All municipal license and permit renewal applications are approved by the Town Clerk if CFP recommends approval. If there are issues, the application must be approved by the Town Council. A completed questionnaire and fee is all that is required for a renewal.

The holder of any license or permit that cannot be renewed (those that show an N/A above) must submit a new application if they wish to continue the activity after their current license/permit expires.

All new and renewal state licenses and permits are approved by the Town Council, except where noted below.
