We endeavor to host inclusive, accessible events that enable all individuals to engage and participate fully. To request an accommodation or for inquiries about accessibility, please contact Paul Dansereau, Facilities Director:  
pdansereau@benningtonvt.org or call 802-447-9715.

1 **BENNINGTON SELECT BOARD MEETING**

2 **130 RIVER STREET**

3 **BENNINGTON, VERMONT 05201**

4 **JULY 24, 2023**

5 **MINUTES**

6 **SELECT BOARD MEMBERS PRESENT:** Jeannie Jenkins-Chair; Tom Haley-Vice Chair; Jeanne  
7 Conner; and Jim Carroll.

8 **SELECT BOARD MEMBERS ABSENT:** Ed Woods; Gary Corey; and Sarah Perrin.

9 **ALSO PRESENT:** Stuart Hurd-Town Manager; Dan Monks-Assistant Town Manager; Jonah  
10 Spivak-Communications Coordinator; Rick Dziadul-Purple Heart Recipient; Sarah Wajda and Lisa  
11 Thurston-Flynn-Bennington Elementary; John Rogers-Housing Update; Sam Restino; Jack  
12 Rossiter-Munley; Mary Ellen Munley; Representative Mary Morrissey; Clark Adams; Mike  
13 Bethel; James Gulley; Tordis Isselhardt; Donna Stone; 25 citizens; Josh Boucher-CAT-TV; and  
14 Nancy H. Lively-Secretary.

15 At 6:00pm, Chair Jeannie Jenkins called the meeting to order.

16 **1. PLEDGE OF ALLEGIANCE**

17 The Pledge of Allegiance, led by Rick Dziadul, a Purple Heart recipient, was recited.

18 **2. VISION STATEMENT**

19 Mr. Haley read the Town's Vision Statement that was adopted by the Select Board on  
20 August 24, 2020:

21 "Bennington is a welcoming, engaged, inclusive, resilient community where everyone  
22 regardless of identity shares in our vitality and benefits from an outstanding quality of life."

23 **3. CONSENT AGENDA**

24 **A. MINUTES OF JULY 10, 2023**

25 **B. WARRANTS**

26 *Jim Carroll moved and Jeanne Conner seconded to approve the Consent Agenda*  
27 *amended as follows:*

28 *Minutes of July 10, 2023, Line 96, Change "BGS" to "Building and*  
29 *Grounds Services"*

30 *The motion carried with Ed Woods, Gary Corey, and Sarah Perrin absent.*

#### 4. PUBLIC COMMENT

Ms. Jenkins stated the following:

- There are behaviors at our meetings that have become “increasingly concerning” and made our meetings “increasingly uncomfortable to participate in”.
- “We have had community members tell us they are concerned that they will be verbally attacked if they get up to speak.”
- “What is frustrating is purposeful misinformation being shared as though it were fact.” “It is the Select Board’s responsibility to make sure that accurate information is being shared.”
- “These disruptions of civil discourse must stop.”
- “This Board, and previous Boards’, have reached out to the Vermont League of Cities and Towns and their legal team, as well as, our town’s attorney, for assistance.”
- “We formed a Committee - Tom Haley, Jeanne Conner, and Sarah Perrin - that proposed the protocol that is available to the public at every meeting.”
- “It has been suggested that we shut down Public Comment to what is only required by the Open Meeting Law. That would be a few minutes at the beginning of the meeting or a few minutes at the end of the meeting.”
- “There is no requirement that we even allow comment on public agenda items. However, we want the community’s input.”
- “We want, and need, your input, so we need your help in changing this dynamic.”
- “The Select Board can strictly enforce the 3 minute time limit and that the time is used as indicated” when the public is speaking during Public Comment or on an agenda item.
- “This is what we came up with and we’ll see how it works” -
  - ❖ All public comments will be held to 3 minutes with a warning 30 seconds before your time is up.
  - ❖ If comments stray off topic we will remind you to remain on topic.
  - ❖ If comments continue to be off topic we will need to rule you out of order and ask you to sit down.
  - ❖ If false information is shared we would indicate for the public to do their own due diligence and we will try to share accurate information somewhere during the meeting.
  - ❖ This feels harsher than we would wish, but at this point, we feel that it is necessary.
  - ❖ Please help us make sure these meetings are good exchanges of good ideas.

Ms. Conner added that she takes the responsibility of making sure that the public hears accurate information seriously. We don’t want public comment to be a question/answer period, however, we need to determine how/when to respond when the information stated is inaccurate. We hope to see improvement this evening, but if not, “there are real tangible

negative consequences". "We all need to defend this process and make sure that our meetings are open and welcoming for everyone."

---

The following Public Comment Practices to make the experience for all involved a productive and informative use of the Public Comment period at Select Board meetings was placed on the podium for those that wish to make Public Comments to reference:

1. Public Comment is to allow residents an opportunity to share information or make announcements that benefit the community at large.
2. The topic should not be related to an agenda item. If a member of the public wants to comment on an agenda item they can do so during the discussion of that item.
3. Comments should be 3 minutes or less.
4. You are required to state your real name and town of residence.
5. Sharing comments, announcements and concerns are encouraged rather than asking questions. Public Comment is not a time for discussion. If you have specific questions it is best to call the Town Manager to get a full explanation and accurate information.
6. If the topic requires much discussion the item will be considered as an agenda item at a future meeting.

