Exhibit A Pre-Qualification Questionnaire
Exhibit B Release Form for Master Project List and Owner Project List with Contact Information
The City of Bellflower is considering issuing a Request for Proposals (RFP) regarding a potential residential development in its downtown area. Before deciding whether to issue an RFP, however, the City seeks to narrow the group of respondents to those who may be qualified to submit a proposal to complete such an anticipated project. This Request for Qualifications (RFQ), therefore, is being issued in advance of any RFP to ensure that only qualified Development Teams respond to any future RFP. Only Development Teams that respond to this RFQ and are determined by the City to be qualified will receive an RFP, if any.

The last date to submit a fully completed RFQ Submittal is July 20, 2023.

Answers to questions contained in the RFQ including the attached questionnaire (Exhibit A), such as information about current bonding capacity, notarized statement from surety, and the most recent reviewed or audited financial statements, with accompanying notes and supplemental information, are required. The City will use these documents as a partial basis of rating Teams in respect to the size and scope of contracts upon which each Team is qualified to bid for the City. The City reserves the right to check other sources available. The City’s decision will be based on objective evaluation of criteria.

Any Request for Information (RFI) regarding this RFQ is due in writing by 3:00 p.m. on or before June 28, 2023. RFIs submitted through the mail should be addressed as follows:

Jim DellaLonga, Director of Economic Development  
City of Bellflower, Economic Development Department  
16600 Civic Center Drive  
Bellflower, CA  90706

RFIs submitted via e-mail should be addressed to Jim DellaLonga and e-mailed to jdellalonga@bellflower.org. Subject line should indicate RFI – RFQ for Downtown Residential Development.

Any responses to RFIs will be released by 3:00 p.m. on or before July 10, 2023. Responses will be posted on the City’s website.

The City may ask for any additional information regarding the responses provided, and will use this information, along with any other relevant information, to evaluate whether or not the Development Team is responsible to perform the proposed work.

The RFQ Submittals, consisting of the questionnaire answers, statement of qualifications and financial statements, submitted by the Development Team are public records and are open to public inspection. Unless otherwise provided by applicable law (e.g., for financial information labeled “confidential”), all information may be disclosed in accordance with the California Public Records Act.

Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Development
Team on whose behalf that person is signing. If any information provided by a Development Team becomes inaccurate, the Development Team must immediately notify the City and provide updated accurate information in writing, under penalty of perjury.

The City may waive any irregularity or omission in the information contained in the pre-qualification application submitted; will make all final determinations; and may reject the RFQ format for any potential future project.

Development Teams may submit RFQ Submittals before the posted due date during regular working hours on any day that the offices of the City are open.

The City may refuse to grant pre-qualification where the requested information and materials are not provided, or not provided by the filing deadline. There is no appeal from a refusal for an incomplete or late application.
SECTION I

PURPOSE OF REQUEST FOR QUALIFICATIONS AND GENERAL TERMS AND CONDITIONS

1.0 Purpose for Request for Qualifications

The purpose of this Request for Qualifications (RFQ) is to solicit a Statement of Qualifications (SOQs) from qualified Development Teams (Teams) to participate in a short-listed Development Request for Proposals (RFP) for potential design and construction of a future Downtown Residential Development. The evaluation of each Development Team’s SOQ will be based on the evaluation criteria set forth below. Teams who are pre-qualified may be invited to participate in an RFP for the potential design and construction of a future Downtown Residential Development for the City.

1.1 REQUESTS FOR INFORMATION

All Requests for Information (RFI) including any questions, requests for interpretations or requests for clarifications, either administrative or technical, about this RFQ must be submitted in writing. Questions must be submitted not later than 3:00 p.m. on June 28, 2023. Any responses will be issued before the submission date for consideration by Teams. Oral Statements concerning the meaning or intent of the contents of this RFQ by any person are unauthorized and invalid. All questions should be directed to:

Jim DellaLonga, Director of Economic Development
Economic Development Department
Email: jdellalonga@bellflower.org
Subject line should indicate RFI – RFQ for Downtown Residential Development.

1.2 ERRORS AND OMISSIONS

If a Team discovers any ambiguity, conflict, discrepancy, omission or other error in the RFQ or any of its attachments, the Team must immediately notify the City of such error in writing and request modification or clarification of the document. Modifications will be made by addenda. Clarifications will be given by written notice to all parties who have been furnished with or who have requested an RFQ for proposing purposes, without divulging the source of the request for same. If a Team fails to notify the City before the date fixed for submission of qualifications or an error in the RFQ known to it, or an error that reasonably should have been known to it, the Team submits at its own risk, and if it is deemed qualified, it is not entitled to additional compensation or time by reason of the error or its later correction.
1.3 ADDENDA

City may modify this RFQ, any of its key dates, or any of its attachments, before the RFQ submittal date. Addenda will be numbered consecutively as a suffix to the RFQ Reference Number. It is a Team’s responsibility to ensure it incorporated all addenda. Failure to acknowledge and incorporate addenda will not relieve the Team of the responsibility to meet all terms and conditions of the RFQ and any subsequent addenda.

1.4 EXCEPTIONS

If a Team takes exception to any part of these specifications as written, or as amended by any Addenda subsequently issued, or the General Provisions, it must do so in writing. Such exception must be submitted with the Submittal. Failure to do so will be construed as acceptance of all items in the General Provisions.

1.5 DELIVERY OF SUBMITTALS

Submittals delivered by mail should be post-marked sufficiently in advance of the SOQ opening date to ensure delivery to the City Clerk’s Office before the specified opening time. The City assumes no responsibility for delay in delivery of the proposal by U.S. Mail or any other service.

1.6 SUBMITTALS BECOME THE PROPERTY OF THE CITY OF BELLFLOWER

All Statements of Qualifications (SOQs) submitted in response to this Request for Qualifications (RFQ) become the property of the City. Only those SOQs submitted by a Team who is short-listed and provided a Request for Proposals (RFP) by the City and awarded the contract will become a public record and as such, might be subject to public review.

1.7 CONFIDENTIAL MATERIAL

The Submittals (questionnaire answers, statement of qualifications and financial statements) submitted by Teams are public records and will be open to public inspection following an assessment and recommendation to the City Council. Teams must notify the City in advance of any proprietary or confidential material contained in the Submittal and provide justification for not making such material public. All information provided will be kept confidential to the extent permitted by law.

1.8 CANCELLATION

This RFQ does not obligate the City to enter into any agreement; the City has not issued any RFP for any potential future project. The City may cancel this RFQ at any time.
1.9 DISPUTES/PROTEST

The City encourages potential Teams to resolve issues regarding the requirements of the procurement process through written correspondence and discussions during the period in which clarifying addenda may be issued. The City wishes to foster cooperative relationships and to reach a fair agreement in a timely manner.

1.10 ACCEPTANCE PERIOD

This RFQ submittal will be valid for a period of 180-days from date of the RFQ submittal date.
