b. Juvenile Facility	6,049,550
c. Surplus Facility	600,000
d. Public Safety Training Range	154,000
e. NCRS Office Expansion at Ag Ctr	25,000

Vick made a motion to approve. Seconded by Yockey.

Farrar voiced his concern that the Rules of the Commission are not being followed, specifically Rule VI, Section F which requires that standing committees investigate, study, and present recommendations to the Board of Commissioners. He said that the Liberty School wing should be voted on tonight, but the other items should be deferred and sent back to the appropriate committees for discussion. He said the Securus contract should also be sent back to the Law Enforcement Committee, even though it is a grant. He said the highway department reports to the Rules and Legislative Committee and the Resolution 24-17 Litter and Trash Collecting Grant should have been placed on the agenda by that committee and not the Finance Committee. He said it should be the same for the Right-of-Way and Road Cut Permits.

Farrar asked to amend the motion to say that the Liberty School wing would be voted on immediately, but all of the remaining agenda items be deferred and go back to the appropriate standing committees. Seconded by Anderson. Vick did not accept the amendment.

The motion to amend failed on roll call vote. 9 Ayes 9 Noes

Sanders said she is Chair of the Courthouse and Property Committee and many commissioners do not attend that committee's meetings. There was a special subcommittee formed several years ago to study the juvenile detention situation. The construction cost has continued to rise because of inflation. The size of the proposed facility has been cut down. There was a thorough study that showed that it would be more costly to send the juveniles to other counties' facilities. She said as Bedford County grows we must be pro-active and take care of our juveniles.

Anderson stated that he didn't understand not being able to discuss an amendment before voting on it. He said there should be discussion first, then a motion and second. Graham pointed out that Roberts' Rules of Order states there must be a motion, second, and then discussion.

Hooker said the discussion should have been in committee. He said he obtained data from the juvenile detention department that says that since 2021, the number of Bedford County juveniles being housed has dropped 46%. He said that Rutherford County accepts juveniles from other counties, and that they have a 64-bed facility and average about 13 juveniles, so they would have plenty of open beds for Bedford County juveniles. He said the cost is being inflated. He said the study was done on the assumption that we would house 200 juveniles per year with an estimated bed night of 1600. The actual numbers for the past two years show 80 average juveniles and 500 average nights.

Hooker said he is in support of the gun range, however it should not be built so near the hospital where people are trying to rest and recuperate. He said the residents of Frank Martin Road should be asked also.

Hooker said the last bid we got on the surplus building was \$287,000. Now the price is \$600,000. He said that has not been discussed in the Courthouse and Property Committee. He said the resolution should be voted down and then come back with a motion for the Liberty School wing and send the rest back to committee.

Epperson noted that there are 690 kids at Liberty School and they are only getting \$3M, while the juveniles are getting \$6M for only a few kids. She said she is not against the other projects, especially the NCRS expansion, but that she would like to see the projects voted on separately.

Maddox said that none of the projects, aside from Liberty School, were approved by the proper committees. He said this is taxpayer money and the projects need to be separated out. He said the current juvenile facility serves its purpose. He said that Rutherford County is taking juveniles from other counties. He said there has been conflicting data. He wondered why juvenile facility and surplus building costs have jumped. He said only one bid has been received and that was for Liberty School.

Smith expressed his support of the NCRS expansion and stated how important our Soil Conservation District is.

Yockey asked for confirmation from the county attorney as to whether the Financial Management Committee is a standing committee. Attorney John T. Bobo stated yes.

Neeley said that she supports the Liberty School wing, but does not like the process of bundling and is concerned about the difference in cost estimates. She said a handout from the Financial Management Committee shows the Liberty wing cost as \$4.9M, but this resolution has it at \$3.3M. She said that is too much difference in the numbers. She said there is a committee structure for a reason and items should be discussed there and then move on to the Financial Management Committee if necessary. She said she is not saying she would not support the other projects, but she has issue with the numbers changing, and that the rules should be followed. She encouraged the commission to vote the resolution down, vote on the Liberty wing by itself, and send the other projects back to the appropriate committees.

Adam Thomas asked to amend the motion to vote on each project individually. Seconded by Hooker. Vick did not accept the amendment.

The motion to amend failed by roll call vote. 9 Ayes 9 Noes

Voting Yea: Anderson, Boutwell, Epperson, Farrar, Hooker, Maddox, Neeley, Adam Thomas, Thompson

Voting Nay: Boyette, Brothers, Johnson, Pinson, Sanders, Smith, Mark Thomas, Vick, Yockey

Mark Thomas said the firing range was in the original plans for the sheriff's department but was taken out along with several other things. He said it will be an engineered facility with sound barriers and proper bullet-catching mechanisms in place. He said the current range has been leased to someone else and the sheriff's department does not always have access to it. He said the current juvenile facility is in bad shape and as the county grows the problem will grow. He asked how it would affect us financially if the entire resolution was deferred for 30 days.

