RESOLUTION No. 24-15

Bedford County Resolution Urging Expedited Completion of the Shelbyville Bypass

WHEREAS, the completion of the new Shelbyville Bypass (State Route 437) from US 41-North/State Route 16 to Highway 231 has significantly contributed to the mobility, economic development, and safety of Bedford County;

WHEREAS, the Shelbyville Bypass was designed to enhance access to industrial developments within Bedford County and provide an alternate route for commercial traffic, thus relieving congestion in downtown Shelbyville; and

WHEREAS, the ongoing expansion and development projects in the vicinity of the Shelbyville Bypass, such as the new Cartwright Elementary School, the TCAT-Shelbyville campus, the Uncle Nearest Premium Whiskey distillery expansion, Tennessee Downs Auto Club track, and Vanderbilt Bedford Hospital, indicate a substantial increase in economic activity and population growth in the 231 Highway North area; and

WHEREAS, projections based on population growth trends indicate a significant increase in student enrollment in Bedford County schools, necessitating the need for adequate transportation infrastructure to support the growing population; and

WHEREAS, the completion of the Shelbyville Bypass expansion from Highway 231 North to Highway 41-A North would further improve traffic flow, enhance connectivity, and accommodate the anticipated increase in vehicular traffic associated with the aforementioned development projects and population growth;

NOW, THEREFORE, BE IT RESOLVED by the Bedford County Board of Commissioners:

- The Tennessee Department of Transportation (TDOT) is hereby urged to expedite the completion
 of the Shelbyville Bypass expansion from Highway 231 North to Highway 41-A North, in order to
 accommodate the growing transportation needs of Bedford County and facilitate continued
 economic development.
- TDOT is further urged to prioritize funding and resources necessary for the timely completion of this critical infrastructure project, recognizing its significance in supporting the current and future growth of Bedford County.

This resolution shall be transmitted to the Tennessee Department of Transportation Commissioner, Butch Eley, as well as relevant state and local officials, to express the urgent need for action on this matter.

BE IT FURTHER RESOLVED, that the Bedford County Board of Commissioners remains committed to working collaboratively with state and local stakeholders to ensure the timely and successful completion of the Shelbyville Bypass expansion for the benefit of all residents and businesses in Bedford County.

9. County Budget Amendment No. 3

Motion to approve by Smith. Seconded by Yockey.

Farrar asked for explanation for the \$224K to local health services and the \$450K to economic and community development. He said after the sale of the hospital there was \$7 or \$8 million in restricted fund balance, but this will bring it down to \$2.5M.

Finance Director Robert Daniel explained that the restricted fund balance consists primarily of traffic fines, which must go to courthouse and jail renovation, and opioid funds. The \$224K is opioid money that has to go to the opioid committee for opioid abatement. The \$450K is a grant from the state for Uncle Nearest. The county is just the flow through for those funds. As to the hospital money, this report shows the assigned fund balance as \$9M - more than \$5M of that is hospital money and the remaining \$4M is held back for outstanding purchase orders.

Motion passed by voice vote.

A copy of the Budget Amendment is on file in the Clerk's office.

SECTION 10. The Notes shall be payable, both principal and interest, in lawful money of the United States of America at a financial institution designated by the Noteholder in the State of Tennessee. Payment of principal of and premium, if any, and interest on the Notes shall be made upon presentation and surrender of such Notes to the Note Registrar at maturity or upon earlier redemption.

The Notes are transferrable only by presentation to the Note Registrar by the registered owner, or his legal representative duly authorized in writing, of the registered Note(s) to be transferred with the form of assignment on the reverse side thereof (or attached thereto) completed in full and signed with the name of the registered owner as it appears upon the face of the Note(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Note(s) in such form and with such documentation, if any, the Note Registrar shall issue a new Note or Notes to the assignee(s) in such authorized denominations, as requested by the registered owner requesting transfer. No charge shall be made to any registered owner for the privilege of transferring any Note, provided that any transfer tax relating to such transaction shall be paid by the owner requesting transfer. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Note Registrar shall be affected by any notice to the contrary, including, but not limited to, any previous transfer request not accompanied by acceptable documentation.

