

MANAGER'S REPORT
9-13-18

Main Street Bucksport – The new program launched by Main Street Bucksport – the Buck (does not) Stop Here kicks off on October 15th at 6 p.m. at the Alamo with presentations by three prestigious graduates of Bucksport High School. The second session will be held at the Alamo on November 5th at 6 p.m. with three additional alumni. The events are free and open to the public.

Marina Season Winding Down – The Marina will be closing for the season on October 15th. There are still several more exceptional weeks of boating left and we encourage the public to use the waterfront!

Senior Resource Committee/Staff meeting – Representatives of the Senior Resource Committee will be meeting with CEO Jeff Hammond and I on Monday afternoon to discuss the Chapter Five concerns that the group has over proposed language. The goal is to get questions answered and provide input so that the Committee meeting on September 27th is productive.

Drainage Information – We now have the reports back from the Engineer regarding the Main Street and Forest Hills and Woodland Heights questions. I would like to schedule an Infrastructure and Properties Committee on October 27th to discuss these items.

Wilson Hall – CEO Jeff Hammond reports that the tower should be removed from Wilson Hall on or before October 9th. Mr. Campbell will be at the Council meeting on September 27th to update the Council on his plans.

Local Government Advisory Committee Meeting of the EPA– The meeting that I had to cancel attendance at in Washington DC this week due to my husband's injury was itself cancelled due to the Hurricane. It will be rescheduled at a future date.
