

MANAGER'S REPORT

12-08-16

Lights Parade – A reminder to everyone to come out for the Lights Parade on Saturday at 5 p.m. The Heart & Soul group will be having hot cocoa and cookies at their building and there will be music and fun!

SafetyWorks Program – Thanks to Chief Craig Bowden for coordinating the efforts to have the Town receive the Safer designation which helps with employee safety, reducing insurance premiums, and eliminates the random inspections from the Department of Labor as long as the Town maintains its safety program. The final report was submitted on November 30th. Thanks also to all the work of the departments in getting everything done that needed to be done for this program.

DEP/AIM Meeting – I had a meeting with AIM and the DEP last week to discuss the landfill now owned by AIM. It was a productive meeting and I stressed that the facility had always been an accessory use to the mill site and it was the Town's view that it would remain as an accessory use to the property.

Tax Foreclosure – Unpaid 2015 real estate taxes will foreclose on Friday, December 13th.