---

Representative Mary Morrissey: 1. Noted that she began the Purple Heart Day Recognition - that we will be doing this evening - at the Town level last year and it will begin next week on the State level. All meeting attendees applauded their appreciation to Rick Dziadul, the Purple Heart recipient at the meeting. There were also members of the Veterans of Foreign Wars present, as well. 2. Since the work was done in the Roaring Branch River because of Irene, the growth of trees and shrubs has increased over the last couple of years. Does the Town have a maintenance plan for this? *Mr. Hurd: We do have a river management plan that was accepted by the State that focuses on the elevation of the materials at the base of the river. We can go in and remove those materials, however, we wouldn't remove the shrubs and trees because they actually help slow down the water.*

Jack Rossiter-Munley: 1. We have welcomed two new families to Bennington. This was a community effort with volunteers and donations from ECDC, BCRC, Bennington College and others. If interested in learning about and supporting the settlement of these refugees, there will be a meeting at the Bennington Free Library on July 26, 2023 at 7:00pm. 2. The Community Café is open every Saturday from 1:30pm-3:00pm at 121 Depot Street and serves 30-50/meals per week. We also have a partnership with King Arthur Flour who will be donating 150 pounds of flour/quarter. If interested in helping out, contact [benningtoncommunitycafe@gmail.com](mailto:benningtoncommunitycafe@gmail.com).

Sam Restino: 1. Does the property transfer of 652 Main Street have any effect on the Benn Hi Project? 2. TrailFest will be on July 29, 2023 and we should welcome all hikers to Bennington. 3. The Roaring Branch flood wall has a few cracks in it and he has requested documentation on the inspections that were done on the wall. 4. It is a team effort to take care of our town.

Mary Ellen Munley: 1. Thanked the Board for their opening statement on public comments. 2. Bennington Cares is at its 6-month anniversary. In collaboration with others, the after school program was a success with 70 families participating, a garden work day took place this past Friday, we will be part of a community quilt project, and the August 19, 2023 Riverwalk will feature Bennington Cares. We have fliers for more information.

Mike Bethel: 1. Thanked the Pownal Select Board for lowering property taxes 2 years in a row. Perhaps the Bennington Select Board could have a joint meeting with them to see how they did it. 2. Glad to see Mr. Hurd back at the meetings. 3. Everyone in the Town has a right to address the Select Board and the rules in doing so should be more relaxed. 4. When will there be a meeting on cutting the trees on the Pathway from School Street to North Street? *Mr. Hurd: August 14, 2023.*

## **5. PURPLE HEART DAY RECOGNITION**

Mr. Haley read the Military Order of the Purple Heart, Town of Bennington, Vermont Proclamation Purple Heart Community, recognizing August 7, 2023 as Purple Heart Day as presented.

James Gulley: Do we have signs as we enter the edges of Town recognizing that we are a Purple Heart community? *Ms. Jenkins: We do not and that is a great suggestion.*

## **6. HOUSING UPDATE**

John Rogers, Chair of the Homeless Crisis Subcommittee did the following update:

- The homeless are still residing in hotels in Bennington County - 117 with 37 households that include 71 children.
- 74 individuals in the hotels have not been screened for 'coordinated entry'. This means all agencies in town meet every Monday to know who is unsheltered or in need of housing.
- An outside organization has been hired to be sure that all 74 will be screened and coordinated by the end of July.
- There are two 8-month community care positions open and one 2-3 month nursing position open to assist those in hotels.
- Letters went out to everyone in hotels letting them know they can stay there until April 1, 2024 provided they participate in seeking permanent housing. The first part of that is screening.
- The Homeless Crisis Subcommittee has ebbed and flowed since its inception in May 2023.

- We originally needed to address the 66 that had exited hotels on June 1, 2023 and we still have 50-70 homeless living outside.
- Projects that we're working on:
  - Street outreach.
  - Phone support program - 10 phones with 200 minutes each.
  - Consolidated resource list flier- an easy to read go-to map for people.
  - Recreation Center shower cards - went live on 7/3/23. Private fundraising is being done and all that needs to be done for use is go to the Rec Center and ask.
  - Refurbish the Thatcher House for permanent housing - Hale Resources leading the charge with other agencies providing wrap around services.
  - Buy a hotel in town for transitional housing - Hale Resources leading the charge with other agencies providing wrap around services.
  - Warming shelter - discussions continue on this.
- The Homeless Crisis Subcommittee will begin to move responsibilities to the already existing committees within Project Alliance and eventually phase out.

*Board comments/questions answered by Mr. Rogers:*

Ms. Conner: It's amazing what you and your colleagues have accomplished so far so don't lose sight of that.

## **7. DIVERSITY, EQUITY, AND INCLUSION AT BENNINGTON ELEMENTARY**

Sarah Wajda and Lisa Thurston-Flynn, educators at the Bennington Elementary School did the following presentation:

- Read Across America is a nationwide grant program for diverse readers and books.
- Activities were focused on the Change Sings book by Amanda Gorman with a writing contest, art projects, poster contest, and a bookmark contest. Samples of the results of these activities were shared.
- We also had presence at the Juneteenth Celebration.
- Every person that entered the building received a copy of the book.
- Over the last 10-40 years Bennington has changed in the diversity makeup of the Town.
- When Ms. Wajda attended Bennington Elementary, as a kindergartener, she was one of very few people of color, and didn't have a person of color as a teacher until college.
- 250 additional books were purchased with the remaining funds from the grant.

