Swimming Pool Final Inspection Deposit Agreement

Permit Number: _____

Receipt Number: _____

This agreement must be signed prior to the issuance of a pool permit. It is the responsibility of those signing the agreement to request all inspections when the conditions are complete or when previous conditions resulting in an inspection failure have been corrected. There will be a deposit of One Hundred (\$100.00) Dollars required prior to the issuance of a pool permit. The required deposit of One Hundred (\$100.00) Dollars will be refunded if a final inspection is requested and passed within one hundred eighty (180) days of the date the permit is obtained. In the event that the conditions are not corrected/completed within the time specified, or if the pool is used without approval, the deposit will not be refunded. Forfeiture of the deposit does not constitute authority to violate or to set aside any provisions of the adopted building codes or the rules established in Tennessee Code Annotated. The permit holder may be cited to Bedford County General Sessions Court for failure to comply with these provisions.

It is the responsibility of those signing the agreement to request an inspection when conditions are corrected or completed within the time specified. A final inspection is still required.