The Notes shall be signed by the County Mayor with his manual or facsimile signature, shall be attested by the County Clerk by his or her manual or facsimile signature, and shall have imprinted or impressed thereon the official seal of the Issuer (or a facsimile thereof).

The Note Registrar is hereby authorized to authenticate and deliver the Notes from time to time to the original purchasers thereof or as it or they may designate upon receipt by the Issuer of the proceeds of the sale thereof, together with any necessary documentation, and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Note(s) to be transferred in proper form with proper documentation as hereinabove described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of an officer thereof on the certificate set forth herein on the Note form.

In case any Note shall become mutilated, or be lost, stolen, or destroyed, the Issuer, in its discretion, shall issue, and the Note Registrar shall authenticate and deliver a new Note of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Note, or in lieu of and substitution for such lost, stolen or destroyed Note, or if any such Note shall have matured or shall be about to mature, instead of issuing a substituted Note the Issuer may pay or authorize payment of such Note without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the Issuer and the Note Registrar of the destruction, theft or loss of such Note, and indemnity satisfactory to the Issuer and the Note Registrar, and the Issuer may charge the applicant for the issue of such new Note an amount sufficient to reimburse the Issuer for the expense incurred by it in the issue thereof.

No charge shall be made to any registered owner for the privilege of transferring any Note, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Note shall be registered shall be deemed and

regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Note Registrar shall be affected by any notice to the contrary whether or not any payments due on the Notes shall be overdue. The Notes, upon surrender to the Note Registrar, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Notes of the same maturity in any authorized denomination or denominations.

SECTION 12. When the Notes hereby authorized are issued, the same shall be the absolute and general obligations of Bedford County, Tennessee, to the payment of which the full faith, credit and resources of Bedford County, Tennessee, are hereby irrevocably pledged, and in order to provide for the payment of the Notes and the interest thereon, there shall be and there is hereby directed to be levied and collected, at the same time and in the same manner as other taxes of Bedford County, Tennessee, are levied and collected, a direct, continuing annual tax upon all taxable property within the boundaries of Bedford County, Tennessee, in such amount as may be

found necessary each year to provide for the payment of the principal of the Notes and the interest thereon, as the same mature and become due.

It shall be the duty of the tax-levying and collecting authorities of Bedford County, Tennessee, in each year while any of the Notes issued hereunder shall remain outstanding and unpaid, without any further direction or authority to levy and collect the taxes herein provided for, and the rate of taxation to be levied in each year shall be sufficient, after making allowance for delinquencies in the payment of taxes and the cost of collection, to provide the sums required in each year for the payment of the principal and the interest on the Notes. Should there be a failure in any year to comply with the requirements of this Section, such failure shall not impair the right of the holders of any of the Notes in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Notes herein authorized to be issued, both as to principal and interest. Principal and interest falling due at any time when there are insufficient funds on hand shall be paid from the current funds of the Issuer and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of direct appropriations from the general funds of the Issuer to the payment of debt service on the Notes.

SECTION 13. Remedies of Noteholders. Except as herein expressly limited, the registered owners of the Notes shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Tennessee and of the United States of America for the enforcement of payment of such Notes and the interest thereon and of the pledge of the revenues made hereunder and of the covenants of the Issuer hereunder, including all the benefits and rights granted by Sections 9-21-101 et seq. of the Tennessee Code Annotated.

SECTION 14. From the proceeds of the sale of the Notes, accrued interest (if any) shall be deposited to the Note Fund of the Issuer and used to pay interest on the Notes at the next interest payment date.

From the remaining proceeds, all costs of issuance and sale of the Notes, including necessary legal, accounting, fiscal, printing, and similar expenses shall be paid or provided for.

The balance of the proceeds from the sale of the Notes shall be deposited with the County Trustee and shall be kept separate and apart from all other funds of the Issuer in a special fund hereby designated as the "Bedford County, Tennessee, 2024 Capital Projects Fund," (the "Capital Projects Fund") which shall be applied exclusively to pay (i) capital expenditures in connection with the Project; and (ii) legal, fiscal, and administrative costs incident to the foregoing; and it shall be used for no other purposes. Any Note funds not put to immediate use shall be deposited at interest by the County Trustee until needed. The interest arising therefrom shall be used only towards retiring the Notes or may be added to Note proceeds and used for the same purposes. Money in the Capital Projects Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in the Capital Projects Fund.