*Board comments/questions answered by Ms. Wajda and Ms. Thurston-Flynn:*

177 Ms. Conner: Will this be an annual event and is it a specific week each year? *We hope it*  
178 *continues and that would be during the first week of March.*

179 *Public comments/questions answered by Ms. Wajda and Ms. Thurston-Flynn:*

180 Clark Adams: Kudos to what you are doing. Have you noticed a “slide” in education because of  
181 COVID? *Yes, there has been a slide. Our summer recovery program has helped and we feel that*  
182 *the more you read to children it increases their enthusiasm to learn.*

183 Tordis Isselhardt: How many children of color are there at Bennington Elementary and has this  
184 made positive changes in children that are marginalized? *Probably fewer than 10 and they are*  
185 *better behaved when there are hands on activities.*

186 Donna Stone: Thanked Ms. Wajda and Ms. Thurston-Flynn for their work and encouraging other  
187 teachers to apply for grants and promote learning.

188 Mary Ellen Munley: Thanked the Select Board for bringing a school program to the agenda and  
189 for Bennington Elementary for bringing this program to the community.

## 190 **8. RATIFICATION OF BENNINGTON EMERGENCY MANAGEMENT PLAN**

191 Mr. Hurd explained that our Emergency Management Director, Chief Doucette,  
192 developed the updated Plan over the last several weeks. With severe storm events forecasted  
193 to occur over the last several weeks, he and I wanted to finalize it. Given the time frame, and  
194 the fact that the Board needs to have approved the Plan, we present it to the Board for  
195 ratification.

196 ***Jeanne Conner moved and Jim Carroll seconded to ratify the Town of Bennington’s***  
197 ***Emergency Management Plan as presented.***

198 Ms. Jenkins stated that there will be some tweaks to the Plan as information changes,  
199 and clarified that the emergency shelter is at the Middle School and not the Armory as was  
200 reported by Vermont Digger.

201 Mr. Hurd added that the main site is the Middle School, but because the Town is  
202 basically split in half by the river, there would be sites on the southern part of Town if needed.

203 ***The motion carried with Ed Woods, Gary Corey, and Sarah Perrin absent.***

## 204 **9. TAX RATES FOR FY24**

205 Mr. Hurd explained that prior to the completion of the Grand List by the Board of Listers  
206 and the completion of the first level of appeals in January we had project the tax rate to be  
207 \$1.4455 or 8.29%. The difference from this to the actual rate increase of 8.70% relates to a  
208 reduction in the Grand List that we had not anticipated.

209 ***Tom Haley moved and Jim Carroll seconded to approve the FY24 Tax Rates as follows:***

210	<i>General Fund</i>	<i>\$0.8778, an increase of \$0.0595</i>
211	<i>Highway Fund</i>	<i>\$0.4761, an increase of \$0.0559</i>
212	<i>Fire Fund</i>	<i>\$0.0972, and increase of \$0.0008</i>
213	<i>Total</i>	<i>\$1.4511, an increase of \$0.1162</i>

214 Sam Restino: We need to live within our means.

215 ***The motion carried with Ed Woods, Gary Corey, and Sarah Perrin absent.***

## 216 **10. MANAGER'S REPORT**

217 Mr. Hurd stated that 2 years ago the ACLU filed a law suit against the Town. Following  
218 that law suit it had been decided that there were no recent activities by the Police Department,  
219 so the ACLU filed a complaint with the Human Rights Commission. After 2 years the  
220 Commission completed its investigation with a finding of "no reasonable grounds".  
221 Unfortunately, the Commission has not made a final determination, and in spite of that, the  
222 ACLU has decided to pursue the matter by filing a law suit representing the same individuals.  
223 The allocations of the law suit are very similar and we will respond as appropriate. You will  
224 read about this tomorrow in the press release.

225 River Walk Update - There will be a meeting on August 14<sup>th</sup> on the River Walk and removal of  
226 trees.

227 EPA - The Jard Site - Jard closed in 1987 due to a PCB problem. It is an EPA controlled site and  
228 they are planning a public meeting as early as August 23<sup>rd</sup> to discuss next steps to contain the  
229 PCB contamination. Some form of removal of the contaminated material is planned but there  
230 is still much to do, and nothing is cast in stone.

231 County Street Sidewalk and Paving - Due to the weather, the project is progressing slowly. We  
232 have added sidewalk to the south side of the street giving the perception that the street is  
233 narrower. A new paved pathway will be added along the south side of County Street all the  
234 way to North Street with the goal to tie this into the pathway projects elsewhere. The  
235 'sidewalk' will be concrete and the 'pathway sidewalk' will be asphalt.

## 236 **11. UPCOMING AGENDAS**

237 August 14, 2023 - River Walk Improvement Update

238 August 14, 2023 - Bennington Police Department Quarterly Report

239 August 14, 2023 - Marketing Analytics Update

## 240 **12. OTHER BUSINESS**

241 Ms. Conner: Asked about weekend hours at the Household Hazardous Waste Facility at the  
242 Transfer Station and they are hoping to add some Saturday hours in the not too distant future.

