

MANAGER'S REPORT
11/30/2017

Parade of Lights – A reminder that the Parade of Lights will be held on Saturday, December 9th at 5 p.m. There has been a lot of interest shown in the parade and we should have many wonderful parade entries.

Department Head Meeting – We had a department head meeting on 11/29 which included a discussion of the establishment of a separate Safety Committee for the Town, unmet storage needs of departments, and building/security issues, as well as initial discussion of the upcoming budget process.

Skating Rink – The Bucksport Y Recreation Program has done a great job to fix up the skating rink including new paint, a liner, and skate storage units. With a little more cold weather we should have a great facility for winter skating.

Wilson Hall Update – Developer Richard Campbell will be attending the Council meeting on December 14th to give the Council an update on progress made with the proposal submitted for the renovation of Wilson Hall.

Municipal Review Committee Annual Meeting – The annual meeting of the Municipal Review Committee is being held on Wednesday, December 13th from 3-5 p.m. at the Public Safety Training Room at the Hampden Town Office. As a Board member of the MRC I will be attending that meeting.

ADAPT – A reminder to check out the ADAPT Facebook page and website to keep current with work being done as part of the EPA grant for redevelopment of the former mill site. It is still possible to participate in the survey online until next Wednesday.

EMDC Names Bucksport as 2017 Community Champion of the Year. The award will be presented at the EMDC annual meeting on Monday, December 18th at the Hilton Garden Inn in Bangor. Congratulations!
