

MANAGER'S REPORT
June 11, 2020

Spirit of America Award – We have had one nomination from the public for the Spirit of America Award and that is for The Bucksport Enterprise & Don Houghton and Sandy Holmes.

Green Lawsuit – I received notification that the appeal of the original court decision in this matter was decided. The original judgement was affirmed. I have attached a copy of the decision. According to our attorney, there are no more avenues to re-open the question of the easement, which is now permanent.