243 ***At 7:22pm, Jim Carroll moved and Tom Haley seconded the adjournment of the***  
244 ***meeting. The motion carried with Ed Woods, Gary Corey, and Sarah Perrin absent.***

245 Respectfully submitted,

246 Nancy H. Lively

247 Secretary

## MEMORANDUM

To: Select Board

From: Stuart A. Hurd, Town Manager

Re: Riverwalk tree removal and preservation

Date: July 21, 2023

Questions have been raised about the removal of trees along the Riverwalk as we move forward with State grant funds to improve its width, its lighting, and its aesthetics. The current walk was built in phases so there is little consistency of design. It is narrow in places (3'), too close to the river in other places and over-planted in certain sections providing a very dense but poorly grown canopy. In the section between Park and School Streets there is no space for lights to be installed given the growth of trees there.

I have reviewed the sections from North Street to School Street and School Street to Park Street. These are the two sections where tree removal is contemplated.

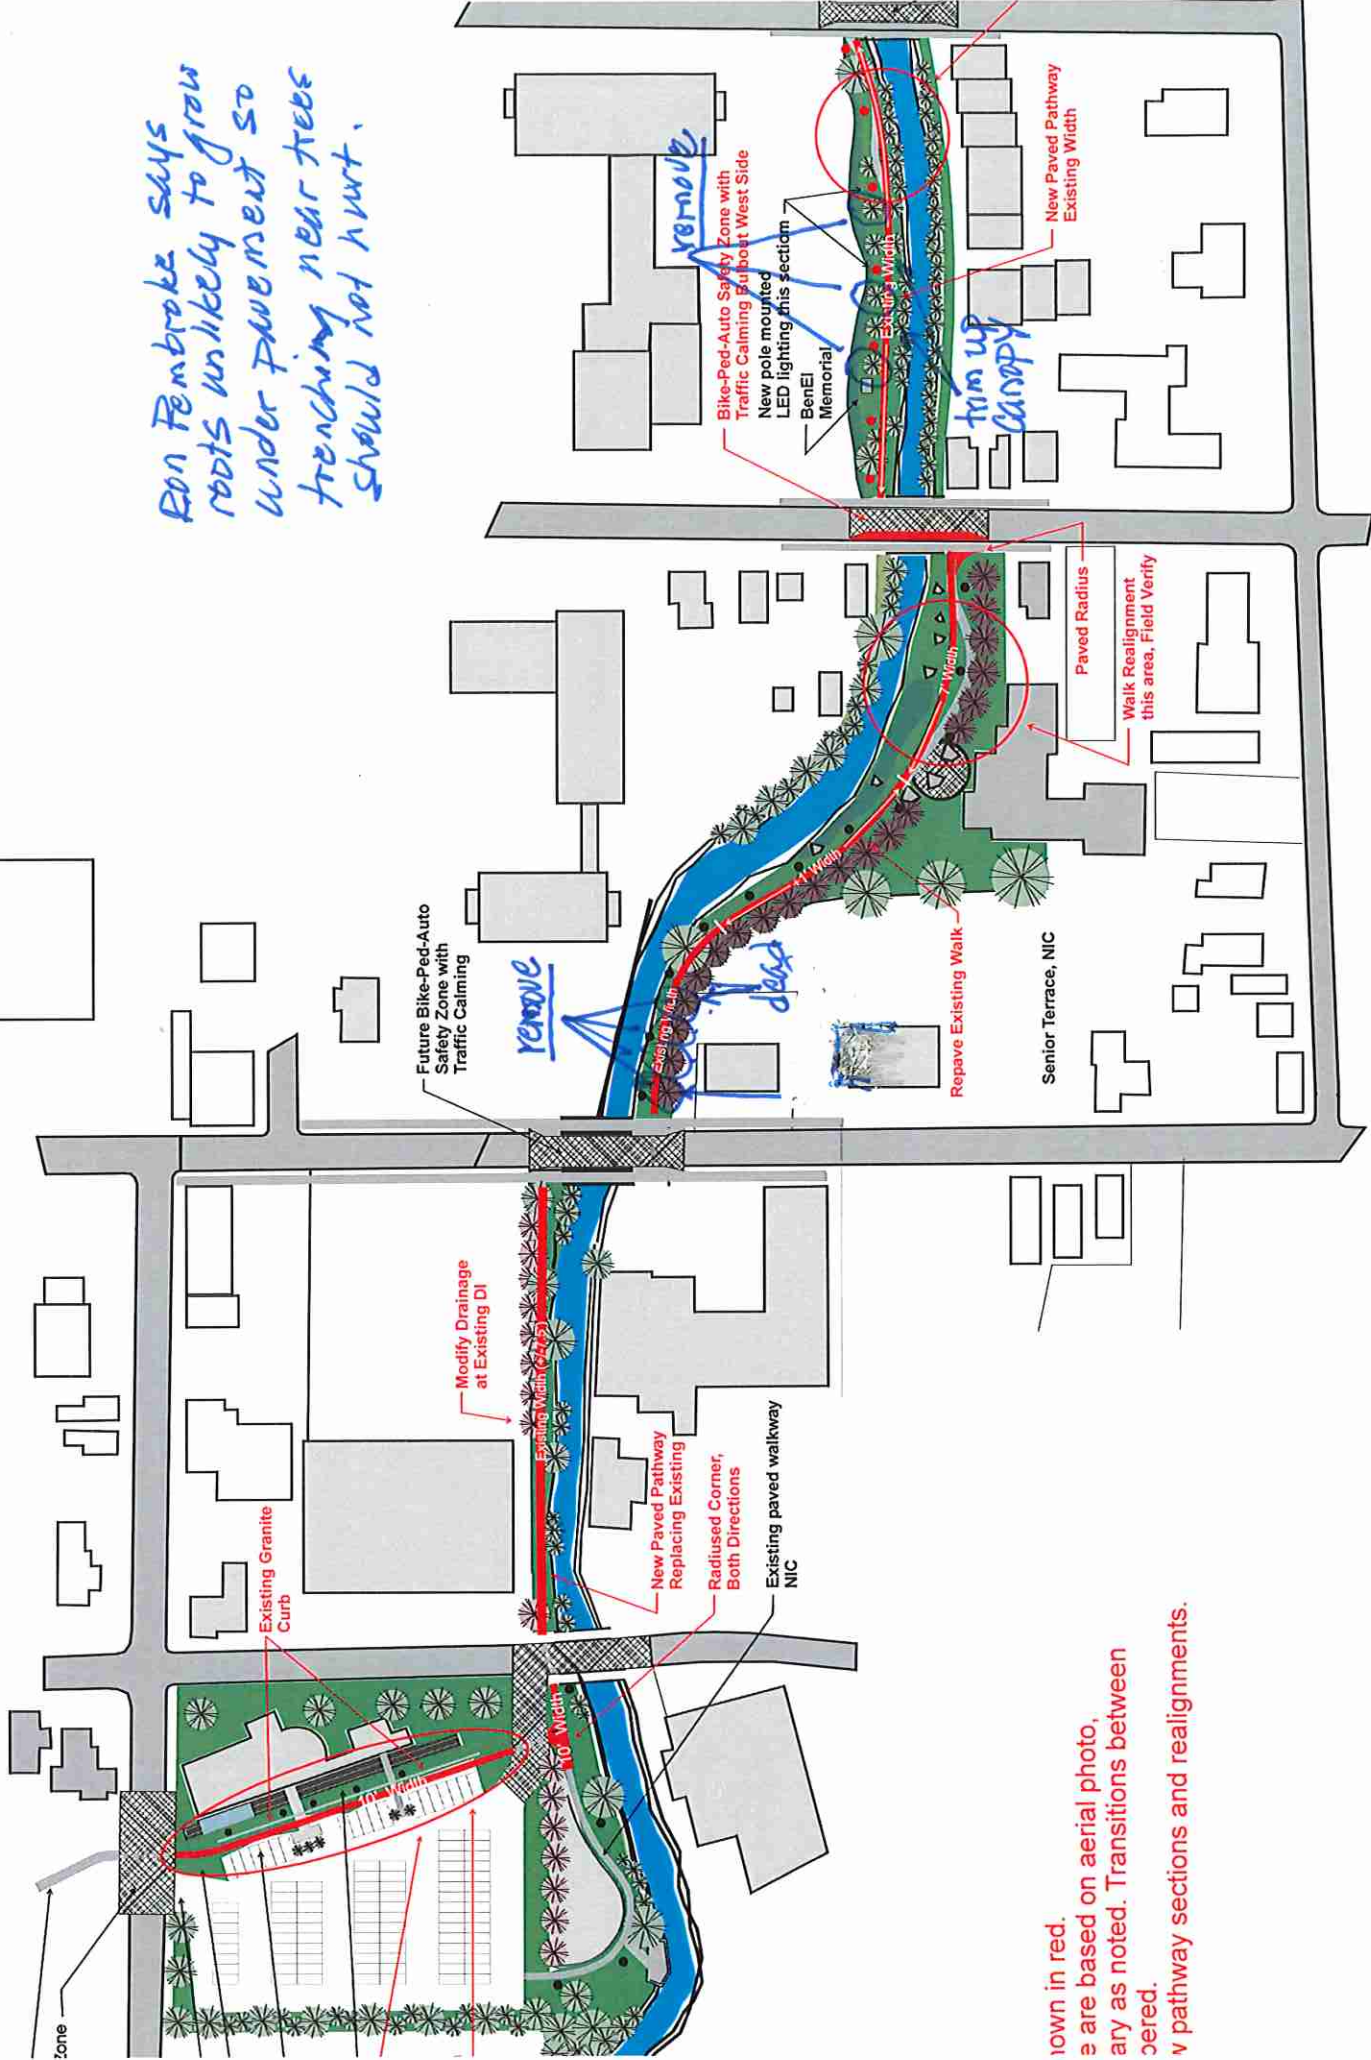

### School Street to Park Street

I walked this area with Ron Pembroke. We noted that the canopy is very low in sections, very dense and that some of the trees are not as healthy as one would hope. We don't want to remove any trees from the area between the walkway and the river. There currently exist seven (7) cherry trees along the northerly side of the walkway. They have grown so close to one another that the canopy is unhealthy (tree limbs are barren). There is no room for lighting. After discussion, we agreed that removing every other tree will provide space for lighting and help to improve the overall health of the canopy these cherry trees are providing. The entire canopy should be lifted to increase visibility and security.

### North Street to School Street

Here the Crimson Maples (a Norway maple) are the dominant design feature. This was the first section constructed and thus the trees are very mature. Unfortunately, the walkway is only 3' wide at its entrance from North Street and there is insufficient space to widen the walkway without encroaching on the riverbank area. Given the need to comply with State and Federal standards, I recommend removing the first four (4) trees (one is already dead) allowing the walkway to be widened to minimum compliance. The remaining trees appear to have sufficient space to allow the walkway to be widened while protecting the riverbank. It is understood that new trees will be planted to enhance the aesthetics of this entrance area. We will not use the Norway species.

