
 - The sum of Column G
- Items may be awarded by line or group award, whichever is in the best interest of Bedford County and meeting all product specifications.
- The awarded vendor/supplier must have a local representative to monitor this account.
- All products provided shall be delivered with an expiration date of not less than 12 months from date of receipt. Expiration dates on applicable items shall be clearly shown on each bottle, vial, or package.
