

There was a public hearing held prior to the Commission meeting to allow members of the public to speak on the ADA Facilities Self-Evaluation Transition Plan. Chairman Graham asked if anyone would like to speak. No one responded. The public hearing was closed.

Be it remembered that the Bedford County Commissioners, acting as the County Legislative Body met in a regular session in the Bedford County Courthouse in Shelbyville, Tennessee on Tuesday, January 14, 2020 at 7:00 PM. Chairman Chad Graham called the meeting to order. Graham asked for a moment of silence in honor of BCEMS Captain Chris Wrenn who recently passed away. Prayer was led by Commissioner Thomas. Graham led the Pledge of Allegiance and Sheriff Austin Swing opened the meeting. County Clerk Donna Thomas called the roll.

**Resolution 20-16**

**Referred by the Rules and Legislative Committee.**

**A resolution regarding the ADA Transition Plan that is required by TDOT to be filed in order to continue to receive federal funding.**

**Sponsor: Chad Graham**

Motion to approve by Anderson. Second by Vick. Passed by voice vote.

**RESOLUTION No. 20-16**

**ADOPTION OF THE ADA TRANSITION PLAN**

**FOR BEDFORD COUNTY, TENNESSEE**

WHEREAS, the Federal Government enacted the Americans with Disabilities Act of 1990 (ADA) to prevent discrimination of the physically and mentally disabled relating to employment and access to public facilities; and

WHEREAS, the governing authority of Bedford County, in compliance with Title II of the Americans with Disabilities Act (ADA) is required to address the subject of ensuring that Bedford County services and facilities are accessible to those with disabilities; and,

WHEREAS, the governing authority of Bedford County now desires to adopt the "ADA facilities Self-Evaluation and Transition Plan" attached hereto as Exhibit "A" and including any attachments thereto, said exhibit being by reference fully included in this resolution as if specifically set out herein;

NOW THEREFORE, BE IT RESOLVED that the said ADA Facilities Self-Evaluation and Transition Plan is hereby adopted by the Board of County Commissioners of Bedford County, Tennessee.

ADOPTED this 14 th day of January, 2020

Chad D. Graham,  
County Mayor  
Board of County Commissioners  
Bedford County, Tennessee

(SEAL)

ATTEST:

Donna Thomas, County Clerk  
Bedford County, Tennessee

**QUARTERLY REPORTS Q2 FY 2019/20**

- 1. Clerk & Master – Absent**
- 2. County Clerk – Donna Thomas** pointed out that the Clerk transactions are up 5% YTD and revenue for Bedford is up 25% YTD, largely due to the implementation of the archives fee. She also said that the Clerk's office is now offering passport photos.
- 3. Circuit Court/Driving School Director – Absent**
- 4. Property Assessor – Ronda Clanton** said that her office has sent out over 1800 personal property tax schedules which should be coming in between now and March 1. To date from the 2016 re-appraisal, we have picked up almost 900 new homes. There have been 500 transfers in the second quarter, which is the same as 2017 and 2018. Properties are still selling at high values. There will be a new ratio study in 2020 and we will probably go down some, resulting in less money on personal property and public utilities. However, our growth should compensate for the downturn. We are starting a new program called Field Mobile which enables us to have our maps out in the field. This will increase accuracy of information. There are still appeals in process, but they are being cleared up. Clanton said that she may need to fund more hours for her part-time person at the end of the year due to the re-appraisal. She said they got the 3-Star Certification from the State and she commended her team for their hard work.
- 5. Director of Schools – Don Embry** said that the current school enrollment is 8,720, which is up 80 students from this time last year. The first phase of the Learning Way project has been completed and they have occupied the first 4 classrooms. The second phase of 4 additional classrooms has been started. Embry handed out the Board of Education's 5-Year Strategic Plan and pointed out the four main goals. He also handed out the most recent Bedford County Schools Newsletter. They are trying to improve

**QUARTERLY REPORTS Q2 FY 2019/20 (continued)**

communications through the newsletter as well as social media. Sweeney asked about out-of-county students attending our schools. Embry said they shouldn't be. Only children of employees can attend. Sweeney said there seems to be a lot of Coffee County tags in line at Cascade. Embry said it could be a situation of joint custody where one parent lives in a different county. Vick noted the graduation rate of 90%, the decreased rate of absenteeism, and the increased emphasis on secondary education. Brent Smith asked about the growth of the schools in the past 5 years. Embry said for a few years we averaged more than 100, but the past couple of years it has been 70-80. He said it is hard to project growth due to not knowing the size of an upcoming Kindergarten class. Smith asked how illegal immigration has impacted the schools. Embry said he doesn't know which students are legal/illegal. Smith asked if we have enough English translators. Embry said there is a shortage across Tennessee, not only for teachers of English as a second language, but also in many other subjects. Farrar asked Embry to commend the FFA sponsors and teachers.

6. **Trustee** – Absent. Report submitted.
7. **Highway Superintendent** – Mark Clanton went over his printed report. He said his department will be trying a new technique of painting road names on intersecting roads. He said there are over 680 missing road signs in Bedford County, which presents a problem for emergency services as well as other drivers. He said that he has received confirmation the FEMA disaster costs of \$476,875 will be reimbursed at 80%. Landfill bids have been received and will be awarded soon. Epperson asked how it is decided which roads get repaired first. Clanton said he rates roads on a scale of 1-5 and tries to address the worst roads first. He is currently working on developing a 10-year plan. Sweeney commended Clanton and his department for their help with the new judicial center. Due to the highway department coordinating paving rates, they were able to save the county a lot of money.
8. **Election Registrar** – Summer Leverette covered her written report. She noted that the March Presidential Preference Primary and the County primary will be March 3. Early voting will be February 12-25. The County General Election, Bell Buckle Municipal Election and State Primary will be held August 6. The qualifying dates are February 3 through April 2. There will be some school board seats, road board, and some Bell Buckle alderman seats up for election.
9. **Register of Deeds** – Absent. Report submitted.

**REPORTS BY STANDING COMMITTEES**

**Rules and Legislative Committee**

**1. Committee and Chairman Nominations for 2020**

Farrar said there was no request for changes and made a motion they stay the same. Second by Vick. Passed by voice vote.

**2. Approval of Current Road Listing**

Motion to approve by Thomas. Second by Epperson. Passed by voice vote.

*A copy of the road list is on file at the County Clerk's office.*

**3. Approval of Planning and Zoning Fee Structure (Commissioner Greg Vick)**

Vick made a motion to approve. Second by Tony Smith. Anderson said raising fees is the same as raising taxes. Farris and Epperson said they had received feedback from local builders and realtors opposing the increase. Sweeney said that the fees are to cover the costs of repeat inspections and to deter builders who abuse the system. He noted that the first 2 inspections will still be free. Vick noted that the fee structure has not been changed since 1998. The Planning Commission performed a study of other counties to see how Bedford compares. The inspection fee is only increasing by \$10. He also said this will deter contractors who take advantage. He estimated that the increase cost on a new house would be \$70. Brent Smith said there have been some substantial changes: zoning overlay, codes, increased taxes and all these changes add up. He recommended tabling this. Motion passed by voice vote. Upon a show of hands, there were 4 No votes: Farris, Epperson, Anderson, B. Smith.

4. Approval of Planning and Zoning Fee Structure (continued)

**BEDFORD COUNTY**  
**PLANNING & ZONING OFFICE**  
 200 DOVER STREET, SUITE 101  
 SHELBYVILLE, TN 37160  
 OFFICE 931.685.1336 FAX 931.685.1337
