

Dedicate a Tree

The Town of Bridgewater is providing an opportunity to honor a friend or loved one by making a donation in their name to dedicate a tree. Your donation includes a 6"x8" dedication plaque that will be posted at a tree of your choosing. The donation of \$200 per tree, will also contribute toward planting more trees throughout the parks and Town as a whole.

To begin the process, you may explore the parks to select a tree. After selecting a tree, confirm the selection with staff (there may be trees in Town that are not eligible for this program). Then complete the following form to confirm your plaque purchase.

Should the tree die, need to be removed, or the plaque is vandalized, the Town will replace the tree and plaque. The placement of memorial wreaths, flowers, or ornaments on the tree is not permitted and these items will be removed and discarded without notice.