Don Pembroke says  
 roots unlikely to grow  
 under pavement so  
 trenching near trees  
 should not hurt.

## MEMORANDUM

To: Bennington Select Board  
From: Shannon Barsotti, Community Development Director  
Date: August 9, 2023  
Re: Town marketing campaign update

---

At the August 14th Select Board meeting, I will give an overview of the Town's marketing campaign, Vermont Begins Here, and share data from Eight Oh Two Marketing, which manages the Vermont Begins Here website and digital marketing campaign.

## MEMORANDUM

To: Select Board

From: Stuart A. Hurd, Town Manager

Re: Boards and Commission openings

Date: August 9, 2023

The Community Policing Advisory Review Board (CPARB) is down to 5 members. The original Policy establishing this body allowed for up to 7 members. The Board seeks to advertise for two additional members. The terms would be one to fill an unexpired term ending in June 2024; the other would be a three year term expiring in June 2026.

One member of the Historic Preservation Commission has had to resign. This has created an opening that should be filled. This is an unexpired term ending in June 2024.

Normally, the Board announces the openings and allows applicants to send in letters of interest for two weeks. Once applications are closed, the Board sets interviews and appoints within the following month depending on number of applicants.

## MANAGER'S REPORT

August 14, 2023

### ACTION

Garlic Town Road Closures The Chamber is seeking to close Depot Street on Saturday September 2 from 6 am until 6 pm for Garlic Town. Prior to the event small sections of Depot Street may be temporarily closed or traffic flow altered for preparations beginning on Wednesday August 30. These closings/flow changes will not require Board approval, only Manager approval based on Section 10-3.02(f) and (g) of the Traffic Control Ordinance. All adjoining properties will be notified by the Chamber prior to a temporary closing or of a directional traffic change.

Action requested Motion to close Depot Street on September 2 as requested.

Notice Requiring Reappraisal We have anticipated this notice since we received our most recent Coefficient of Dispersion (COD) from Property Evaluation and Review. As the Notice indicates, the Town must first sign indicating receipt of this letter. The Select Board Chair must sign the document. Within 150 days, the Town must develop a plan to bring the Town into compliance.

Action requested The Chair signs the attached document beginning the process to reappraise.

Certificate of Approval – Salvage Yard Location Every five years, Joshua Greene must have his salvage yard location certified as approved by the Town. This requires the Board, after review by the Zoning Office, to certify by signing the document provided. (see attached).

Action requested Motion to approve the location and sign the Certificate.

### INFORMATIONAL

Willow Park Playground Equipment Closure One of the pieces of equipment installed, the Mesa Climber, a bridge which runs to the slide, although certified as safe by the contractor, has created concerns for us given three recent incidents with minor injuries. Based on a thorough review by staff and our insurer, we have closed this equipment pending replacement of the troubling piece. The replacement piece is on order and expected to be in place before the month is out.

### FOLLOW UP

The Community Development and Permitting/Planning Reports are attached.

State of Vermont  
Department of Taxes  
133 State Street  
Montpelier, VT 05633-1401

Agency of Administration

July 21, 2023  
Bennington/North Bennington Municipal Officials  
205 South Street  
Bennington, VT 05201

You are receiving this letter because the Vermont Department of Taxes is notifying towns required to reappraise Education Grand List properties. Act 68 (H.480) of 2023, altered the statutory triggers that require municipalities to reappraise. Effective for Grand Lists lodged on April 1, 2022, Vermont law 32 V.S.A. § 4041a(b), requires that a municipality maintain its Education Grand List with a coefficient of dispersion (COD) that is at or below 20%, as determined by the Director of Property Valuation and Review (PVR). If the Education Grand List falls outside this parameter, the Director must order the municipality to reappraise. This statutory change does not alter existing reappraisal orders; municipalities that received a reappraisal order in prior years are still obligated to reappraise.

Based on the results of the 2022 Equalization Study, the COD in Bennington/North Bennington was outside the acceptable parameters, and therefore, an order to reappraise is issued.

What do you need to do?

1. **Please provide this information to your Board of Listers or Assessor.** An electronic copy of this letter was emailed to the Town Clerk, which includes web-based links to the required forms, reappraisal rules, PVR guidance and helpful resources. If you have not received this additional information, please reach out to PVR/your District Advisor.
2. **Within 30 days respond** to this order to indicate receipt of order and intention to develop a detailed compliance plan. A response form is attached. The response must be signed by the chair of the legislative body of the municipality or their designee. If contesting the order, a response in writing is required.
3. **Plan a reappraisal as soon as possible.** Work with PVR/your District Advisor and send a completed detailed compliance plan, Form RA-308, within 150 days of this order. Based on the date of this order the town response is due by Wednesday, December 20, 2023.

If your municipality has already voluntarily scheduled a reappraisal and submitted a detailed compliance plan (Form RA-308), a municipal response within 30 days is still required to indicate receipt and acknowledgement of the order. The municipality does not need to resubmit Form RA-308. The municipality should check in with their District Advisor (DA) about the status of the reappraisal. If any details or the timeline of the reappraisal have changed, please send updated information.

