Cannabis Tax

(Bellflower Municipal Code, Chapter 3.37)

3.37.140 Interest and Penalty.

- A. Taxes collected from a person, or owed by a person which are not received by the administrator on or before the due dates provided in this chapter are delinquent and are subject to penalties and interest. Should the due date occur on a weekend or legal holiday, the return must be received by the administrator on the first regular working day following a Saturday/Sunday or legal holiday. A direct deposit, including electronic fund transfers and other similar methods of electronically exchanging monies between financial accounts, made by a person in satisfaction of its obligations under this subsection is considered timely if the transfer is initiated on or before the due date, and the transfer settles into the City's account on or before the following business day.
- B. If the person required to remit the tax fails to remit the tax, the administrator will attach a penalty for such delinquencies or deficiencies at the rate of five percent (5%) of the total tax that is delinquent or deficient in the remittance, and if not remitted within two (2) working days after the date of the delinquency, will pay a total penalty of twenty percent (20%) of the amount of tax owed.
- C. In addition to all other authorizations under this section, the administrator may impose a maximum civil penalty of five thousand dollars (\$5,000.00) per day upon an unlicensed cannabis facility that fails to remit any tax required by this chapter.
- D. The administrator has the power to impose additional penalties upon persons required to remit taxes under the provisions of this chapter for fraud or gross negligence in reporting or remitting at the rate of fifty percent (50%) of the amount of the tax required to be remitted, or as recomputed by the administrator.
- E. In addition to any other penalties imposed by this chapter, any person required to remit any tax imposed by the provisions of this chapter who fails to remit the tax must pay interest at the rate of three-quarters of one percent (0.75%) per month, or any fraction thereof, on the amount of the tax, exclusive of penalties, from the date on which the remittance first became delinquent, until paid.
- F. No penalty or interest will be applied if delinquencies are the result of natural disasters or other phenomena beyond the control of the person charged with remitting the tax, provided the person being delinquent notifies the administrator as soon as normal communications permit. (Ord. 1332 § 1, 12/12/16; Ord. 1338 § 3, 5/22/17)
