

MANAGER'S REPORT
November 9, 2017

Town Reports – It has taken some time but with the help of Rachel Allen we nearly finished catching up the years of Town Reports that were not completed. They will all be posted in electronic form on the Town website and some will be printed for Town Records. In doing so, I would like to add a dedication page to the 15-16 Annual Report to Tim Emery our former Recreation Director who retired for good last year. I would also like to dedicate the 16-17 Town Report for the year that ended in June of 2017 to our Poet Laureate Pat Ranzoni for her work on Still Mill and the way in which she captured the stories of the mill workers.

Seasonal Happenings! – A reminder that the Tree & Community Lighting will be held on Friday, November 24th next to the Town Office at 6 p.m. Small Business Saturday is Saturday November 25th so please frequent your local businesses not just that day but every day! December 9th is the 2nd annual Parade of Lights that will be held at 5 p.m. on Main Street.

Tourism Symposium – I attended the luncheon at the Lighthouse Arts Center today as part of the Tourism Symposium. It was a beautiful day to have so many people in Bucksport!
