

MANAGER'S REPORT  
August 31, 2017

Wednesdays on Main – A big thank you to Paula Kee and all her helpers for another successful summer of Wednesdays on Main. These weekly events have become popular and well-attended events and a wonderful addition to the community.

Tax Due Date – Today is the due date for the first half of 17-18 property taxes. Interest starts tomorrow on the first half.

Pool Closed – The Town Pool has been drained for the season. We will be working on a plan to repair it to prevent the water loss that has been experienced for the past couple of years.

Fitness Room Upgrades – I encourage everyone to take a minute to visit the relocated and upgraded Fitness Room at the Jewett School. It is looking great! Thanks to Nick and his helpers for all the work on it. It will be a much-improved place to work out – and new programs will also be offered to expand its use.

Trade Winds Grand Opening – I encourage everyone to attend the grand opening of the Trade Winds in Orland tomorrow morning – September 1<sup>st</sup> - at 7 a.m. They are graciously donating \$5,000 to the Bucksport Y programs and \$5,000 to the Orland Community Center – as well as donating one cent from each gallon of gas sold to the Cancer Support Center of Maine.

ADAPT Facebook Page – The Facebook page for the EPA grant for the AIM property is up and running and can be found at AdaptBucksport. ADAPT stands for AIM Development Action Plan for Tomorrow. Plans are in the works for the first public forum for the grant and that information will be shared within the next couple of weeks. It is anticipated that the forum will occur sometime in late October.
