

Safety Committee Minutes

October 30, 2019

10:30 AM

Town Office

- I. Call meeting to order
 - a. Sean called the meeting to order at 10:41 am
- II. Roll Call
 - a. Present: Jay L, Jamie B, Sean G, Rich R, and Chris C
 - b. Absent: Chris G, Luke C, and Dave M
- III. Review Previous Minutes
 - a. Jay made a motion to accept the May, June & September minutes as a block. Chris C seconded the motion. The motion passed 4-0-1 with Rich abstaining.
- IV. Update on any previously addressed concerns
 - a. Gas alarm detection system – Jamie and Dave are working on getting a revised quote. This item will be placed on the November 14th Town Council Agenda.
 - b. Rip Rap along waterfront – DEP said that we should look into adding more rip rap especially in the areas between Teagan Bridge and Irving and at Hoffman's Point. These are the hard to reach places because of their location with no ability to get a truck to those areas to fill in the missing rip rap.
 - c. Fishing Pier – The previous tour of the pier showed that some planks have started to rot out. Jay says at a minimum we will need to rebuild the pier and if we are going to rebuild the pier we should extend the pier out into a T-shape so the citizens can use it to fish from. This will eliminate the docks as the docks are going to need to be replaced anyway due to their condition. This will also help with safety as a few years ago two people went into the water and drowned from the fishing dock.
 - d. Inspection Updates – Sean said an eye wash station was added at public safety. Rich will coordinate with Chris next season to ensure his staff gets training. Jaime said that Mike needs to sign for confined space and then they will be all set.
- V. New Safety Concerns
 - a. No new safety concerns to report.
- VI. Tour the Transfer Station
- VII. Schedule Next Meeting
 - a. December 4, 2019 at 10:00 am
- VIII. Adjournment
 - a. Rich made a motion to adjourn at 10:57 am with a second from Jay. Motion passed 5-0.