John Werner with Cumberland Securities was invited to answer questions. He said that the RFP is only good for a June 5 closing. It is highly unlikely that the rates will be honored if no action is taken tonight. The process would have to start all over. Finance Director Robert Daniel said Regions Bank quoted 4.32% with a call option of 2 years so that it could be paid off early without penalty. Graham asked how that would be affected if only the Liberty wing project passed. Werner said we would have to go back and ask if the rate would be honored on a lesser amount. Also, the other bidders would have to be given an option to bid. Daniel said there is a contract pending for Liberty School and Thomas School because they were bid together, and it can't be signed until the funding for Liberty is available. If the contract is delayed the contractor may be affected and it could cause it to have to be rebid.

Hooker said he has spoken with School Superintendent Tammy Garrett and asked if the juvenile detention numbers have a negative impact on testing numbers and Dr. Garrett said yes. He said that she said special education students must be enrolled on day one in order for the school system to get funding for them, so it costs the school system to educate out-of-county kids. If they leave the facility and go back to their own county and do not enroll, they stay on the books in Bedford and count toward test scores. Hooker made a motion to amend the original motion to defer items B, C, and D and vote on items A and E tonight. Seconded by Epperson. Attorney Bobo said this amendment would be substantially the same as a previous amendment and is not valid.

Vick said Bedford County has been making progress and needs to continue to move forward. He said these items have been to committee and been vetted. He said it needs to be voted on tonight so we can move on.

Smith called the question.

Maddox objected and said debate should continue. Graham said it would take 10 votes for discussion to continue and asked for a show of hands of all in favor of continuing discussion. There were 6 hands raised in favor.

Maddox called a point of order and voiced his disagreement of the attorney's opinion regarding the validity of Hooker's amendment. Graham said it could be overturned by 10 votes. He asked for a show of hands of all in favor of overturning the parliamentarian's ruling. There was 1 hand raised in favor.

SECTION 5. The Mayor is hereby authorized and directed to provide appropriate financial information to the proposed note purchasers, provided, however, that no official statement shall be required in connection with the sale of the Notes to one or more banks or financial institutions that execute appropriate investment letters in connection with such purchase.

SECTION 7. Subject to the adjustments permitted pursuant to Section 6, the Notes shall be designated "General Obligation Capital Outlay Notes, Series 2024," shall be dated as of their date of issuance, shall be numbered from 1 upward and shall be of any denomination, including but not limited to a single note with principal retirement provisions or notes which mature in accordance with the following principal retirement schedule or as otherwise determined by the Mayor:

5

<u>Fiscal Year Ending</u>	<u>Principal Amount</u>

The Notes shall not be subject to option of prior redemption, provided that the Mayor may make changes in the maturity date and optional redemption provisions as he deems advantageous to the Issuer.

The weighted average maturity of the Notes shall not exceed the reasonably expected weighted average life of the Project which is hereby determined to be twenty (20) years.

SECTION 9. The County Clerk shall be the initial note registrar (the "Note Registrar") with respect to the Notes and shall maintain Note registration records with respect to the Notes, to authenticate and deliver the Notes as provided herein, either at original issuance or upon transfer, to effect transfers of the Notes, and to cancel and destroy Notes which have been paid at maturity or upon earlier redemption or submitted for exchange, transfer or cancellation and to furnish the Issuer with a certificate of destruction. The Note Registrar shall maintain registration books for the registration and registration of transfer of the Notes, which books shall be kept in a manner that complies with the requirements of Section 149 of the Internal Revenue Code of 1986, as

6

amended, and Regulations thereunder (or under corresponding provisions of prior law, if applicable) for recordkeeping relating to "registration-required bonds" and in accordance with the Tennessee Public Obligations Registration Act (T.C.A. §9-19-101 et seq., as amended).

SECTION 10. The Notes shall be payable, both principal and interest, in lawful money of the United States of America at a financial institution designated by the Noteholder in the State of Tennessee. Payment of principal of and premium, if any, and interest on the Notes shall be made upon presentation and surrender of such Notes to the Note Registrar at maturity or upon earlier redemption.