Send communications to: [tax.pvr@vermont.gov](mailto:tax.pvr@vermont.gov) and your DA (electronic submissions are preferred)  
Vermont Department of Taxes, Property Valuation and Review, ATTN: Reappraisal, 133 State Street FL 1,  
Montpelier, VT 05633

Sincerely,

Jill Remick, Director  
Property Valuation and Review  
cc: Selectboard, Board of Listers/Assessor

Montpelier, VT 05633-1401

Agency of Administration

## ORDER TO REAPPRAISE

### *Findings of Fact:*

Pursuant to 32 V.S.A. §5406, the Director of Property Valuation and Review notified the Selectboard that the municipal CLA in Bennington was 76.24% and COD was 21.73%. The CLA in North Bennington was 69.47% and COD was 21.73%.

### *Conclusions of Law:*

Pursuant to 32 V.S.A. § 4041a, Bennington/North Bennington is required to reappraise its education grand list properties. Section 4041a. provides:

*(b) If the Director of Property Valuation and Review determines that a municipality's education grand list has a coefficient of dispersion greater than 20, the municipality shall reappraise its education grand list properties. If the Director orders a reappraisal, the Director shall send the municipality written notice of the decision. The municipality shall be given 30 days to contest the finding under procedural rules adopted by the Director, or to develop a compliance plan, or both. If the Director accepts a proposed compliance plan submitted by the municipality, the Director shall not order commencement of the reappraisal until the municipality has had one year to carry out that plan.*

*(c) If a municipality fails to submit an acceptable plan or fails to carry out the plan, pursuant to subsection (b) of this section, the State shall withhold the education, transportation, and other funds from the municipality until the Director certifies that the town has carried out that plan.*

### **Order:**

Now therefore, in conformity with Section 4041a(b) of Title 32, you are hereby ordered to reappraise your Education Grand List properties. Failure to comply will result in withholding of State funds.

Dated at Montpelier, Vermont on this 21<sup>st</sup> day of July 2023.

Jill Remick, Director  
Property Valuation and Review

State of Vermont  
Department of Taxes  
133 State Street  
Montpelier, VT 05633-1401

*Agency of Administration*

### **Bennington/North Bennington Municipal Response to Reappraisal Order**

Vermont law 32 V.S.A. § 4041a(b), requires that a municipality maintain its Education Grand List with a coefficient of dispersion (COD) that is at or below 20%, as determined by the Director of Property Valuation and Review (PVR). If the Education Grand List falls outside this parameter, the Director must order the municipality to reappraise.

Based on the results of the 2022 Equalization Study the COD in your municipality was outside the acceptable parameters, and therefore, an order to reappraise was issued.

This response acknowledges the municipalities receipt of the reappraisal order. The municipality will work towards submitting a reappraisal compliance plan (Form RA-308) within 150 days of the date of order.

The response must be signed by the chair of the legislative body of the municipality or their designee.

LIMITED WARRANTY DEED

KNOW ALL PERSONS BY THESE PRESENTS that, ROBERT J. GREENE and BERTHA GREENE, husband and wife, of Bennington, in the County of Bennington, and State of Vermont, hereinafter referred to as Grantors, in the consideration of One Dollar and Other Good and Valuable Consideration paid to Grantors' full satisfaction by FRANCIS E. "Butch" GREENE, JR. and JOSHUA H. GREENE, both of Bennington, in the County of Bennington and State of Vermont, hereinafter referred to as Grantees, by these presents do freely GIVE, GRANT, SELL, CONVEY and CONFIRM unto the said Grantees, as joint tenants with right of survivorship, and their heirs and assigns forever, a certain piece of land in Bennington, in the County of Bennington, and State of Vermont, described as follows, viz:

Being the REMAINING ONE HALF INTEREST in the so-called Chapel Road parcel conveyed to the Grantors herein by Decree of Distribution issued by the Bennington Probate Court in the Estate of Minnie M. Greene dated November 14, 1997 and recorded December 2, 1997 in Book 0-338, Page 66 of the Bennington Land Records, reference to which deed is hereby made for a more particular description.

A ONE HALF INTEREST IN THE ABOVE LANDS AND PREMISES WAS CONVEYED TO FRANCIS E. "Butch" GREENE, JR. and JOSHUA H. GREENE, IN DECEMBER, 2001.

TO HAVE AND TO HOLD said granted premises, with all the privileges and appurtenances thereof, to the said Grantees, FRANCIS E. "Butch" GREENE, JR. and JOSHUA H. GREENE, as joint tenants with right of survivorship, their heirs and assigns, to their own use and behoof forever.

AND we, the said Grantors, do covenant with the said Grantees,

as joint tenants with right of survivorship, their heirs and assigns, that we, the said Grantors, are seized of the granted premises; and that we will, and our heirs and assigns, shall WARRANTY AND DEFEND said premises against all persons claiming the same by, from or under us, the said Grantors, but against no other person.

IN WITNESS WHEREOF, Grantors hereunto set their hands and seals this 2nd day of January, 2002.

Description	Amount
-------------	--------

BUILDING PERMITS	25.00
------------------	-------

Check Number:	2897
---------------	------

Townwide Housing loan:

Rachel Hale and Coby Sale received a townwide housing loan for \$100,000 (\$25,000 per housing unit) to renovate 319 Pleasant Street into four affordable housing units. Since they purchased the building at a tax sale, they were not eligible to receive title insurance and could not receive conventional financing for the renovations. The loan terms are 16 months of a construction loan paying interest only, then a 5-year loan with full payments with a 25 year amortization at 6.125% interest (1/2 of prime plus 2%). The goal of the townwide housing loan program is to improve housing infrastructure and guarantee safe, decent, and sanitary housing conditions for low- and moderate-income residents in Bennington (defined as earning 80% or below the median income for the County).

