

**RESOLVE #R-2021-60 TO APPROVE A CONTRACT GAS AND DIESEL FOR THE
2021-2022 FISCAL YEAR**

Whereas, the Town of Bucksport and RSU 25 cooperatively seek bids for the provision of gas and road diesel on an annual basis, and

Whereas, the bid process resulted in three bidders

Bidder	Gas - rack plus	Diesel - rack plus	Gas Fixed	Diesel Fixed
Dysarts	.12	0.12	n/a	2.3715
Irving	N/a	.178	N/A	2.375
Dead River	0.125	0.20	n/a	2.3755 (after 16,000 gallons at \$1.67)

The current bids indicate an increase in prices for gas and diesel, but due to the fact that we will have approximately 16,000 gallons remaining on the current contract with Dead River for \$1.67 per gallon due to the reduction in fuel use due to COVID for the school buses and the mild winter for Public Works, the actual blended rate for the 2021-2022 year with Dead River would be \$2.14974

Whereas no bidders provided fixed pricing for gasoline, and the Town wishes to award to one vendor for both commodities,

Be it resolved by the Bucksport Town Council in Town Council assembled to award the diesel and gas contract to Dead River for the 2021/2022 fiscal year, with a maximum fixed price for diesel of \$2.3755 per gallon (after use of 16,000 gallons at \$1.67) and a gas price of .125 over rack.