The Notes are transferrable only by presentation to the Note Registrar by the registered owner, or his legal representative duly authorized in writing, of the registered Note(s) to be transferred with the form of assignment on the reverse side thereof (or attached thereto) completed in full and signed with the name of the registered owner as it appears upon the face of the Note(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Note(s) in such form and with such documentation, if any, the Note Registrar shall issue a new Note or Notes to the assignee(s) in such authorized denominations, as requested by the registered owner requesting transfer. No charge shall be made to any registered owner for the privilege of transferring any Note, provided that any transfer tax relating to such transaction shall be paid by the owner requesting transfer. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Note Registrar shall be affected by any notice to the contrary, including, but not limited to, any previous transfer request not accompanied by acceptable documentation.

The Notes shall be signed by the County Mayor with his manual or facsimile signature, shall be attested by the County Clerk by his or her manual or facsimile signature, and shall have imprinted or impressed thereon the official seal of the Issuer (or a facsimile thereof).

The Note Registrar is hereby authorized to authenticate and deliver the Notes from time to time to the original purchasers thereof or as it or they may designate upon receipt by the Issuer of the proceeds of the sale thereof, together with any necessary documentation, and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Note(s) to be transferred in proper form with proper documentation as hereinabove described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of an officer thereof on the certificate set forth herein on the Note form.

In case any Note shall become mutilated, or be lost, stolen, or destroyed, the Issuer, in its discretion, shall issue, and the Note Registrar shall authenticate and deliver a new Note of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Note, or in lieu of and substitution for such lost, stolen or destroyed Note, or if any such Note shall have matured or shall be about to mature, instead of issuing a substituted Note the Issuer may pay or authorize payment of such Note without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the Issuer and the Note Registrar of the destruction, theft or loss of such Note, and indemnity satisfactory to the Issuer and the Note Registrar, and the Issuer may charge the applicant for the issue of such new Note an amount sufficient to reimburse the Issuer for the expense incurred by it in the issue thereof.

No charge shall be made to any registered owner for the privilege of transferring any Note, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Note shall be registered shall be deemed and

8

regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Note Registrar shall be affected by any notice to the contrary whether or not any payments due on the Notes shall be overdue. The Notes, upon surrender to the Note Registrar, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Notes of the same maturity in any authorized denomination or denominations.

SECTION 12. When the Notes hereby authorized are issued, the same shall be the absolute
and general obligations of Bedford County, Tennessee, to the payment of which the full faith,
credit and resources of Bedford County, Tennessee, are hereby irrevocably pledged, and in order
to provide for the payment of the Notes and the interest thereon, there shall be and there is hereby
directed to be levied and collected, at the same time and in the same manner as other taxes of
Bedford County, Tennessee, are levied and collected, a direct, continuing annual tax upon all

found necessary each year to provide for the payment of the principal of the Notes and the interest thereon, as the same mature and become due.

It shall be the duty of the tax-levying and collecting authorities of Bedford County, Tennessee, in each year while any of the Notes issued hereunder shall remain outstanding and unpaid, without any further direction or authority to levy and collect the taxes herein provided for, and the rate of taxation to be levied in each year shall be sufficient, after making allowance for delinquencies in the payment of taxes and the cost of collection, to provide the sums required in each year for the payment of the principal and the interest on the Notes. Should there be a failure in any year to comply with the requirements of this Section, such failure shall not impair the right of the holders of any of the Notes in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Notes herein authorized to be issued, both as to principal and interest. Principal and interest falling due at any time when there are insufficient funds on hand shall be paid from the current funds of the Issuer and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of direct appropriations from the general funds of the Issuer to the payment of debt service on the Notes.

SECTION 13. Remedies of Noteholders. Except as herein expressly limited, the registered owners of the Notes shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Tennessee and of the United States of America for the enforcement of payment of such Notes and the interest thereon and of the pledge of the revenues made hereunder and of the covenants of the Issuer hereunder, including all the benefits and rights granted by Sections 9-21-101 et seq. of the Tennessee Code Annotated.

15

SECTION 14. From the proceeds of the sale of the Notes, accrued interest (if any) shall be deposited to the Note Fund of the Issuer and used to pay interest on the Notes at the next interest payment date.

From the remaining proceeds, all costs of issuance and sale of the Notes, including necessary legal, accounting, fiscal, printing, and similar expenses shall be paid or provided for.

The balance of the proceeds from the sale of the Notes shall be deposited with the County Trustee and shall be kept separate and apart from all other funds of the Issuer in a special fund hereby designated as the "Bedford County, Tennessee, 2024 Capital Projects Fund," (the "Capital Projects Fund") which shall be applied exclusively to pay (i) capital expenditures in connection with the Project; and (ii) legal, fiscal, and administrative costs incident to the foregoing; and it shall be used for no other purposes. Any Note funds not put to immediate use shall be deposited at interest by the County Trustee until needed. The interest arising therefrom shall be used only towards retiring the Notes or may be added to Note proceeds and used for the same purposes. Money in the Capital Projects Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in the Capital Projects Fund.