SECTION 15. The Issuer recognizes that the purchasers and holders of the Notes will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is exempt from federal income taxation under laws in force on the date of delivery of the Notes. In this connection, the Issuer agrees that it shall take no action which may render the interest on any of said Notes subject to federal income taxation and agrees to take all action as may be necessary to comply with the provisions of the Code and regulations thereunder in order to maintain or assure

the tax-exempt status of the Notes. It is the reasonable expectation of the Governing Body of the Issuer that the proceeds of the Notes will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code, including any lawful regulations promulgated or proposed thereunder (or under corresponding provisions of prior law, if applicable), and to this end the said proceeds of the Notes and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The County Mayor, County Clerk and County Trustee or any of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Notes as they shall deem appropriate, and such certifications shall constitute representations and certifications of the Issuer.

SECTION 16. If applicable, the Issuer authorizes the County Mayor to designate the Notes as "qualified tax-exempt obligations" for purposes of Section 265(b) (3) (B) of the Code and, if applicable, to covenant that the Notes do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, private activity bonds as defined in Section 141 of the Code and further excluding bonds issued to refund, other than to advance refund, other bonds to the extent the amount of the refunding bonds do not exceed the outstanding amount of the refunded bonds), including the Notes, have been or are reasonably expected to be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2024 (or the calendar year of issuance, if different).

SECTION 17. If the Issuer shall pay and discharge the indebtedness evidenced by any of the Notes in any one or more of the following ways, to wit:

- (a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the County Trustee, to pay the principal of and interest on such Notes as and when the same become due and payable;
- (b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers (as "Agent"), in trust, on or before the date of maturity or redemption, sufficient money or Obligations of the United States of America, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Notes and to pay premium, if any, and interest thereon when due until the maturity or redemption date (provided, if such Notes are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice) and if the Issuer shall, also pay or cause to be paid all other sums payable hereunder by the Issuer with respect to such Notes, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Noteholders for the payment of principal of and interest and redemption premiums, if any, on such Notes when due; or
- (c) By delivering such Notes to the Note Registrar, for cancellation by it; then and in that case the indebtedness evidenced by such Notes shall be discharged and satisfied and all covenants, agreements and obligations of the Issuer to the owners of such cease, terminate and become void.

If the Issuer shall pay and discharge the indebtedness evidenced by any of the Notes in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Obligations of the United States of America deposited as aforesaid.

Except as otherwise provided in this Section 17, neither the Obligations of the United States of America nor moneys deposited with the County Trustee or Agent pursuant to this Section nor principal or interest payments on any such Obligations of the United States of America shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Notes; provided, that any cash received from such principal or interest payments on such Obligations of the United States of America deposited with the County Trustee or Agent, (A) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal and premiums, if any, and interest to become due on said Notes on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the County Trustee or Agent.

SECTION 18. This Resolution also establishes the official intent of the Issuer to finance costs of the Project by the issuance of the Notes and to reimburse the Issuer for capital expenditures made by the Issuer with respect to the Project from other sources prior to the issuance of the Notes, including any such expenditures made up to sixty (60) days prior to the adoption of this Resolution.

SECTION 19. The provisions of this Resolution shall constitute a contract between the Issuer and the registered owners of the Notes, and after the issuance of the Notes, no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any manner until such time as the Notes and interest due thereon shall have been paid in full except such changes as shall be required to assure the validity and/or tax exempt status of the Notes.

SECTION 20. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall remain in

full force and effect, it being expressly hereby found and declared that the remainder of the Resolution would have been adopted by this Governing Body despite the invalidity of such section, paragraph, clause or provision.

SECTION 21. All orders or resolutions in conflict herewith be and the same are hereby repealed insofar as such conflict exists.

SECTION 22. This resolution shall take effect from and after its approval, the general welfare of Bedford County requiring it.