Recreation:

**YMCA program planning:**

The Bennington Community Center (Rec Center) pool schedule and summer programs for adults and youth are updated regularly on the Facebook page and town's website. Camp Green Mountain, the Y's summer camp, is wrapping up this month and located at the Bennington Community (Recreation) Center. Sign-ups for fall youth and adult programs have begun.

**Walloomsac Riverwalk Improvement Project:**

The Town received a \$200,000 Downtown Transportation Fund grant for improvements along the Riverwalk, which include widening the pathway and adding lighting. The Improvements to the Riverwalk will also include a connection to the new Rail Trail.

**Appalachian Trail Community:**

I was part of the leadership committee that organized the AT Community Trailfest on July 29 at the Bennington Community Center. The event had a good turnout of hikers and community members learning about local outdoor recreation resources and enjoying free food provided by the Abbey Group. The Bennington AT Community is a volunteer run group committed to raising awareness of the Appalachian Trail in Southwestern Vermont.

Vermont Begins Here:

Eight Oh Two Marketing is continuing the digital marketing campaign to promote Bennington. The VBH blog post for August promoted the "For the Love of Vermont" art exhibit at the Bennington Museum as well as upcoming downtown events for Bennington Battle Day, the Food Trick Festival and Garlic Town U.S.A.

Bennington Fair Food Initiative:

The Bennington Fair Food Initiative, including the Bennington Community Market, Southwest Tech, Bennington College, and the Vermont Veteran's Home, was funded with a 2.2 million earmark in the government spending bill that passed at the end of 2022 (nominated by Senator Peter Welch). The funds will be administered through the U.S. Department of Housing and Urban Development and will flow through the Town of Bennington to subgrantees similar to the process of Community Development

Community Development Report: August 9, 2023  
Shannon Barsotti

block grants. I have received the grant agreement from HUD and am working through the program budget and planning with program partners. The goals of the initiative are connecting partners in the local food system and growing jobs in the food sector.

#### Community Development Block Grants:

The Vermont Community Development program awarded a grant of \$386,190 to the Town of Bennington to support the Hale Resources affordable housing development at Benn Hi. Shires Housing has also received VCDP funding through the Town for two recovery housing projects on North Street and Gage Street. I submit paperwork required for each grant agreement and subgrant agreement along with progress reports on the projects. At the end of the year, I also submit financial reports to the state of Vermont on past HUD loans that have been granted to the Town or sub-grantees.

#### Benn Hi Redevelopment:

I am on the team with other town staff, and we are meeting weekly to plan the redevelopment of Benn Hi. The Town hired Goldstone Architecture to create conceptual plans and we are working closely with Hale Resources, who will be the developer of the overall project. I am researching grants to help support the redevelopment of the building and identifying partners for the community spaces. My application for Congressionally Directed Spending for the Benn Hi redevelopment was nominated for \$1 million from Representative Becca Balint's office. I also submitted a request for funding (\$1 million) through the Northern Border Regional Commission. This past month we met with the YMCA, Hale Resources, and Goldstone Architecture to finalize the plans for a childcare center in the Benn High space. Zak Hale and I also met with the Green Mountain Transportation Network, Southwestern Vermont Council on Aging, the Senior Center director, and Meals on Wheels director to plan regular public transportation routes for seniors using the Benn High facility. We also participated in a Benn High site visit with state funders of the redevelopment project.

#### Health Impact Assessment of the Benn Hi Redevelopment

Zak Hale and I worked with Rory Price and Megan Herrington from the Vermont Department of Health on their Health Impact Assessment of the Benn Hi redevelopment. The assessment process included the collection and analysis of secondary data, as well as community engagement efforts to gather qualitative information about the health needs of the community and the potential impact of the redevelopment. The completed assessment is on the Town's website (under Benn Hi Redevelopment) and the Health Department will be presenting its findings at a Select Board meeting.

#### Vermont Council on Rural Development:

VCRD asked me to join their board as a local government representative and I will be representing Bennington, along with Zak Hale, at the Vermont Community Leadership Summit on August 15<sup>th</sup> at Vermont Technical College in Randolph.

#### Housing Committee:

Zak Hale has organized a regular meeting of various professionals working to improve the housing crisis in Bennington, including representatives from BCRC, the Health Department, Bennington County

Community Development Report: August 9, 2023

Shannon Barsotti

Coalition for the Homeless, Neighborworks, Bennington Housing Authority, Shires Housing, Maple Leaf Realty, and the Sherriff's department.

Housing Crisis Team/Project Alliance:

I have been meeting with the Housing Crisis Team that grew out of Project Alliance and is addressing the end of the motel voucher program. The team met to discuss options to create more immediate housing, such as converting a motel into longer term housing with social services embedded on site.

Community Outreach:

In the past month, I have met with the Benn Hi Redevelopment team, Berkshire Family YMCA management team, Hale Resources, Bennington Community Market, Bennington College's CAPA program, Bennington Housing Committee, Shires Housing, AT Community leadership committee, SVSU, Meals on Meals, Council on Aging, Green Mountain Transportation Network, and Project Alliance.