SECTION 15. The Issuer recognizes that the purchasers and holders of the Notes will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is exempt from federal income taxation under laws in force on the date of delivery of the Notes. In this connection, the Issuer agrees that it shall take no action which may render the interest on any of said Notes subject to federal income taxation and agrees to take all action as may be necessary to comply with the provisions of the Code and regulations thereunder in order to maintain or assure

16

the tax-exempt status of the Notes. It is the reasonable expectation of the Governing Body of the Issuer that the proceeds of the Notes will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code, including any lawful regulations promulgated or proposed thereunder (or under corresponding provisions of prior law, if applicable), and to this end the said proceeds of the Notes and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The County Mayor, County Clerk and County Trustee or any of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Notes as they shall deem appropriate, and such certifications shall constitute representations and certifications of the Issuer.

SECTION 16. If applicable, the Issuer authorizes the County Mayor to designate the Notes as "qualified tax-exempt obligations" for purposes of Section 265(b) (3) (B) of the Code and, if applicable, to covenant that the Notes do not constitute private activity bonds as defined in Section 141 of the Code, and that not more than \$10,000,000 aggregate principal of obligations the interest on which is excludable (under Section 103(a) of the Code) from gross income for federal income taxes (excluding, however, private activity bonds as defined in Section 141 of the Code and further excluding bonds issued to refund, other than to advance refund, other bonds to the extent the amount of the refunding bonds do not exceed the outstanding amount of the refunded bonds), including the Notes, have been or are reasonably expected to be issued by the Issuer, including all subordinate entities of the Issuer, during the calendar year 2024 (or the calendar year of issuance, if different).

SECTION 17. If the Issuer shall pay and discharge the indebtedness evidenced by any of the Notes in any one or more of the following ways, to wit:

17

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the County Trustee, to pay the principal of and interest on such Notes as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers (as "Agent"), in trust, on or before the date of maturity or redemption, sufficient money or Obligations of the United States of America, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Notes and to pay premium, if any, and interest thereon when due until the maturity or redemption date (provided, if such Notes are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice) and if the Issuer shall, also pay or cause to be paid all other sums payable hereunder by the Issuer with respect to such Notes, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Noteholders for the payment of principal of and interest and redemption premiums, if any, on such Notes when due; or

(c) By delivering such Notes to the Note Registrar, for cancellation by it; then and in that case the indebtedness evidenced by such Notes shall be discharged and satisfied and all covenants, agreements and obligations of the Issuer to the owners of such cease, terminate and become void.

If the Issuer shall pay and discharge the indebtedness evidenced by any of the Notes in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Obligations of the United States of America deposited as aforesaid.

18

Except as otherwise provided in this Section 17, neither the Obligations of the United States of America nor moneys deposited with the County Trustee or Agent pursuant to this Section nor principal or interest payments on any such Obligations of the United States of America shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Notes; provided, that any cash received from such principal or interest payments on such Obligations of the United States of America deposited with the County Trustee or Agent, (A) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal and premiums, if any, and interest to become due on said Notes on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the County Trustee or Agent.

SECTION 18. This Resolution also establishes the official intent of the Issuer to finance costs of the Project by the issuance of the Notes and to reimburse the Issuer for capital expenditures made by the Issuer with respect to the Project from other sources prior to the issuance of the Notes, including any such expenditures made up to sixty (60) days prior to the adoption of this Resolution.

SECTION 19. The provisions of this Resolution shall constitute a contract between the Issuer and the registered owners of the Notes, and after the issuance of the Notes, no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any manner until such time as the Notes and interest due thereon shall have been paid in full except such changes as shall be required to assure the validity and/or tax exempt status of the Notes.

SECTION 20. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall remain in

19

full force and effect, it being expressly hereby found and declared that the remainder of the Resolution would have been adopted by this Governing Body despite the invalidity of such section, paragraph, clause or provision.

SECTION 21. All orders or resolutions in conflict herewith be and the same are hereby repealed insofar as such conflict exists.

SECTION 22. This resolution shall take effect from and after its approval, the general welfare of Bedford County requiring it.

Passed and approved May 14, 2024.

7. Surplus Property - BOE

Motion made by Mark Thomas. Seconded by Pinson. Epperson said that the column on the surplus form which indicates operable/inoperable is not filled in and asked if that is usually filled in. Graham said the school board approves their surplus and sends it to the commission. Robert Daniel was invited to answer and said that the column is usually not used. Epperson said it should be indicated whether the items are operable or not. Graham said he will pass that on to the school superintendent. Motion passed by voice vote.
